Episode - This is Book 10 – God’s G-Team, The Calling, and The Mission Quest

Episode:

Book 10 -

“God’s G-Team,

...The Calling,

...and -The Mission Quest.

Welcome to the Adventures of Rick Liberty in the Hell Difficulty Saga

These – are - the Adventures - of Rick Liberty...

...in - the Hell Difficulty Saga,

Wild Ride – Saving the World Again

Well... let me just start off... by saying this...

It has been - quite - a wild ride...

Saving the world...

Again.

It has Been Exhausting – Relentless - Unforgiving

It has been...

...Exhausting,

...Relentless,

...and – Unforgiving.

But – We All Have a Duty – a Responsibility – Dare I Say – A Calling – That is Beyond Ourselves

But – well...

...we all - have - duties,
...we all – have - responsibilities,
...we all – dare I say – may - even - have - a Calling...
...some – special purpose,
...something - that is – outside,
...something – that is - beyond - ourselves,
...The Calling – is something – that – we - simply – must do.
...some of us – are – innately – drawn - to the Calling – early in life...
...and rarely, - The Calling – infuses itself...
...into you – at birth.
...or - at – a very, - early – age.
...some of us – have a Calling – that we just – don't know yet...
...but – Your Calling – will - find you...
...even if – you aren't - looking for it.

You simply Cannot Give Up on The Calling

Perhaps – a sobering – reality – of a Calling...

...is that – no matter – how worn...
...no matter - how wounded...
...and – no matter how grievously - hurt...
...you – simply – cannot – give up – on – Your Calling...
...because – it is – THAT – STRONG – of – a PULLING FORCE...

...it is - a – FORCE – that is - so much – BIGGER – than –
ourselves.

There is No Guarantee or Promise – You Will Enjoy Your Calling – or That Your Calling Will Be Fun At All

In the end – it becomes this...

...You – Cannot Deny – Your Calling,

...There are - no guarantees...

...that – You – will enjoy - Your Calling,

...and - there are no – promises...

...that Your Calling – will be - fun – at all,

RICK Talking Audio File: E400 002 As to Our Calling

My Calling – It Found Me

Well...

As to - My Calling...

...My Calling...

...Found me.

...Erm - More accurately...

...*OUR Calling* - *Found Us*

My Calling – OUR CALLING – was Never Planned – Never Sought After – But Was Forcibly Pushed On Us

Our Calling - was– neither - planned - nor conceived – by us.

...Our Calling – was – Never Sought After – by us,

...Our Calling – was – however – Forcibly...

...First - Pushed - Onto Me,

...and – Then – it was - forcibly –

...pushed - onto - My Friends...

...and – onto - My Allies,

...and – it was - even – forced...

...onto – my Family – solely – because...

...they – lived – in orbit – of me...

No One Cannot Deny Their Calling

In the end...

...it seems...

...no one – can - deny - Their Calling – no matter what they do, say, or believe,

...Their Calling – is essentially – Their Fate...

...It is...

...Their - Destiny.

What is Our Calling and Destiny – to Get Beat Down, But Get Back Up Again and Keep on Swinging

And so...

...What is My, – What is - our - Calling?

It seems – our Destiny...

...is to get beat down – again and again...

...but – to get back up...

...regardless - of how many times – we are beaten,

We – rise again – and – we fight - onward...

...and – we never – ever - give up.

That Was A Lot of Navel Gazing

Well – that was a lot of – navel gazing – as they say...

The bottom-line - is this...

...Hard as our journey - has been – and likely - will be...

...We have accepted - and – we have embraced – who we are,

We Are God's Team – The G-Team – Our Calling is to Fight the Devil's Cult of Bael

...We ARE - GOD'S TEAM - on Earth,
...We Are – The G-Team,
...We fight – against - the Devil's - Cult of Bael,
...We fight - against - the Cult's - Corruption – of - Humankind,
...We fight - to stop – the Cult - from - unleashing - Hell on Earth.
...and - We will march into Hell – Without Reservation – for - a Heavenly Cause!

This is Our Mission Quest – to Fight Righteousness and Humanity – and to Serve God – No Matter the Price.

This is our Mission...

This is our Quest...

Our Mission Quest - is - to fight for Righteousness, – Humanity, – and to Serve God...

...no matter – how steep the price - we must pay.

We are the G-Team.

We - are - on - a Mission - for God...

...We - are - on - God's Mission Quest.

We Will Follow Our Calling to the Bitter End

And therefore...

...We -*will* – follow – Our Calling...

...so long as – we are able to...

...we – will fight – until – our fight is over...

...we will - follow – Our Calling...

...to - our bitter end,

We Serve - even if Shakespearean 'Poor Players That Strut and Fret His Hour Upon Stage, and Is Heard No More'

...We will serve – Our Calling...

...even if – we are – mere - Shakespearean – actors...

...in our brief – life – on the World Stage...

...where – we play the role – of heavenly heroes...

...and fight – for God – and righteousness,

...and – we fight - to Save Humanity,

...Shakespeare wrote – in Macbeth,

“... Out, out, brief candle!

...Life's but a walking shadow, a poor player

...That struts and frets his hour upon the stage

...And then is heard no more”

...We will – fight – for – Goodness...

...even if – our fight – is brief – and fades...

...until – our – Brief Candle...

...burns out, – and - we are heard from - no more.

...we will fight...

...so long as – we - make a difference...

...that's what matters...

...in – *Our Calling*.

Heavy Stuff – It’s Who We Are – Our Calling – Our Destiny – We Are God’s G-Team.

Okay...

Yea – that - was - some pretty heavy - stuff...

...but – well...

...*That* - is – OUR Calling.

...We – *Are* – The G-Team,

The team relaxes and recuperates on the beautiful island, of St. Lucia, in the Caribbean, following their destructive exploits in New York.

Rick muses how contrasting their separate lives are. He and the team live in a dichotomy of War and Peace, where life, death, and play are all part of their lives.

God’s G-Team Relaxing and Recovering in St. Lucia in the Caribbean

Navel Gazing Done (again) Saved the World Twice – But Doing So Was Destructive

Well...

So here we are...

...putting aside – navel gazing – and pontification – for now...

...let’s talk about the present - right here - right now.

It’s Been a Wild Ride – Saving the World Twice – Albeit With Great Devastation, Destruction, and Death

It’s been a wild ride...

We – Saved the world - TWICE...

...But – Doing So – Has – Been...

...Ermmm – well - Destructive...

...to – say the least.

...yea – maybe – more accurately...

...it was great devastation, destruction, loss...

...and - even death.

Well – horrific – as our journey has been...

...Those stories – are – now - behind us...

...[and – can be experienced in - the Previous *Rick Liberty* Books – of course]

Needed to Lay Low For a While – While ‘Heat’ From Actions Saving Humanity Died Down

What all that destruction means – like I said - right here – right now...

...is – that - we needed to lay low – for a while...

...while any ‘HEAT’ we created – in our actions to Save Humanity – died down.

We Were in The Caribbean

Consequently...

We went to the Caribbean – to hide out – and recuperate.

We Were Living on The Beach – in our RV Cargo Plane

We were living – on the beach – sort of...

...we were living – in our Cargo Plane RV – right there – on the beach.

We Were Living “Free” Under-the-Radar on the illicit-shady shores of St. Lucia

We were – living – mostly - carefree...

...having arrived- undetected - flying - literally - under-the-radar...

...practically – surfing – the -waves – as we – flew – to avoid being – detected,

...and – eventually - landing - on – an illicit - shady beach...

...on the island – of St. Lucia – in the Caribbean.

Taylor Blond Flowing Slender Ex-Military Form Donning Wetsuit Excitedly Rode Jet Ski

Taylor – Taylor Everest - with her blond hair – flowing...

...and – her – slender, strong ex-military form – donning a black wetsuit – excitedly - rode a jet ski.

Taylor and Her Jet Ski Were Human and Machine Melded – One Human-Machine Force in Form and Function

Taylor - shifted – left and right – forward and back – up and down...

...She – and - her jet ski – were...

...human and machine – melded as one...

...she and the jet ski – became...

***One Human-Machine* - Force - in – Form and Function.**

Taylor Was Having a Great Time

Okay –

She was having a great time!

Taylor exclaimed, “Can You Believe This?”, as she blasted by on her Jet Ski.

She excitedly shrilled, “Check This Out!”...

...She showed off – stunt after stunt....

...she stood on her jet ski – seemingly dangerously...

...she – even drove - facing backwards.

Like I said – Taylor was having a good time.

Sarah Criss-Crossed and Jumped Waves on Her Jet Ski – and Zipped By Taylor

Out of left field – literally... left – of - field of view... came Sarah.

Sarah McGilvray - with her strawberry blond hair and thin body in a white wetsuit – zipped by – on her jet ski.

She was crisscrossing and jumping waves - and wakes of Jet Skis and boats.

Sarah – zipped by Taylor – waving to everyone...

...She - seemingly – was intent – on - making sure – that everyone - saw – that she - was having - a good time...

...Heh - **as – instructed to do.**

...Yea – Sarah...

...does not – ‘take time off’ – or – ‘take it easy’ - naturally.

...She schedules time – to – ‘DO NOTHING – RELAX’ – as a task - in her calendar,

...Well – She Made Sure we All Knew -That – she fulfilled – her commitment...

...*SHE WAS - TAKING TIME OFF – TO HAVE - A GOOD TIME!

Katie Showed off Thin Korean-Latina Form – long dark hair – wearing a white bathing suit

Katie – Katie Snowette - showed off her thin Korean-Latina form – and long dark hair – wearing a bright pink bikini bathing suit.

She – smiled – and laughed...

...as she ran - up and down - the beach...

...throwing a beachball – to – and – from...

...HR Bob – who – surprisingly – was – silly – and having – a ball – of a – good time...

...playing with Katie – seemingly – carefree...

...living – in the moment.

HR Bob Wore His Black Beret with His Bathing Suit Trunks

Yea...

HR Bob – AKA Bob Cervantes...

...oh - yea – Bob - will - always be- 'HR' Bob – to me – on some level...

...it's 'JUST WHO HE IS'.

Anyway – HR Bob – looked a bit funny - wearing his - black beret – and rimmed glasses - and swimming trunks...

...while playing with a beachball.

Tiny Splashing in the Ocean Smiling and Laughing

Tiny – our ever-loyal – Hell-Touched - Aphasia Cursed Friend...

...wearing – simple – 'black swimming trunks,

...and sometimes – putting on a – sleeveless – muscle shirt,

...Tiny – looked – entirely – normal...

...there – on the beach.

...he was – standing and splash-playing in – and by - the ocean,

Tiny's - naturally dark skin – glistened with water...

... water – that splashed - dripped - and - splooshed - across - his muscles,

He - looked up - to the sky...

...as if – praying – and – imploring – for – something...

