

## DECEMBER 2012

No competitions this month but lots of work happening, well into breeding, two foals on ground and doing very well, growing like mushrooms, all of my mares covered and most of the visiting mares. Both Bravo and Roulette have been very busy boys.

Roulette has also commenced his formal education, all along with covering mares (the fun part) and have put on a few photos taken for his third birthday.

**HEATHMONT ROULETTE** - 3 YO COLT BY ROYAL HIT (Imp) out of GEJLGARD ROMANCE 11 (Imp)

We have also been working on our two four year olds, AR Burgundy and AR Galliano and they are now both working nicely forward under saddle. They have also both been to the beach this last week, so first ride on the truck and first big adventure. Very pleased with both of them, they will be offered for sale shortly.
