

Attendance

There are no penalties for missed rehearsals at EDC, but we do encourage dancers to strive for perfect attendance. Our curriculum is planned on a weekly basis and moves up as we evaluate how our dancers are evolving. Our instructors will always help in any way we can to better our dancers, but if a dancer feels they will benefit from a private lesson those can be scheduled. We strongly advise those who miss 4 or more rehearsals for any one class to take advantage of our private lessons as we can help with technique and/or showcase choreography.

**Once we return from our Memorial Day Holiday, all practices are mandatory as our Showcase is soon to follow.*