...something – that may well – be - forever - known – only - to Tiny.

It was great – for me - to see – Tiny... seemingly – content - enough...

...if not happy – even – for a moment.

Me – Rick Liberty – I Sat There Like a Log – Watching the Waves and Others - Thinking...

I – myself – laid there - on the beach...

...in my black swim trunks, with a beach reclining chair, and umbrella...

...which was black – of course.

...I think – that - I was - in decent shape...

...especially - for being - in my fifties,

...and – with a common beachwear Shirt...

...I looked – very much – like – an everyday – ordinary - tourist.

Well...

I Took Taking Time Off Seriously – PLANNED to DO NOTHING – BUT THOUGHTS ARE ALWAYS THERE

I took – taking time off – seriously – also... like Sarah...

...I had to deliberately - ‘intentionally’ – make Plans and schedule time – to truly - ‘DO NOTHING’.

...but – even then - Thoughts...

...they - do not - turn off, - or ‘lay down - on the beach’ so easily,

...and so – I – kept on thinking – even if – I was – appearing – to – be doing nothing.

Watched Familiar and Unfamiliar People – and Watched the Team ‘TRY’ to Relax

And so - I sat there, on the beach.

I watched - the water waves – and – I watched – people – both the familiar and the unfamiliar, stranger.

I watched our team – as they – played – and – ‘tried’ – or feigned - to relax.

Remarkable – Wage Life & Death War - One Day – and Laugh and Play– On the Next Day.

It was remarkable to me...

...how – our lives – could be – so entirely – different – in – a matter of days,

...and – it was remarkable – how – people – have – varying – degrees – of the ability - to
compartmentalize things...

...to compartmentalize things – so well - that life & death - experiences and threats - can be put -
on a shelf...

...when you – get a chance – to play in the water - on a jet ski – with friends.

Indeed – our lives – were – seemingly...

...very much...

...REMARKABLE.

Our Dichotomy as Soldiers – Wage Life & Death War - One Day – and Laugh and Play– On the Next Day.

We lived – a Dichotomy – as God’s Soldiers – on Vacation – Hiding – on the – down low...

...We Wage life & death war – on one day,

...and – we laugh and play – a few days later,

...it seems – absurd – to context switch – between...

...existential threats,

...and - goofing around.

...But – I suppose – it is the way – it must be – for a soldier.

Yea - We embodied the – very dichotomy – of – War and Peace.

I suppose – in the end...

Life, Death, and Play...

...are – all – part of our lives – now.

It made be happy – seeing the team – finally – find some time – to relax.

As they played...

...and enjoyed – their – time off...

...and – could be – feel - carefree...

...for – the moment – at least.

...and - again – for me...

...I sat there,

...and - did nothing,

...and – I – watched - observed– and thought...

...ultimately - they – extracted –

an inmate – named Richard Seaborne...

...who goes - by the alias name – Rick Liberty...

...and – he – is the leader – of the G-Team - terrorist group...

...horrifically – they kidnapped – an – Athlone – Councilwoman...

...and they - ritualistically - embalmed – her...

...as another – of their - victims.

G-Team Terror Continued in Prague

5. The G-Team Terror – Continued – in Prague...

...The **G-Team** – greatly – escalated – their violence – and destruction – in Prague,

...They – Destroyed – with massive explosions – **THREE MAJOR BUILDINGS** – in Prague,

...They went on full assault – shooting and blowing up – everything and anyone – that was in their way,

...they – even – **erased – those companies’ cloud storage and backups** – setting each back - a decade - or - more,

...The collective – death and destruction – in Prague – was – insane – utter madness...

...Thousands of people were killed – and technologies stopped in their tracks.

G-Team Terror in New York

6. The G-Team Terror – Continued – in New York...

... Saeleen and Randy already shared – much on - the G-Team Terror – activities – in New York,

...So – let me just – note – this...

...the G-Team – has proven remarkably – skilled – and capable.

...They are diverse in expertise,

...they are methodical, strategic, and planned,

...they scope out their targets,

...They blend in – wearing – everyday clothing,

...or – they wear – full on combat body armor.

...They may not – look like Terrorists – but they are – very much – terrorists.

G-Team is ‘Gone in the Wind’

7. The G-Team is - ‘Gone in the Wind’ - now

...We don’t know – where the G-Team – or any of its members – are – at the moment.

...we can only wonder...

...where in the world is Rick Liberty and the g-team?

...That's everything – I can share – at this time.

Rick Talking Audio File: E402_005 Saeleen Transition from FBI to Psychiatrist Caselli

Saeleen – Viewers Can Go to Website for FBI Hotline and Media & Information

Saeleen interceded...

“That's great information to have, Agent Ramirez.”

“Our viewers can go to our website – *sea-rocks.com* – for media and information.”

“And – most importantly – they can find the FBI Hotline – to call in – any tips – on...

...Where - in the world - is - Rick Liberty and the G-Team...?”

Saeleen – Let’s Hear from Criminal Psychiatrist Doctor Caselli – who Treated Rick Liberty

Saeleen shifted focus, - and spoke,

“Okay – let’s hear from Doctor Caselli – the Criminal Psychiatrist – that treated – Rick Liberty...”

Rick Talking Audio File: E402 006 Doctor Caselli Psych Overview of Richard

Doctor Caselli – Greeting and Introduction – Thank You for Having On Show

A well-kempt - and manicured - middle-aged - black man – sporting a dark brown, ash-colored suit with a tie and wide-rimmed glasses – joined the conversation.

“Thank you, Ms. Saeleen. I appreciate your having me on your show.”

Doctor Caselli – Richard Seaborne was Our Patient – at Scottsdale Psychiatric Prison for Criminally Insane

Doctor Caselli’s expression – turned - gravely serious – and he continued,

“My team - of three Criminal Psychiatrists and I – were assigned to diagnose and treat – as noted – the man - named – Richard Seaborne...

...after - he murdered a man – in cold blood, – and was sentenced – to my care...

...at the Scottsdale Psychiatric Prison for the Criminally Insane...

...where – Richard – still – insists...

...that – he was justified – in his actions.

Doctor Caselli – Richard is Suffering from Many Neurological and Psychiatric Disorders

Doctor Caselli stated resolutely, “Richard – is diagnosed – as suffering from neurodegeneration...

...and - he has numerous neurological and psychiatric disorders, - with the most relevant here - being...

...severe bipolar disorder,

...multiple personality disorder,

...and advanced schizophrenia,
...narcissistic personality disorder (NPD) – with Delusions of Grandeur,
...his – narcissism – is conflicted...
...by his - concurrent – Machiavellianism,
...and – of course – he suffers...
...ongoing - progressive psychosis – from neurodegeneration.

Doctor Caselli – Richard Ultimately Suffers Severe Delusion – Decreeing He is God’s Judge of Humanity

...These Disorders have manifested – in – a - severe – delusion...
...where - Richard – sees himself – as the – ultimate – judge of humanity...
...proclaiming – he is – the divine ‘The Fulcrum’ – that Humanity’s Survival Pivots over,
...his narcissism – and – Delusions of Grandeur – are - on full display...
...in his – Decreeing – that he – is ‘God’s - Judge - of Humanity’...
...who advises Jesus – on when it’s time for the Apocalypse,
...it’s utter nonsense madness.

Doctor Caselli – Richard Seaborne was Our Patient – Who in Dementia Conceived Himself as ‘Rick Liberty’

Richard’s dementia – his madness – culminated – further...
...in his - conceiving – himself – to be – someone – else – other than himself - altogether...
...Richard – conceived – that – to be ‘The Fulcrum’ – he should have a new identity,
...Richard – transformed himself – into...
...Rick Liberty – a Warrior – or – as he says – a Paladin...
...that – ‘Fights for God’ – and – ‘Defends Righteousness’...
...thereby – justifying...
...his extreme behavior,
...justifying – his - extreme violence,

...and – justifying – his disregard - for law and order.

Doctor Caselli – ‘Rick Liberty’ Further Madness as Last of God’s Champions, the Knights Templar

...to Make matters more obvious – on - how far – Richard – has degenerated...

...illustrating - as they say – how much – his brains – have – dried up...

... Richard has concluded – that his team – God’s Team...

...is called – simply – The G-Team,

...and – his G-Team – is the last – of God’s Champions...

...The Knights Templar.

...Richard – and his G-team ...

...are – extremely – disconnected – from reality – at this point.

Richard – now – uses - his alter ego - persona – of Rick Liberty - as his identity...

...I will – attempt – to refer – to Richard...

...as Rick Liberty – going forward – to reduce confusion.”

Rick Talking Audio File: E402 007 Doctor Caselli Richards Friends Are Real Afterall

Doctor Caselli – It Would Be Best for Me to Admit My Failing in All This – ‘Disaster’

Doctor Caselli looked somewhat apologetic,

“You know, - I think - it would be best - for me...

...to admit – me - and my team’s - failing - in all this...

...to confess if you will- our failing – in this - ‘DISASTER’,

Doctor Caselli – We Were Mistaken, Richard’s Friends Are Real – Not Imaginary

When we first engaged – with Rick – as our psychiatric inmate patient...

...we believed – that his delusions – manifested...

...in fictional characters...

...that he - perceived – as real,

...however – it has since - become evident – that – these ‘friends’ - of Rick...

...are – in fact - real people,

Doctor Caselli – Richard’s Friends Are Disenfranchised Malleable Impressionable People

...Rick’s ‘Friends’ – are disenfranchised – malleable – impressionable – people...

...that desperately – seek – to find - PURPOSE – in their lives.

Doctor Caselli – Richard’s Friends Manipulated into Believing They Also Fight for God with Rick Liberty

...Rick – being highly intelligent and charismatic...

...managed – to manipulate them...

...into believing – that - they too – are – fighting for God...

...under his leadership – of course...

...as - Commander – of the Knights Templar,

...and – as - Leader - of – God’s Champions...

...the G-Team.

Rick Talking Audio File: E402_008 Doctor Caselli GTeam RV Plane and Inheritance

Doctor Caselli – Prison Security Identified a Black Ford Explorer Get-away Car is Stored in RV Cargo Prop Plane

Doctor Caselli offered some closing information...

“Rick explained – during his sessions...

...that – his G-Team...

...has - a large – Heavy Duty - Cargo Freight – Dual Prop Airplane...

...that - has - a Recreational Vehicle (RV) - interior...

...with – accommodation – for sleeping, eating, planning,

...and – of course – for traveling – anywhere – in the world.

...Richard – even – asserted – the plane...

...had – numerous – stealth and decoy technologies,

...and – could even – use flares – against targeting,

...it all sounded absurd – at the time...

...Well – They have – a get-away car...

...They drive around – in a – Black Ford Expedition...

...which – insanely - travels – with them – in their – Cargo Plane.

