FEBRUARY OUT AND ABOUT FOR ACACIA RIDGE HORSES

Denise and Acacia Ridge Bianca had their first outing in February at Southern Vales Dressage Club and we are very excited about her. She coped extremely well, to finish 2nd in her Prelim test from a field of over 20 horses.

Bianca is Bravo's first baby (check out the photos)

and is only three months under saddle so this was a very auspicious start to her career. Bianca has been withdrawn from sale and is being kept by the Stud. Denise will be competing her in dressage and Carly Wenham will be doing some lower level eventing with her. (she is only 4yo)Windsong was also entered for SVDC on Sunday 21st Feb but was collected by Goldners to begin her journey to her new owner on the Gold Coast in Queensland. Congratulations to Natalie Lewis-Grofski who is the proud new owner of Windsong. We wish them all the best in their partnership. Windsong is an absolutely delightful youngster to work with and will be sadly missed, we are anxiously awaiting the results of her dam, AR Reminisce's pregnancy test, fingers crossed, she is in foal to Medallion (dec) by frozen semen so we anticipate another little stunner next year.
