

MARCH 2013

Congratulations to Fiona Heysen and her Bravo girl, Kalinga Nora, on their win at Reynella ODE while I was holidaying in Bali. Very exciting, third in their very first event at Lockington and then won the Intro at Reynella two weeks later. Fiona has not evented for 25 years but says that Nora is "just awesome" cross country and has reignited her eventing flame. We look forward to following their progress. Photos below of Nora and Fiona looking very professional.

Acacia Ridge Beaudancer and Chrissy Gear have also been doing very well on the eventing scene. Beau and Nora are the same age, first batch to hit the events.

Beaudancer completed his first event at Lockington and then went on to finish third at Reynella Horse Trials in the Newcomers. Well done Chrissy and Beau, we will be watching their progress with much pleasure. Photos below of Chrissy and Beau, easy to pick Chrissy in the hot pink!!