This means – they seem – to have air and ground transportation – at their disposal – anywhere – they go.

Doctor Caselli – Rick May Have Access to Immense Wealth and Resources - \$250 BILLION OF RESOURCES

The Doctor seemed – to finally – conclude – his – immense – presentation...

“Rick – also during his sessions – explained...

...that - he inherited - \$250 BILLION DOLLARS...

...from an Aunt Millmore...

...who had recently died - in Ireland...

...and – who – Rick – had never met – or even knew about.

Doctor Caselli – Bank Records Show No Activity Despite Rick and the G-Team Spending Significant Money

“Rick – and the G-Team...

...seem to have – spent – a lot – of money...

...and yet – Rick’s bank accounts – have remained – static – totally unchanged.

...We - have concluded – that Rick – does – indeed...

...have access – to - a very large - sum of money - and extensive resources.

...Logically – Rick – has obtained...

...financial backers – regardless – if inherited – or granted.

Rick Talking Audio File: E402_009 Doctor Caselli Brilliant Charismatic Richard

Compounding the Danger Richard and his G-Team Represent is His Deep Knowledge of Technology and Hacking

Doctor Caselli cautioned, “Perhaps – a serious matter – in all of this...

...is who – Richard – erm – Rick – actually - was...

...Rick – is very – persuasive and charismatic...

...having been professionally trained in public speaking, influence, and pre-law,

...and due to his extensive experience working with and leading people all around the world as a technologist and technocrat,

...Rick – is – extraordinarily intelligent...

...having been identified - by Stanford University...

...as being - one of the - most brilliant minds - they have - ever tested.

...Rick – was Chief Technology Officer – a CTO – and Product and Technology Leader – at many - Fortune 500 companies...

...and – if all that - was not - concerning enough...

...Rick - was a – world class – Hacker...

...with – deep connections – in the Dark Web...

...and in – the International Hacker Community.”

Rick Liberty and G-Team are Global Threats at Incalculable Threat

As you can see - Rick Liberty – alone – is a formidable – and dangerous – threat...

...and - combined – with his – lethal G-team...

...the danger – they – collectively - represent – to the world – is – incalculable.”

Doctor Caselli – We Need to Stop Rick Liberty and the G-Team Before They Do Something Again

Doctor Caselli implored...

“We - need to stop - Rick Liberty – and - his G-Team...

...before – they do something – terrible – and destructive...

...again.”

Rick Talking Audio File: E402 010 Saeleen Outro Closure

Saeleen Whyte – Sounds like Rick Liberty and His G-Team – Have Unchecked Power

Saeleen Whyte – took focus...

“Wow! This is jaw-dropping stuff...

It sounds like – these terrorists – have – virtually – unchecked power...

...with all that money,
...and – with - those vehicles and resources,
...and – with - the ability - to travel freely – anywhere in the world.

Saeleen Whyte – Remember to Contact FBI Agent Ramirez If You See or Know Anything about the G-Team

“Remember – if you know where, in the world – is Rick Liberty and his G-Team...

...or - if you see – or know anything...

...about – them...

...contact - FBI Agent - Ramirez,

...his details - are on - our website.

Saeleen Whyte – We’ll Have More Coverage of Rick Liberty and the G-Team in Future Broadcasts

“Thank you all – for joining us – on our show – *Breaking news*”.

We look forward to seeing you next time!

Ta! Ta! – and Chao...

...Saelen Signing Off...”

...And Watch Out...

...for Rick Liberty...”

Our Day of Frolicking in the Sun Had Come to an End

Our day - of frolicking in the Sun...

...had come - to end.

We Had Returned to our RV Cargo Plane

We had – returned – to our – Home-on-the-Go...

...we had – returned – to our – Flying Recreational Vehicle...

...our RV – built inside – a huge – Dual Prop - Cargo Airplane.

Even Better – We Were Parked – Right There – On the Beach – in – Our RV Cargo Plane

Even better...

...we were parked – right there - on the beach – in – our RV Cargo Plane.

Landed on Remote Little ‘Seedy’ ‘Questionable’ Airport on Far, Remote Side of St. Lucia in Caribbean

You might wonder...

...How - did we manage - to get - a cargo plane - onto a Caribbean Beach?

Well...

...We landed – on a remote little – ‘Seedy’ – ‘Questionable’ – Airport – on the far – remote side...

...of the island of St. Lucia, in the Caribbean...

...which – conveniently – the Knights Templar...

...had – a ‘Contact’...

...that – my daughter Amanda Used...

...to obfuscate – our arrival – information...

...so – we were just - a returning – delivery, transport – cargo plane...

...now – parked – on the beach...

...awaiting – another – ‘job’.

Everyone Changed into Their ‘Island Clothes’ – to Accommodate the Temperate Humid, Moderate Heat

Everyone changed – into their – ‘Island Clothes’...

...to accommodate the temperate – humid – moderately hot – island – climate...

...which was surprising to me...

...that it was still humid and warm – in the Fall...

...but – I suppose - all that humid moisture and sudden rainstorms...

...help justify – why they call it - hurricane season

Everyday Clothes Helped The Team ‘Blend In’ – as Tourists.

Anyway...

By dressing tourist casual – we ‘blended in’ – well...

...into the – St. Lucia – Tourist scene...

...we wore – ‘Beachy’ - looking - ‘everyday’ – clothes.

Taylor Wore Military Green Cargo Shorts and Sleeveless Shirt – And Carried Gadgets, Gear, and Stuff

Taylor wore – military cargo shorts and a sleeveless military green top.

She removed – any evidence – that might show that her shorts and shirt – were once – military...

...as – apparently – it’s against – Caribbean Law – to wear – Military or Police Uniforms...

...unless – of course – you are – a soldier or in law enforcement.

Well...

Taylor – made sure – she dressed – to – be cool...

...while – ensuring – she had – pockets – to stash – gadgets - gear- and stuff...

...that - she may want – or need later.

Taylor Had a Conceal-Carry Holster on the inside of her Shorts – Wear She Had – a Small XDS .45 Pistol

Of course – Taylor – was armed.

She holstered – an XDS .45 Caliber – Pistol...

...in – a small – Conceal Carry – Holster – that she hid – on the inside – of her shorts.

Sarah Was the White-Cloth Version of Taylor's Military Green Clothing Style

Sarah – was a sort of – counter image – of Taylor...

...as - Sarah – wore – simple - White Shorts – and a white shirt,

Sarah – Also – Had a Conceal Carry – XDS .45 Pistol

As if – standard issue...

...Sarah – ALSO – had – an XDS .45 Caliber Pistol...

...hidden – in a conceal carry holster – on the inner-side – of – her shorts.

Taylor's Tote Bag Between Them – With Gear, Gadgets, Sprays, Pistols, Explosives, and Grenades

Taylor – also – packed – a tote bag...

...she filled – the bag – with snacks – water bottles,

...she added – a couple of flashlights, - metal twine, - numerous bottles of pills and sprays,

...she added- what looked like – spy toys and gadgets,

...and – she added – two Glock .45 Pistols, - several C4 Explosive Packs – and Hand Grenades.

Taylor Made Sure We Were Ready for Anything Including Conflict and Combat

Oh yea –

Taylor – was ready – for anything...

...on our – time off – ‘vacation’,

...Taylor – made sure – we were – very well – prepared...

...We were – very well – armed – and – ready – for conflict and combat...

...Thanks to - Soldier Taylor...

...who seemed - to never be - truly - off duty.

Bob Offered to Carry the Tote Bag – Which Taylor Happily Agreed To

Bob offered – to carry the Gear Tote Bag...

...which - Taylor – happily agreed to.

Bob – would be – our - Gear - ‘Bag Boy’.

Bob Wore Black Shorts, Sleeveless Muscle Shirt, and Black Beret

Bob’s casual – ‘look’ – included – his Black Beret, a Black Sleeveless Shirt, Black Shorts, and Rimmed Glasses.

Bob – looked – like – a tough – tourist...

...someone – most people – would avoid – any conflict – or fight with.

Katie Wore a White Sleeveless top – and Swim-Skirt

Katie – wore a white – sleeveless top – and a swim-skirt.

Tiny – Went – Full Beachwear Shirt – Style – with a Light ‘Beachy’ Shirt

Tiny – went – full – Beachwear – Style...

...wearing - a light – ‘Beachy Shirt – at times.

And I Wore – Signature Black Clothing - Black Sleeveless Shirt and Shorts

And – I Wore – my signature - black clothing...

...albeit – in the Caribbean – I wore – black – shirt – and black shorts.

We Were Relaxing in our RV Cargo Plane – Cleaned Up and Ready to Discuss Tomorrow’s Plans

Well...

...we were – relaxing – in our RV Cargo Plane,

...we had – finished - cleaning up...

...and – were - ready to discuss – tomorrow’s plans.

Rick Talking Audio File: E403 002 Sarah and Team React to Channel86 News Stream

Sarah Had Been Surfing the Web – Learning About News and Latest Events in the World

Sarah – had been – surfing the web...

...where – she – sought – to learn – about current events and news.

Sarah Gasped – You Need to See This – Everyone!

Sarah – Gasped – very loudly...

...and – she exclaimed, “Everyone! You need - to see - this!”

Katie Leaned In – And Gasped – “Is that about us!?”

Katie – leaned in – and gasped, “Is that about us!?”

Bob Said – Let’s Watch – the Whole Thing – And Then – React – Rationally – More Objectively

Bob recommended – calmly, “Look – let’s watch – the whole thing...

...let’s watch – the entire video,

...that way – we can be – more objective...

...and - we can be – more rational – in our – reaction.”

We Watched the Full Newscast ‘Breaking News’ Show from the Globally Syndicated Channel-86

We watched – the full newscast – video stream...

...of the ‘Breaking News’ show...

...with Saeleen Whyte and Randy Rudolf...

...from - the Globally Syndicated and Streamed...

...Channel-86.”

Katie – Demurred – But They Aren’t Telling the Truth

Katie demurred, “They’re not telling the truth.

A lot of those – things happened – but not – for the reasons they say...

...those things – were – consequences...

...of – our saving humanity!

...we didn’t do – anything – wrong!”

Bob Soured That Media Rarely Tells the Truth – It’s About Politics, Agenda, and Ratings

Bob soured – very darkly, “Katie – Media – rarely – tells the truth.

Media – especially - Main Stream Media (or MSM as it’s often called)...

...does not - have integrity,

...Media - is all about - Politics, Agendas, and Ratings.

...Media – IS - NOT ABOUT TRUTH – or – Honesty.”

Rick Talking Audio File: E403 003 Team Justifies Prior Actions and Collateral Damage

Katie – Questioned How Main Stream Media MSM Twists Their Saving Humanity and the World into Being Bad

Katie was incensed – and disturbed, “It’s – utterly – insane!

