Description:

The Hell Difficulty Saga is the woeful tale of a man - Richard Seaborne – in his sunset years – suffering from dementia. He is locked away in a psychiatric prison for the criminally insane, but believes it is unjust. Richard is losing faith in the world and humanity, but sees himself as a modern-day Quixotic hero – named Rick Liberty – whom alone - can restore the world to morality and righteousness. He must be free of the Ward to save the world.

Richard recounts his life from childhood to retirement, to a panel of psychiatrists - in this fictional story – in hopes of being freed. He weaves elements of the real Richard Seaborne's autobiography, into his epic fantastical Quixotic adventure, where he fights the Devil, the Devil's Cult of Bael, and the Seven Princes of Hell's Puppets here on mortal earth (including the World Economic Forum / WEF, Gates, and Soros).

CENSORED ON YOUTUBE: <https://youtu.be/Yx0HIMT73ZM>

Description:

Richard reflects on being motivated to escape early childhood challenges, loss, and family deaths. He recounts his descent into neurodegeneration – but questions the Psychiatrists’ diagnoses and judgment of him.

The incarcerated Richard recounts the events that landed him in the psychiatric prison for the criminally insane. Richard rejects the diagnosis that he is experiencing a psychological schism of reality between the world Richard sees and the world his psychiatrists see.

There is only one way for Richard to be free of his imprisonment in the Ward, as the captive to his Psychiatrist Warden – Doctor Caselli. Richard must accept all psychiatrist advice, comply with all of their directives, and behave appropriately and manage all emotions to control messages and prevent outbursts, psychological decompensation, or mental divergent episodes.

Description:

The Doctors decree there “is much to unpack” for Richard... ..requiring MANY psychiatric sessions ongoing.

The Psychiatrists pile on more and more “trumped up” diagnoses of mental disorders – Richard concludes.

Richard is told that whether he suffers Neurological or Psychological issues – the behavior and results are the same. However - one is treatable, whereas the other is an inevitable outcome.

Ultimately – The Doctors judge Richard as severely compromise and troubled despite Richard’s belief otherwise.

Description:

Living in a car for extended periods at a time – Young Richard learned to store prized possessions inside the car – out of sight – and away from the sun’s heat.

One day – Richard leaves one of his few and most prized toys on the dashboard forgetfully... ..and the toy melts, is destroyed.

Richard’s loss is dismissed as irrelevant – whereas the damage to the car’s dashboard WAS A SERIOUS PROBLEM!

Without “purchased toys” – Richard learns to use his imagination to create toys – out of rocks, clothesline pins, ...

The psychiatrists learn of Richard’s perfect 50-50 split of Left-Right Brain dominance...a theoretical impossibility.

<https://youtu.be/95T-gwPWyXE>

Description:

Food and shelter were unreliable and unpredictable for Richard, with his mother frequently moving and never establishing roots or a foundation to build from.

Richard develops coping skills and tools – very early in life – to overcome severe adversity, fear, and anxiety.

“Richard’s World” is imagined – as a “safe place” for Richard to withdraw into... ..to re-group and return unrelenting.

“I Must Be Great” concludes Richard, deciding he must always be Good, Just, Righteous, and – NEVER LOOK BACK.

He realizes the past can hurt you, so **its true value is KNOWLEDGE; its value is not EMOTIONAL BAGGAGE.**

The Hell Difficulty Saga is the woeful tale of a man - Richard Seaborne – in his sunset years – suffering from dementia. He is locked away in a psychiatric prison for the criminally insane, but believes it is unjust. Richard is losing faith in the world and humanity, but sees himself as a modern-day Quixotic hero – named Rick Liberty – whom alone - can restore the world to morality and righteousness. He must be free of the Ward to save the world.

Richard recounts his life from childhood to retirement, to a panel of psychiatrists - in this fictional story – in hopes of being freed. He weaves elements of the real Richard Seaborne's autobiography, into his epic fantastical Quixotic adventure, where he fights the Devil, the Devil's Cult of Bael, and the Seven Princes of Hell's Puppets here on mortal earth (including the World Economic Forum / WEF, Gates, and Soros).

Description:

Learn what the ‘Manny Maneuver’ is...

See how leverage is a powerful tool – but can be abused in actions like blackmail.

Hear how ‘bad people’ can time their blackmail or coercion such that there is little choice but to acquiesce to their demands.

There can be eventual consequences to selfish abusive behavior.
