

## DECEMBER 2014

Some highlights from the last few months. Has been very busy at Acacia Ridge since I got home from my WEG adventures in mid September.

December - Heathmont Roulette and his new rider, Verity Hayman, are well under way to cementing a top partnership. They had their first outing to SVDC in mid December for some very good scores of 70% and 74% for a first and second in their two tests. We were thrilled with his behaviour, he was totally chilled despite having served two mares that week. We are looking forward to following the progress of Roulette and Verity, well done Verity and Roulette!!