How can they – twist – what we did – into – such evil things!?

I mean – there were – really sad – tragic...

...ummm – collateral damage, – bad things...that we regret,

...but – it was – for God – and – for humanity – and for Righteousness.

I feel – bad – for it all...

...I don’t like it,

...but – the good – far outweighed – the harm.

...We did – the right thing – every time.”

Sarah Interrupted – And For Our Missteps – or Mistakes – We Are Truly Sorry – and Seek Forgiveness

Sarah interrupted – and said – firmly – with Faith, “...And – for our missteps – and – for our mistakes...

...We are – Truly Sorry,

...and – we seek – God’s and Jesus’ Forgiveness.

...We will try - our best – to do better...

...no matter – how well – or poorly – we did – or behaved - before.

...We Seek Forgiveness.”

Sarah Concluded that ‘It All Had to Be Done’

Sarah concluded and said,

“Unfortunately – it all – had – to be done.”

Rick Talking Audio File: E403 004 Katie Recounts What Happened in Athlone Prague

Katie – Spoke with Sorrowful Watery Eyes Eyes

Katie resumed – her lamentation...

...of – the distorted – misrepresentation...

...of what – she – and - the team – had done...

...to save - humanity and the world.

Katie’s eyes - full of sorrow...

...glistered – with a faint - watery glint – of a light-catching – sheen, - as she spoke.

Katie – Recounted What We Really Did – Saving Humanity and the World

“They claimed...

Katie – Recounted – When We Broke into Athlone Businesses

...that - we broke into businesses and stole money, valuables, and secrets,

...when – we were – investigating – and reclaiming your inheritance...

...from - the Devil’s - Cult of Bael,

Katie – Recounted – When We Killed Cultists in Athlone – Defending Selves and When Kidnapped

...they claimed – we killed – so many innocent people – in Athlone – when – we were in – Ireland...

...when – we were – defending ourselves – from – attacking Cultists,

...and – when – we were – kidnapped...

...and – when we were - about – to be sacrificed – to the Devil!

Katie – Recounted – When The Church of Midnight’s Priest Was Killed by Taylor

...they – say – that – we murdered...

...the Priest - Nicodemus – while – he was – at his Church.

...but – we – only shot him – albeit – shot dead...

...after - finding - captive women...

...being used - for experimentation...

...and – for - human trafficking.

...and – after – he tried – to call – for reinforcements – against us.

Well – Taylor – acted swiftly – like she does...

...and – umm – Nicodemus – was dead...

...but he deserved it.”

Katie – Recounted – When The Cult Sacrificed and Soul-Drained Athlone Council woman Ciara

...It is so insane!

...they – even - claimed – that we killed – Athlone’s Councilwoman – Ciara...

...in – our - *own* – Satanic Ritual – Sacrifice!?”

...but – the Cult – sacrificed her – right there – in front of us.

...we – were not perpetrators...

...we – were victims.”

Bob Declared – They Are ‘NEW SPEAKING’ WHAT HAPPENED – TWISTING IT TO THE OPPOSITE

Bob interjected, ”It’s like – they are – ‘NEW SPEAK’ing’ – What happened...

...they are – twisting things – to be – the opposite – of – the truth,

...it’s like - they are – making it out...

...like – it was us that were bad...

...that we did – all that bad – evil stuff...

...as if it was not done by – the Devil’s Cult of Bael...!”

I Added That We Must Remember That Caselli Himself Is an Agent for The Devil as We Saw in New York

I reminded everyone,

“Hey, let’s not forget...

...we learned the Truth...

...about – the - *Good Doctor* - Caselli,

...we learned – that – Doctor Caselli...

...is actually – an agent – for the Devil...

...that was sent – to specifically...

...to corrupt me...

....as the Fulcrum of Prophecy.

...and given Caselli – is a minion – to the Devil...

...we – now, - know – that – he is a Deceiver...

...and so - pretty much – whatever – he says...

...– is very likely – a lie...

...or - some kind - of deception.”

Bob Nodded in Agreement that Caselli was a Deceitful Agent of the Devil

Bob nodded - in agreement...

...that – Caselli – was – a deceitful – lying – agent – of – the Devil.

Katie – All That Prague Death and Explosive Destruction – Was Not Intended

Katie continued her sad recount of death and destruction,

”And – all that stuff – in Prague...

...It was – not planned,

...It was – not supposed to – go down – like it did,

...but – well – the proverbial ‘S’ – Hit the Fan... SHTF – you know,

...and – people died – a lot of people died,

...and – buildings – and property – blew up...

...many buildings – exploded,

Katie – All That Prague Death and Destruction – Was Necessary – to Stop Mind Control and Global Laundering

Katie – emotionally - emphasized, ”But – that Prague – destruction...

...it – was necessary,

...We - HAD TO – stop those companies...

...from – their evil – experiments – on people,

...from – developing – mind control – technologies,

...and - from – creating – energy controlling technologies,

...and - we – stopped – money laundering – channels – in the process – too.

Katie – concluded, ” It’s a tough thing – to reconcile...

...but - the good - we did...

...far outweighs – any harm we did...

...I keep telling myself that...

...I have to believe that.”

Rick Talking Audio File: E403_005 Taylor Declares We Are Soldiers for God

Taylor Declared – Soldiers Are Tools – And We Are Soldiers and Tools – for God – We Were and Are Justified

Taylor looked resolute – almost judgmental – towards Katie – and Taylor growled – in declaration,

“Soldiers are Tools. Their Jobs – are not - their own...

...Soldiers - Serve - the Greater Mission and Purpose,

...We – are – Soldiers – for God,

...We – Serve – a Higher – Purpose,

...We – Are God’s Tools,

...and – We – ARE - JUSTIFIED!”

Taylor commanded, “NEVER, NEVER, NEVER, FORGET THAT!

We are on God’s Mission Quest!”

I said Firmly and Clearly ‘AMEN – HUA’ to Taylor’s Declaration that we were on God’s Mission Quest!

I nodded – and saluted – Taylor...

...for her Declaration – of our being - on - a Mission for God,

...and - I said – simply, “Amen – HUA! ...

...Heard, Understood, Acknowledged.”

Rick Talking Audio File: E403 006 Sarah Recounts What Happened in New York

Sarah Said The New York and Lily Dale Death and Destruction was Also Necessary

Sarah joined in – and recounted events – as well.

She said, “Like – in Athlone – and in Prague...

...everything - was necessary – to – stop the evil,

...and - what we did – in New York...

...was – like everything else...

...it - was – unfortunately – grimly, - also - necessary,

Sarah Said Defending and Killing Corrupt Fake Law Enforcement Was Not Wrong -

Sarah added, “Defending and killing – corrupt – not to mention fake – law enforcement – that threatened us...

...was not wrong.”

“We had every right – to defend ourselves,” She asserted.

Sarah Said Defending and Killing Cultists and Exploding OUR Riverdale Safehouse Was Justified

Sarah further explained, “And – in Riverdale...

...we were – attacked – by the Devil’s Cult of Bael...

...so – we defended ourselves...

...resulting - in - many deaths,

...and – resulting – in – the explosive – destruction...

...of - OUR - Riverdale Safehouse Mansion.

...but – the Devil’s Cult – brought – the fight – to us...

...so we – finished it...

...by – ending them...

...because of their evil, - they had it coming!

...We – were – JUSTIFIED.”

Katie – Lily Dale Research Lab (AKA Soros Lily Dale Upstate New York Fortress)

Katie – teary eyed – spoke again, “They said – we killed – residents – of Lily Dale...

...but we did no such thing.

...The MAFIA – their soldiers – they – were killed – there...

...not citizens – or residents.

...Those poor mobsters...

...they died – helping us – get into...

...that Nightmare-Holding Fortress of Torment and Doom...

...which was definitely NOT a Medical Research Facility...!

...Those mobsters - had no chance...

...against – the fortress’ defenses...

...against – its flying drones of death,

...or - against – its robotic troops,

...or – against – its robot Hellhounds.

...they were – slaughtered.

...I don't see – how – we could have even done – that stuff – even if we wanted to.”

Taylor Said She Was Thankful We Rescued More People from Human Trafficking, Parting Out, Soul Draining

Taylor said, “I don't care what they say about us... or what they say we did.”

They say – we destroyed – a Medical Research Lab for cancer.

“I am glad – we infiltrated – and neutralized – what – was actually...

...a Fortress - of Torture - and – Suffering,

...and a Pit of Hell – for - Body Part Extraction and Sale,

...which had a sacrificial chamber – assembly line...

...for Soul Draining – its victims...

...to power – the Devil's Tapestry of Bael,

...after – of course - being experimented on – and abused...

...and - before – being chopped up – for parts.”

Rick Talking Audio File: E403 007 Taylor and Sarah Reaffirm Actions Were Justified

Taylor Asserted Anyone Seeing What We Saw and Walking in Our Shoes Would See it Justified and Do Same

Taylor asserted, “Anyone seeing what we did... and walking in our shoes... would agree...

...that - we were – very clearly...

...justified – in our actions,

...and – they would do the same thing...

...given - the same situation - and – the same - circumstances.”

Sarah Defended That it Was Heaven that Smited the Fortress and Its Defenders

Sarah defended vehemently, “We WERE JUSTIFIED.

We were tools of heaven, doing what had to be done.

Heaven – not us, – smited – the Fortress!

It was Heaven – that sent down – a meteor...

...that struck – and destroyed – the Fortress,

...and – wiped out – all the robotic - hell spawn forces - of death and doom.

If we are guilty – of transgressions, – then – so is Heaven – itself.

Sarah Declared – I Will Live and Die – in Defense of God, Jesus, Heaven, and my Faith

Sarah declared, “I Will – live and die...

...in defense of God, Jesus, Heaven, and my Faith.”

Bob Joked – Rather Seriously – That Sarah – May Well – Really Be – a Seraphim – Sarah the Seraphim

Bob joked – amidst the stressful seriousness of it all,

“You know Sarah...

...you may well be – a Seraphim...

...an unwavering – unrelenting - angelic – warrior – for God,

...yea – Sarah the Seraphim...

...it fits you. Yea – it fits.”

Bob Lamented – We Need to Lay Low Longer Still

Bob shifted – back to the – Elephant in the Room – to our being broadcast worldwide...

...as being - international terrorists.

He lamented, “Well – Our being fugitives - justified or not...

...isn’t – really – relevant,

...we just - need - to lay low – for a while – longer...

...that’s all.

If things – the ‘HEAT’ – is too much – out there...

...let’s just - stay here – in the Caribbean – a little longer – okay?” Bob nearly implored.

Sarah Grinned – It is a Good Thing We Have The Resources of The Knights Templar

Sarah grinned – and said, “It’s a good thing – that – we have - the resources – of The Knights Templar.

We can – hold out – and wait – for as long – as we need to...

