## NEWS MAY 2010

Unfortunately Bravo has managed to injure himself at a critical time, has missed both Kirkaldy Park State ODE Championships and the State Dressage Championships, just pulled muscles in the hindquarters, will mend but excruciatingly bad timing. He and Colette did manage to get to their first showjumping outing at the Presidents Cup at Strathalbyn. Just one rail in the 95cm , a bit of greeness on both sides, see Youtube and photos. They could be out of action for another few weeks, length of recovery according to vets is "how long is a piece of string"?

### Bravo and Colette at the Presidents Cup at Strathalbyn

Rocky aka Acacia Ridge Gibraltar and Colette did well in the Young Rider at the Dressage Champs. Rocky was just going for the ride as Bravo was the main contender, but considering he did his first Novice test the week before at SVDC we were very happy with him. A third in the Novice and fourth in the Prelim, Colette finishing third overall in the Young Rider Event.
