

JULY 2013

Lots of activity with Bravo this month, we had a photo shoot, lots of lovely new photos, see in the Stallion Section. He has also now had two SJ outings and is performing very well. Photo is of him at SA SJ Club winter Series at Wistow where he had six clear rounds, winning the 85cm and second in the 95cm. Great achievement Ty and Bravo. The following outing they had two clear rounds in the 95cm for a fourth place, all very pleasing. Have also been out schooling cross country which is exciting.

Congratulations to Joel Koster on the purchase of Acacia Ridge Burgundy. Burgundy is a super young mare and we wish them all the best in their partnership. Burgundy will be missed at Acacia Ridge, she has been a firm favourite, my favourite ride, would have liked to keep her, but unfortunately cant keep them all and I know that Joel will give her a super home. We look forward to following their progress, photo below with Joel on their first ride. Joel saw Burgundy being ridden by Kirsty Trento at a dressage clinic with Fiona Heysen, and fell in love, thanks to Kirsty and Fiona for their work with Burgundy, was her first time indoors and she was a super star :)