...and – we can travel - most anywhere – in the world.”

Sarah Slyly Said ‘This is Par for the Course...we Are the G-Team’

Sarah slyly said, “Seriously – I am not worried – at all.

Sarah – said - dismissively, -“This is – ‘par for the course’...

...We – will always – face – threat - and strife,

...It is our job – as God’s G-Team.”

Tiny Spoke Up, “We No-uh Give-Up-uh! We – Always-uh Fight- For Good and God. We Knights Temp-Lar”

Tiny spoke up, “We – no – give up’uhhh...

...We – always – fight’uh – for – Good – ‘N – God,

...We – Knights – Temp – Lar.

...We – Must – Survive’eh – and Fight Bad – and Win’duh.”

Rick Talking Audio File: E403 008 Bob Declares We Should Still Vacation in Caribbean

Bob Could No Longer Contain Himself – Declared “Being Hunted is Not New – WHY WE ARE IN CARIBBEAN

Bob – could no longer contain himself.

He exclaimed, “Wait a minute! We knew – all along...

...that – the Devil’s Cult of Bael – was after us,

...AND LATER - that – the USA Government’s FBI, NSA, and CIA– were – all - after us,

...AND – OF COURSE – we knew that – Interpol – the International Police – were after us.

Bob – concluded, “So – this is not new.

It – may – FEEL NEW – because we watched a video about it and us...

...but it’s – no different – than – the original reason...

...that - we came here – to the Caribbean – in the first place,
...we're here – to relax – and lay low – while – the heat – dies down,
...nothing changed – really.

Bob declared, “This is our time off! It’s our vacation...

...it is our time – away - from – our Mission Quest,
...it is our time off – from - Saving the World...
...and – from - Saving Humanity!”

Bob Decried and We Make our Own Minds Up – We Are Not Gullible Weak-Minded Followers of Rick

Bob decried, “Hey – on another note...

We are not weak-minded – gullible – followers – of Rick...

...we make - our minds up.
...It’s offensive – to imply – we’re just – dumb tools – blindly following Rick...
...to somehow – justify our existence...
...and to - give us - some kind - of purpose.

I Jokingly Questioned How I Could Be Advisor to Jesus; Allegedly I am Just a Tool for Judging Humanity’s Evil

I jokingly, - questioned,

“Adding to their – ridiculous – allegations...

...they asserted – that - I think...
...that – I arrogantly – see myself – as – Advisor - to Jesus,
...when – in fact – others have told me...
...that – I am just – the fulcrum ...
...that the - Scales of Good & Evil – pivot on.
...I am – therefore – more like a tool...
...that God and Jesus – use...

...to measure – if Humankind – has fallen so far...

...to merit – the Apocalypse.

So – I don't see...

...where – or how – they concluded...

...that - *I* - was - *Advisor to Jesus.*

Katie Said My Role Was Like God's Thermometer on Earth Measuring Our Spiritual Health and Goodness

Katie smiled and concluded – for me,

“Well – it seems to me...

...you are – like – God's Thermometer...

...that measures – Humankind's – Spiritual Health – and Goodness.

...I think it's – just – that simple...

...you're – God's and Jesus' Thermometer – on...

...when it's time for the Apocalypse.

...you're not – an advisor...

...you're just – a 'Good vs Evil' – Measuring - Tool.”

Sarah Said Katie's Conclusion Was Soundly Reasoned

Sarah joined in – and said,

“I think – that – Katie's conclusion...

...is soundly reasoned.

And Sarah – joked...

...“You're – A - Tool!”, she laughed.

Taylor Joked and Reminded – We Fight to Save Humanity – We Don’t Sit Idly By

Taylor reminded everyone,

“Humor aside...

...You – and *WE*...

...are – *much more* - than – mere tools,

...*WE* - all of us...

...are - Warriors and Knights – for God...

...and - for Justice,

...we fight - to – Save Humanity...

...we don’t – just – sit idly by...

...and *JUDGE* - humanity – from some – ivory tower,

...no, – we – are part – of the fight – against evil.

...that’s – a lot more – than being...

...a simple – *Judgy* - *Fulcrum* - with – his team.”

Taylor Suggested Everyone Should Emulate Sarah’s Seeking Forgiveness for Consequences and Accidents

Taylor added,

Also – please remember...

...as we – Save the World...

...accidents - and unintended consequences – will happen...

...and - in any conflict - or battle...

...especially – in high stakes wars...

...like – ours – of - Good – against evil...

...the odds – of – casualties – and ill events – rises – exponentially.

...so – remember...

...for those – ill outcomes...

...we should emulate...

...and do - what Sarah does...

...and seek forgiveness.

...and – of course, - remember...

...We are Justified,

...We are Righteous,

...and - There is – No Hell – for – The Righteous.”

Everyone Was Worked Up – over Global News – That We Were International Terrorists

Well...

With all that...

...Everyone – was worked up – over the – global news...

...that we were – international terrorists.

I Agreed with Bob – and Suggested That We Plan Tomorrow’s ‘Vacation Activities’

I looked to the team – and answered – the consternation, “Well – Bob is right. Nothing has changed.

We were – Already – being hunted – by organizations – and syndicates – worldwide.

Bob is right – we should – maximize – this time...

...as – our vacation – and time off.

We – certainly – deserve - and – have earned – our time – to recuperate.”

I suggested, “How about – we – just – plan...

...for tomorrow’s ‘vacation activities’ - And go from there?”

Taylor Snarled – Sure – But – We Will Be Armed and Ready For Anything – On our Vacation

Taylor glared – and snarked – almost playfully – but very seriously, “Sure – we’re on vacation.

But – we will – ‘VACATION’ – and – ‘PLAY’...

...while – armed – and – ready – for anything...”

Tiny Said The Team Could Use the Airport’s Decrepit Delivery Van as Incognito Transport

Tiny – joined the discussion – on how – to be safe – vacationing...

...he suggested – further – struggling – as he did...

...speaking – through – his Hell-touched Aphasia curse,

“We – could’uhh – use – ‘Duh – ‘Air-port’uhh – Van’uh...

...be – mor’ – Invis-ible – Hide – in’uhh – Plain’d – Sight’uhh”

Sarah Declared Using the Decrepit Airport Van as Incognito Transportation was a Great Idea

Sarah – extolled – Tiny’s idea, “Tiny, - that - is a wonderful – idea.

We will – look – just like – a local – rundown airport - delivery van...

...no one – will think – that van...

...is carrying – alleged – international terrorists.

Sarah – said again, “Excellent idea, Tiny.”

Taylor Assured – Whatever Happens – We – Will Go on Excursions – Like Anyone Else on Vacation

Taylor assured, “We - will - go on – Island Tourist Excursions...

...just like – anyone else,

...and – just know – that - whatever happens – wherever we go – and - whatever we do...

...we – will – be – ready...

...to defend ourselves – swiftly...

...and – if need be – with lethal force.

Katie Gulped ‘I Hope This ‘Vacation’ is Uneventful...’

Katie gulped – and said, “Oh – why say that... Let’s relax....

We’re supposed to – be relaxing!

Katie sighed – and said, ”I hope – that - this vacation – is uneventful... and – is only – fun...

I really hope – it’s uneventful.”

Her voice trailed off...

St. Lucia Caribbean Tourist Excursion Preparation

Katie Excitedly Held Our Itinerary and Online Purchased Excursion Tickets Printed and On Her Phone

Katie – excitedly said she had – our excursion itinerary...

...and – that Amanda – purchased our tickets online...

...and – she - had them printed - for everyone...

...as well as – having them – on - her phone.

Taylor Reminded Everyone to Put Critical and Emergency Items in The Team ‘KT’ Tote Bag

Taylor reminded everyone, “Remember, put your critical and emergency items – in the ‘KT’ Tote Bag.

Bob agreed to carry it for us...

...but – I suggest – that - we all take turns – carrying it – as we go.”

Bob Declared He is Happy Being the Bag Boy, but Denies No One The Pleasure

Bob declared, “Listen, - no need for other to carry the bag;- I don’t need help - I am Happy – Being the - Bag Boy...

...But, hey – I don’t want to - deny anyone – the pleasure – and – honor...

...of carrying – around...

...the glorious - Knights Templar - ‘KT’ - Tote Bag.”

Sarah Cautioned We’re Hunted By Interpol, the FBI, and the Devil’s Cult of Bael – Need to Protect the Plane

Sarah cautioned, “Let’s not forget – we are being actively pursued – and - hunted – by...

...the Interpol – International World Police,

...the FBI – Federal Bureau of Investigation,

...and - the Devil’s Cult of Bael.

We need – to protect – the plane – and – all of our gear, money, and stuff – within it.”

Sarah Noted Her Appreciation that Tiny Should Enjoy the Excursions Too

Sarah continued, “I appreciate – that Tiny – should enjoy – these excursions – too...

...Tiny - so rarely – gets to participate – or enjoy – much – of anything.

Sarah Asked Who Will Guard the Plane When We’re Gone – if Tiny is Also Joining Us Since he Rarely Does

Sarah - shrugged her shoulders – and asked, “Well – with Tiny – not guarding the plane...

...who – is volunteering – to stay behind – and guard the plane?”

No One Seemed Motivated to ‘Not Vacation and Go on Excursions’ – and so I Suggested I Could Not Go

No one seemed motivated – to volunteer – to NOT...

...Vacation – and go on - tourist excursions.

I Suggested I Could Not Go on Vacation Excursions so Others Could Go

And so – I volunteered myself – and offered, “Look, - no one wants to stay behind...

...so – I will,

...you – everyone – Tiny included,

...you can all - go off - and enjoy - the time we have here,

...and – besides – I like – pontificating – and just thinking,

...It makes sense.”

Sarah Volunteered Herself to Stay Behind and Guard the Plane, Gear, Stuff, and the Celestial Flaming Dagger

Sarah volunteered – herself – instead...

...to stay behind - and guard the plane...

...and – further – to protect – our gear and stuff...

...and – of course - to guard...

...the Celestial Flaming Dagger of Choice and Destiny.

Sarah Said She Would Also Be Rescue Backup if Signaled

Sarah indicated – that she would be – available – if signaled...

...to come – as backup – if need be...

...she'd be – a Comms Watch – Call – away...

...Heh – and – a whole lot - of – travel time.

Rick Talking Audio File: E404 002 Sarah Justifies Her Staying Behind Guarding Plane

Sarah Noted She Would Prefer to Stay Behind While Everyone Else Went on Excursions

Sarah insisted, “Really – I would prefer to stay behind...

...while – everyone else...

...goes – on – excursions.”

Sarah Emphasized She Was a Far More Capable Combatant than Rick

Sarah insisted, “Look – no offense to you, - Rick...

...but – I am – A - FAR MORE CAPABLE – COMBATANT – than you are,

Sarah Did Not Like Going on Excursions

...and – I don't like – going on excursions – very much,

Sarah Wanted to Stay Behind in the RV Plane and Guard

...so – just let me – stay behind,

...it would make me happier,

Sarah Said – That Rick Would be with Team as The Leader he is Supposed to Be – Where He Belongs

...and – it ensures – you're with the team...

...-where you belong – as our leader.”

Sarah Concluded – Accept That She is Unique and Different – Will Never be Normal and Like Excursions

Sarah – almost sad looking – and seemingly – out of nowhere – said,

“Please...

...Just accept me – for - who I am,

...I am – unique,

...and – I am - different,

...I don’t like things – that - most people - like,

...I will – never – be – normal.

Sarah sighed – and said,

“I really – don’t want - to go - on these excursions...

...and – I can – be of – real - value – here,

...I can use – the - *ALONE* - time – anyway,

...*just go* – without me – please.” Sarah concluded.

I Had to Agree with Sarah – Her Arguments Were Sound

Well – I had to agree with Sarah.

Her arguments – were sound...

...even if – a bit – hurtful – about my – combat – *inadequacies*.

...of course – her plea – for – being different – and having her – *Alone Time* - space...

...softened the blow - to my ego – a bit...

Well...

...With everyone in agreement...

...we continued planning.

Sarah Then Volun-TOLD Us to Wear Our ‘KT’ Knights Templar Communication Comms Watches

Sarah looked firmly – albeit - with a smile – at each of us – making – explicit – with almost intimate - eye contact,

...and then she– *Volun-TOLD* - Us...

“Everyone – no exceptions -

...Needs to - Bring - and - wear – your ‘KT’ – Knights Templar – Communication – Comms Watches,

...and – never – take them off,

...they are – water – proof – to over 200 meters,

...they’re good for five mile talking range,

...and – they – link up...

...with your paired cell and SAT phones – if you have them with you.”

Katie Snarked “Never Leave Home Without it – Yes Sur! HUA!”

Katie snarked at Sarah, “Never leave home without it!”

Katie – then turned - to face - Taylor, - and – she - coyly – using her learned - military-speak...

...said, “Yes, Sir! HUA!

...I hear you, understand you, and acknowledge you,”

... “Yes, Sir!”, she said again – punctuating - her agreement.

Sarah Then Volun-TOLD *ME* to Leave the Dagger with Her

Sarah further - *Volun-TOLD* - *ME*,

“Rick – You should leave the dagger – here – with me.

Sarah paused – as if – she was deep down – disapproving...

...of - our ‘time off’,

...and – of our – going on – touristy – excursions.

Sarah sighed – and continued,

“The Dagger - won’t be safe – sitting in a bag...

Sarah Seemed to Insinuate We Were Foolish to Take Time Off and Go on Excursions

Sarah - seemed to insinuate – we were – foolish...

...to - take time off – and – go on – Excursions.

She – said again – with greater drama,

“*Yea – like I said - The Dagger - won’t be safe – sitting in a bag...*

...while you - frolic and play – in the water...”

...or – **whatever** – excursion - you are – doing...

...to – **deliberately** - **not** – ***be aware*** – of your surroundings...

... and – to be – oblivious...

...of - our – reality...

...and – our - very much - endangered - lives.”

Sarah Mockingly Volun-TOLD Us to Get Going On The Excursions – and Leave Airplane Security to Her

Sarah concluded – with Volun-Telling Us to Get Going on our Excursions,

“Well – don’t waste any more time here. Get onto your – fun – and – enjoy your excursions.

I’ll stay here - and be - Airplane Security.”

Katie Declared “Let’s Go”

Katie Declared, “Great, Sarah! We have a plan! Let’s go!”

St. Lucia Caribbean Tourist Excursions and the Pitons Mugging

As Before – We Wore Our Island Tourist Clothing – and Brought Clothing and Gear for the Excursions

As before...

...we wore - our island tourist – clothing...

...and – of course...

...we - also brought – numerous changes of clothing...

...to accommodate - each excursion's...

...potentially – unique – needs – or - requirements.

We Checked Out the Airport Decrepit Delivery Van – as Our Incognito Transport

We checked out - the - Airport's - Decrepit Delivery Van...

...as – we – borrowed it – to become...

... our - Incognito Transport

Taylor Noted – The More 'Native' – Rundown – the More – 'Invisible' We Will Be... We will be Van-Invisible

Taylor noted, "I like this van."

"The more – *NATIVE* - Rundown – We Are...

...the more - *INVISIBLE* - We Are.

We – should be...'

...*VAN-INVISIBLE* - in this – old – bucket-of-bolts."

Taylor gave a thumbs-up...

...and then - she gave a salute.

Katie Said, ‘It Has Character... at least it runs...’

Katie said, “The van – has – *Character*,

And – well – it will hide us ...

...and - get us - to where - we want - to go.

We Piled into The Airport Delivery Van – and Began Our Journey to Our Touristy Excursions

We piled – into – the Airport Delivery Van...

...and we- drove off – into the distance...

...into - the island’s interior...

...where – we would – enjoy...

...fun – St. Lucia – Touristy activities.

We Went on All Sorts of Excursions – Over the Next Few Days

We – went on – all sorts – of excursions – over – the next few days...

Went on – ATV Excursion Tour

We – went - on a picturesque – All-Terrain-Vehicle – ATV – tour...

...we drove through – lush – green – plant-abundant areas,

...we drove to a beach – called – Five Dollar Beach...

...where we had lunch,

...and where – we could drive on the beach,

...or – where - we could wander and explore – the immediate area,

...we rode through city streets...

...And – we drove thru – low income – real-world – hard-life - residential areas,

...in contrast - we drove around – and saw- expensive neighborhoods and estates.

...there seemed to be - a vast disparity - in wealth - and lifestyle.

We Saw a Dilapidated and Discarded NASA Rocket Booster – Fallen and Now Essentially a ‘Rock’ on the Island

At one point – on an ATV excursion...

...in a remote – rural – sandy – dune-heavy – beach area...

We saw – remarkably – a Rocket Booster...

...yea – we saw – a Dilapidated – Discarded – old – HUGE - Rocket Booster...

...that – NASA – had let – fall into the Caribbean...

...and – that – eventually – drifted – and landed – ashore...

...here – on the island...

...apparently – now – as a remote – tourist - sightseeing attraction.

NASA’s Trash Discarded Rocket Booster Became a Prized Tourist Attraction in St. Lucia – That’s Recycling

I guess...

...NASA’s trash – Discarded Rocket Booster...

...Became - a Prized – Tourist Attraction – in St. Lucia...

...now – that’s - *recycling*.

On ATV Return Drive - Drove Alongside Main Primary Road for Faster More Efficient Return

Also - On our – ATV - return drive – at the end of our excursion...

...we drove alongside – a more – main – primary – road...

...presumably – for a faster – and more efficient – return...

...now - that the excursion - was over.

Billboard Sign Advertising Armed Guard Protection Services – On the Roadside – Call ‘Sterling Services’

On our ATV return drive...

...We approached – and passed under – several - huge - billboard signs –

that were – also – on the side – of the main road...

...where we drove under one after another,

...The Billboard signs – depicted men -

wielding scary – clearly lethal - shotguns...

...there were more details – on the signs - that declared,

- “For Personal Protection – Call Sterling Services.”

...It seemed – so weird – for us – to be on - a tourist - vacation excursion...

...and – to see – huge advertisement – billboards...

...for – armed guards – on demand – as protection services.

...it made me wonder – what happens – on this island...

...that needs – that kind of protection?

Well – regardless - of why – anyone - would need - armed protection - on a tourist vacation destination island...

...we – just carried on – with – our - time off – vacation - adventures...

Rick Talking Audio File: E405 002 Tourist Excursions Dune Buggy

Went on – Dune Buggy Excursion Tour

We decided - to - Expand - on the idea – of roaming...

...into – rural – less tourist traveled - remote areas...

...like - our ATV – Tour - was...

...and went - on a long – island-spanning – Dune Buggy – tour...

...that – took us – even farther – away from civilization,

...We drove – so far – into the – ‘wilds of St. Lucia’...

...that there – were - few tourists...

... and then, there were - no tourists – present – anywhere...

...we were very much - alone - with our tour guides.

Tiny Went Wild – Driving in ‘Donuts’ and Jumping Off Dunes and Pulling off Stunts – He was a Pro Driver

Finally – we were - On the beach, - where...

...Tiny went wild – driving in ‘Donuts’...

...spinning the car - in circles – as he did,

...he – drove fast- and jumped off – beach dunes,

...he – pulled off - all sorts of stunts...

...like - turning hard – throwing the car – into a sliding – drift – sideways,

...and – wild things – like – insanely - driving on two wheels,

...he - even – spun around – in a 180-degree – reversal...

...in – an – on the spot – spin-on-a-dime - rotation...

...in – a driving ‘move’ - known – as a...

...Boot Legger’s Reverse.

Tiny – was – a PRO – Driver...

...even – in – a Dune Buggy – for Recreation.

Taylor – Was a Monster – Testing Her Skills – It Seemed

Taylor – was a monster – on the beach...

...testing her – extreme driving skills...

...on the beach and its dunes...

...driving her Dune Buggy...

...insanely! Totally – crazy – dune driving!

Katie and Bob Shed Their Conservative Demeanor Driving the Dune Buggies

Katie and Bob – seemed to shed – their – safety minded – conservative demeanor...

...as they – sped – with thrill – in their – respective – Dune Buggies.

Katie Seemed Nervous But Was Having a Good Time

Katie seemed nervous – but was having a good time...

...zipping – around – on the beach,

...and occasionally - driving up the side of a dune.

Bob – Tried Hard – to Jump Off As Many Dunes As He Could – Before the Tour Guides Called Us to Move On

Bob – tried hard...

...to race his dune buggy...

...and jump off – as many Beach Sand Dunes – as he could...

...before – the tour guides – called us back – to move on.

I Drove in the Rear – Watching Everyone – for their Safety – and Their Enjoyment

Ever the guardian...

...I drove – in the rear – of the pack...

...as I – watched everyone – for their safety...

...and – for their enjoyment.

We Saw Real Squalid Lifestyle of the ‘Normal’ ‘Native’ Residents vs Wealthy Outsiders Buying and Building

...We saw – the real – squalid – lifestyle...

...led – by the normal – ‘native’ residents...

...as opposed – to wealthy – outsiders...

...coming to St. Lucia – and buying up – land...

...and building – their – now - closed-off – private - estates.

Rick Talking Audio File: E405 003 Tourist Excursions Snorkeling

Snorkeling in St. Lucia – Saw Pristine and Public Damaged Coral Reefs – and Saw Fish Schools – and Shipwrecks

Back to more positive things – on another day...

...We went - on – a Snorkeling – excursion,

...The excursion began – with – everyone – riding – in a – big tourist boat,

...and – had – several – stop – waypoints – on our journey – around the island,

Snorkeling – We Saw Coral Reefs - Saw Pristine and Public Damaged Coral Reefs

...we – saw – coral reefs...

...both – human damaged, – and disturbed – public - coral reefs,

...and – pristine – protected, – private - coral reefs,

...of which – the contrast – was severely – undeniable...

...considering the damage – to public – coral reefs – was – *bad*.

Snorkeling – We Saw Schools of Fish, Dolphins, a Sea Turtle, and Even a 12-Foot Bull Shark

...we saw – lots of - water – wildlife...

...like – abundant – schools of fish,

...we – saw – a huge - big sea turtle...

...that – startled Katie – and – seemingly charged her...

...swimming - straight at her...

...like a torpedo – locked on a target,

...it turned out – the turtle – just swam right by - Katie...

...it had no concern – or care – about her – after all.

...she also saw manta rays – several of them,

...sand sharks were here and there...

...shockingly - some so-called – *un-threatening* - sand sharks...

...were big – at - maybe 5 to 6 feet in size,
...scarily – we even saw – a – 12 foot long – huge – Bull Shark...
...which – resulted in – the Tour Guides’ – ‘controlled panic’...
...to get everyone – out of the water – pronto...
...as apparently – bull sharks – are aggressive – and deadly...
...well – we got out of the water – *fast.*

Snorkeling – We Went to – See Shipwrecks Too – And Saw – Worryingly a Barracuda – With Razor Teeth

...after sailing on - to a new location...
...we – went to snorkel – around a shipwreck...
...where - we saw – more – *wildlife*...
...we – also – saw - more worrisome – and dangerous - *wildlife*,
...Near – the shipwreck...
...we encountered - a Barracuda – with razor teeth – and lightning speed,
...it threatened – serious injury - to anyone – daringly - stupid enough...
...to approach it...
...or come - nearby it.
...we stayed clear giving it plenty of ‘barracuda
personal space’.

Snorkeling – Our Finale – Was Unexpected Jelly Fish Everywhere

As - our snorkeling tour – ended...
...its finale – was – a little - unfortunate...
...everyone – went into the water...
...for a farewell – final – snorkeling – dip...
...only to find – Jelly Fish – everywhere...

...there were - hundreds – if not thousands...

...of Jelly Fish – in the water.

Snorkeling – Our Finale – Was a – Sudden Surprise Tropical Rainstorm On of Jelly Fish Bloom

And – if the Jelly Fish – ruining – the final – snorkeling – swim – wasn't bad enough...

...a sudden – surprise - tropical rainstorm – appeared...

...and – dumped – excessive – amounts of water – down onto us – and the boat,

...I wondered – if the Jellyfish Bloom – was – somehow – triggered – by the – rainstorm...

...or if it was just some – time of year thing...?

Rick Talking Audio File: E405 004 Tourist Excursions Parasailing

Parasailing Crazy in Rodney Bay- Katie, Taylor, and Bob –Went on Parasailing – in Parachutes, Pulled by Boats

Well – we went - On – another - excursion – over the Water...

...this time - in a busy, - crowded marina - mooring area...

...in an area - called - Rodney Bay...

...we went – on a Parasailing – Excursion – Tour,

...I watched – in fear – and – immense anxiety...

...as – Katie, Taylor, and Bob...

...and even Tiny – all – went Parasailing...

...where – they were up in the air...

...being pulled – by ropes...

...that went down – to – Powerboats...

...that dragged them around...

...as they floated – up in the air...

...having fun - being helpless.

...to me - being dragged around – with zero control – felt – unnecessarily...

...very – dangerous...

...but – Oh well...

...I had to celebrate...

...their free spirits - and free will – there - on full display.

I Did Not Parasail and Put My Life in Danger ‘In the Name of Alleged Fun’

...Regardless of their decision - to fly with sails...

...The bottom-line – for me – was...

...I – DID NOT – intend - to put my life – on the line...

...in the name – of – alleged – fun,

...so, Instead, - I returned to - and stayed – on the beach...

...where - I watched – everyone else – put their lives...

...in the hands – of total - potentially untrained - strangers.

Parasailing - Crazy to Put One’s Life in Hands of Strangers When on Vacation

Again – to be clear... I cannot stress enough...

...It seemed - crazy to me...

...to put your life...

...in the hands - of total strangers...

...and somehow - suspending all sanity - and sense of risk...

...just because – you’re on vacation.

Clearly – the team did not share my perspective...

...as they embraced - their - razor’s edge - thrill rides.

Tiny's Parasailing Excursion

Tiny was flying free...

...as he parasailed – in the sky,

...He seemed to – genuinely - be free of his woes...

...as he floated – and flew – free...

...like an angel - in heaven's skies...

...the parasailing experience - seemed good – for Tiny.

Taylor Laughed and Parasailed High and Mighty Right to the End

As Taylor – parasailed -

...way up there – in the sky...

...she laughed – and parasailed - high and mighty...

...she – loved – flying – free, – high up – in the air,

...She - *WAS ALIVE* - with adventure...

...and thrill – and adrenaline.

Accepting – if not diving – headfirst...

...into - the danger...

...that was feared - by everyone else...

...made her – feel - *ALIVE!*

Bob Ended His Parasailing Excursion Early

And - there was Bob...

...who ended – his parasailing activity – early.

Although Bob – overall – had a good time...

...it was apparent – that his anxiety – exceeded - his exhilaration,

...the payoff – or the Return on Investment (ROI)...

...was not there – for Bob...

...Fear – had both amplified – and – muted – his – ‘FUN’...

...as a Parasailing - Adventuring - Tourist...

...at the mercy – of dubious - Power Boat Drivers...

...in a busy, crowded – marina.

Katie Parasailed Right Towards a Boat’s Mast

Katie - wildly gripped - onto - her parachute’s ropes...

...as she - suddenly – looked scared...

...and screamed – from way up – high.

Katie - was drifting – being pulled - towards - a nearby - boat’s mast...

...she was - on - a collision course...

... to smash – full-on...

...into – that boat’s- tall – spire of a - mast.

The towing Power Boat – was adjusting course...

...trying to pull Katie – away...

... from her – forthcoming – rope entangling – splatting – doom,

...but – despite their efforts...

...it looked like – Katie...

...was going - to crash – into the Mast.

Katie Just Missed the Mast – It Was a Miracle

Completely helpless...

...I just watched – Katie – rapidly – approach – her – Fate.

Somehow – by a miracle – The Pulling Power Boat...

...managed to turn...

...and – forcibly – yank – Katie – away...

...from the – Threatening - Boat's Mast.

With That Event Parasailing Was Ended As Well – Too Dangerous to Proceed

With that experience...

...of Katie – maybe – being killed – on a simple – excursion...

...well – we – decided – to stop – and only do things...

...that we – directly – controlled – ourselves.

Rick Talking Audio File: E405 005 Tourist Excursions Segway Tour Intro

Segway Tour to The Tetons of St. Lucia

And so - on another day – albeit on land, now...

...we went on another excursion,

...We took – a Segway Tour.

Everyone Seemed New to Driving Segways Except Taylor and Tiny Who Were Segway Experts

We were – totally ignorant – about Segways...

...well – except for - Tiny and Taylor...

...who were – apparently – Segway experts.

In Order to Proceed Everyone Had to Prove Segways Skills and Finish a Segway Obstacle Test Trail Course

For Our Excursion...

...In order to proceed – we *all* – had to – prove our – Segway Skills...

...by driving on – and – finishing - successfully...

...a – Segway – Obstacle and Test Trail Course.

Once Again Taylor Showed off Her Segway Prowess as the Zipped and Race Around

Once again...

...Taylor – showed off – her expert – skills...
...this time – on – a Segway,
...she – zipped – and raced – around – on her Segway...
...making it look – entirely – natural – and easy,
...Taylor– was – very good – at driving – Segways,
...once again – she proved– to an expert - in yet another thing...
...that – no one – would ever have expected.

Once Again Tiny Showed off their Segway Prowess as the Zipped and Race Around

Tiny – too – dashed – and zoomed – about...
...on – his Segway,
...it was obvious – that Tiny – had an extensive – veteran experience...
...driving Segways...
...he was a Master Segway Driver.

Katie Adapted Surprisingly Quickly to Driving Her Segway

Katie – was surprisingly – adept – at driving her Segway...
...she – adapted to it – quickly – and naturally,
...you would have thought – that Katie...
...had driven – Segways – before.

I Wobbled A Bit At First But Became Competent quickly – Following a Systematic Methodical Learning Process

Although I wobbled – a bit – at first...

...I got better...

...I followed – my usual – systematic – methodical – learning process...

...and so - I made sure - to study the Segway...

...and - to understand - every component - and control...

...before doing anything,

...And then – I tested - each control – to confirm...

...that – I - *OWNED* - and *MASTERED* it.

...With my – Readiness Preparation – and limited practice...

...I – pretty quickly – became – competent...

...at driving – my Segway,

Bob Struggled to Master Riding the Segway At First

Bob tried hard – to drive – his Segway...

...but – it proved – very challenging – for Bob,

...the Segway – seemed to be – a wild beast...

...or a - bucking bronco...

...that – Bob – had to – cling to – and – hang on...

...for – fear – of falling – and injuring himself.

...eventually – Bob – just barely - got the hang of it...

We Headed Out into The Wilderness on Dirt Roads and Trails

Having established our Segway Basic Skills...

...We headed out – into the wilderness...

...on our Segways,

...we drove on dirt roads,

...and – we drove on both - small and large – trails,

...we ended up – driving – through – some very - *wild* - areas...

...of wilderness – with dense foliage and banana trees everywhere.

We Eventually Arrived at a Slightly Cleared Out Area with a View of the Pitons

Our Segway trek – ultimately...

...took us - all the way, – into the wilds of St. Lucia...

...far away from civilization...

...it took us - all the way to - St. Lucia's Magnificent Pitons...

...which were two lush – 'petite' – mini tall, narrow mountains,

...the guides explained – the Pitons...

...were - about 2,500 feet tall -

...and were – actually – tiny plugged - volcanic spires...

...formed long ago by volcanoes,

...and since - overgrown - with trees and foliage,

...well - we rode on – to a clearing...

...that overlooked – a bay – and those Pitons.,

‘Titus’ – Our Tour Guide - Explained Pitons are Plugs to Currently Dormant Volcanos

The lead Tour Guide – named ‘Titus’...

...explained – again – [I think for tour excitement]...

...how – the Pitons – are – Plugs...

...to – *Currently* - Dormant Volcanos...

...but - they will erupt – and blow...

...if the volcano - gets active someday.

‘Titus’ warned of old war bunker by clearing – not lit full of trash ... stay clear

Titus – told us...

...of an old – war bunker – right here, – next to us - by the clearing,

...but he said – we should not go inside, - because - it’s dangerous...

...he said, there are no lights – so it’s pitch black inside,

...and – he cautioned – there are trash piles - and sharp debris – all over – in the dark – within,

...so – everyone - needs to - stay clear - of the bunker; – just - stay out,

‘Titus’ asked the other tour guides to hand out snacks – and then they withdrew away from group

Titus – turned to – and asked his – partner assistant guides...

...to join him – and hand out - snacks and drinks.

Once everyone had their snacks...

...The guides – withdrew – and kept to themselves – away from the tour group...

...seemingly – giving us – space – and - a break – to eat – and rest a bit.

We Hung Out and Rested Near Foliage and Under the Shade of Trees – Looking At the Majestic Pitons

We – the G-Team – all hung out – together - in the clearing...

...in view of – the Majestic Pitons...

...and – we rested – near foliage...

...under - the shade of trees.

Rick Talking Audio File: E405 006 Tourist Excursions Segway Tour Mugging

Two Electric Cars Drove Up from No Where – Without Engine Sounds or Anything Giving Warning of Approach

Suddenly – the crunch - of leaves - and – dirt – and road debris...

...crackled – and snapped - nearby.

Two - electric - jeep-like vehicles...

...sped - into the clearing – from – nowhere...

...they made - virtually no sound - at all – using - only electric motors...

...and not having – ordinary – island-common...

...combustion – audible, - loud – engines.

I Cautioned Everyone to Hold Tight – Let’s See What It’s All About

I looked – to the team – and cautioned,

“Hold tight! Let’s see – what this - is all about...?”

Taylor Moved Her Hands to Position to Draw Their Concealed Pistols If Necessary

Taylor – moved her hand – to her waist...

...into position – to draw – her concealed pistol...

...that – was hidden, – holstered - inside - the interior – of her shorts.

Four Men Stepped out of then Bunker and Foliage They Were Hiding – and Demanded Our Stuff or Die

Four men - stepped out – from the – old war bunker’s - dark shadows...

...and – from the foliage, that surrounded - the clearing.

And - all four of those men – brandished shotguns...

...one – of them – their apparent leader - threatened, “Hey!

...Hand over - your money, - jewelry, - and valuables...

...and no one - gets hurt... or killed,

...anyone - tries to be a hero...

...you - *ALL* - die....

...We won't hesitate - to kill – every single one of you...

...if - any of you – does something - stupid.”

Katie Looked Straight at the Man and Then to Us – and Exclaimed ‘He is Telling the Truth – They Will Kill Us’

Katie looked straight at the man...

...and then - she looked to each of us.

She solemnly – but clearly - informed us,

“He is telling the truth.

...My - Truth Bearer Tattoo...

...it's not - tingling – or burning – or doing - anything...

...He's not deceiving us.

They will - kill us – without any doubt. - or question...

...they will - JUST DO IT...

...they – almost seem – like – they would – actually – PREFER – to – kill us...

...than – let us live.”

Katie yelled, “They – would like us – to make a move...

...which – somehow – would justify – their – killing us.”

Apparent Leader of the Muggers Advised We Listen to the Woman

One of the muggers – the apparent leader...

...warned us, “You should listen to the woman...

...WE – WILL – KILL – YOU...

...no doubts – no worries.”

One Man Stepped out of Each Electric Jeep – and Were Armed with an Assault Rifles

Things got – even - worse...

...Two – MORE - men - stepped out - of each – of the - E-Jeeps...

...and - each of those men – had – an Assault Rifle.

...One of them barked, “Get their stuff...

...Let’s - get this going,

...Let’s - get out of here.”

Rick Talking Audio File: E405 007 We Were Beat in Segway Tour Mugging

Taylor Looked Tempted to Make a Move and Attack our Assailants – But They Had the Jump on Us

Taylor - looked tempted - to make a move – despite Katie’s warning...

...Taylor – was clearly – scanning – and assessing – potential – attack vectors...

...to counter - our assailants...

...but – it was evident – that – there was - no way...

...that - Taylor - could overcome...

...EIGHT ARMED THUGS – at Point Blank Range...

...never mind – if the Tour Guides...

...were – secretly – also – in...

...on the ambush – caper – and joined in,

...yea – even Taylor – had to acknowledge...

...that – we were – defeated – before the fight - even started,

...Our assailants – had the jump on us,

...and – there was nothing – we could do about it.

Taylor Nodded Resignation – That We Were Beat – and Mugged

Taylor – nodded – in resignation...

...that – we were beat...

...and – that – we had been – mugged.

She sighed and said, “Okay... take our stuff.”

Bob Shook His Head – And – Accepted Our Fate

Bob – shook his head – and accepted – our fate.

Tiny Looked to the Ground and to the Sky Solemnly and Said, “This Wrong...”

Tiny – looked to the ground- and then – to the sky...

...and – he said – simply, “This... Wrong.”

The Gang of Muggers Took our ‘KT’ Tote Bag, our ‘KT’ Comms Watches, Jewelry, and Our Money

The gang of muggers...

...clearly not caring – if what they were doing - was wrong - or not - ...

...they took - our Knights Templar ‘KT’ Tote Bag...

...that had – hand grenades, explosives, guns, pills, sprays, and money – in it,

...the thugs - took – our ‘KT’ Comms Watches,

...and – of course – they took – our jewelry and money.

Muggers Were Rushed and Did Not Even Look Inside the Tote Bag, Just Threw it Inside an eJeep

The muggers seemed rushed...

...so they – hastily – grabbed – things – from people,

...they didn’t even open – our ‘KT’ Tote Bag...

...with - one of them - just carrying it off...

...and throwing it - inside – one of - the eJeeps.

Muggers Were Rushed and Did Not Even Look Inside the Tote Bag or Frisk or Search Us

Thankfully – in their haste – they – also - did not frisk - or search us...

...and so – they did not find...

...Taylor's - Conceal-Carried...

...Tiny - XDS .45 Pistols – in their hidden – holsters.

Muggers Retreated to eJeeps and Drove Away Out of Sight

Having collected – hastily – their ‘booty’ – from – mugging us...

...the shotgun-wielding thieves...

...all retreated – to their – eJeeps...

...and – they drove away – out of sight.

Rick Talking Audio File: E405 008 Team Laments Segway Mugging and Vow Justice

Bob Exclaimed ‘WTH!?’ What the Heck!? Are we THAT Unlucky to Be Mugged on a Tour?

Bob exclaimed, “What the Heck!?”

“We go on a random Segway Tour...

...and – we get mugged!?”

How common is this!?”

...Or - are we just – THAT – unlucky...

...being on your – Hell Difficulty - life setting - for challenges...

...such that - we get mugged – on - a Tourist Excursion!?”

...I swear - Hell Difficulty – never - relents...

Katie Began to Cry

Katie began to tear up – and cry,

“We can’t even have – a few days – of – having a normal life?

We aren’t allowed to enjoy things or have fun?

Why does – even this – short - time off...

...have to end up – in danger – and drama?

What are we going to do now?” Katie cried.

Taylor Decreed We Will Hunt Them Down and Get Our Stuff Back

Taylor Declared, “We will hunt them down...

...and – we will get our stuff back,

...and – we will – exact justice...

...so - they will never - do such evil - again – to anyone else.”

I Agreed – And Emphasized It is Our Calling to Protect and Save Humanity – in All Things Big and Small

I nodded in agreement, “Yes, we will hunt them down... with a vengeance.”

“We need our gear back.

And – like Taylor said – it’s our duty...

...to fight evil – and defeat it...

...so - it cannot - harm others.

...we are – the G-Team...

...it’s our Calling – to Protect – and to Save Humanity...

...in all things – big - and small...

...and - this happening to us – is a sign...

...that - we should be - involved - and help.”

Katie Pondered if Our Being Mugged Was Part of God’s Plan to Ensure We Help the Local Islanders

Katie pondered, - aloud – for us – to hear – her thoughts,

“It is – entirely possible – that...

...our being mugged...

...is part of – God’s Plan.

Is it not better...

...to believe...

...and have faith...

...that this is...

...part of God’s Plan?

...and - to believe...

...that this – event...

...will shape - and guide – us,

...all the while...

...helping others – avoid – the same – fate...

...if not worse?”

Katie Declared She Believes Firmly That We Were Where We Were Supposed to Be – So We Would Be Mugged

Katie – formally externalized - her inner thoughts – and declared,

“I – personally – believe – firmly...

...that our being here – at this time...

...to be mugged...

...is not - a coincidence,

...I am confident...

...that - we were – where we were supposed to be...

...so that we would be mugged – caught off guard...

...for a purpose...

...all - per God's Plan."

Bob Just Said 'HUA' in Agreement

Bob – just said,

"HUA", – in a agreement.

Rick Talking Audio File: E405 009 Island eJeeps Evasive Tour Guides Planning

Bob Marveled – Smart Muggers – eVehicles – Sneak Up Quietly No Engine and Don't Need Rare Fuel on Island

Bob marveled, "It seems – oddly – clever...

...for those muggers - to use electric vehicles,

...so - they can – sneak up, – driving silently...

...without – traditional noisy - fossil fuel - combustion engine - rumbling – revs and noise,

...and – they can – Charge – their vehicles – covertly...

...they - don't need - to go to a gas station – or anything,

...and – that would mean...

...they have – low to no dependence on – external fuel - or power sources...

...especially – if they have solar generators...

...they could operate – completely – undetected – off the grid."

Bob added,

"Heh, and – they don't have to worry much - about battery range...

...because – we are – on a finite – pretty small - sized – island,

...so – I bet - they can drive - around the island – on a single charge.

He concluded, "Surprisingly – smart...

...and well – resourced - for thug – muggers."

Tour Guides Avoided Eye Contact and Offered No Help – Yelling ‘Bad Luck – Too Bad. Nothing to Do.’

In the meantime -

The Tour Guides - were avoiding - eye contact.

They kept talking and yelling, “Bad Luck! Too Bad! Nothing to Do!”

It seemed – to me – they were actively– discouraging – anyone...

...from - calling the police – or involving law enforcement.

They were – evidently – trying to declare...

...that - the incident was over,

...that – we were done,

...and - that everyone – should – now – just - go home,

...because - there was - NOTHING - to be done,

...the excursion – and the mugging – were over.

Useless Tour Guides Were Either Accomplices or Police-Avoidant

Bluntly - the Tour Guides – were - utterly useless...

...They were either - deliberately silent...

...hoping – that we would - just accept our fate - and leave...

...and not involve the police...

...all just - to make - their lives easier...

...by - not having - to deal - with law enforcement.

...or – they were – accomplices – secretly working – with the muggers...

...where - they bring tourists – to the – planned – designated - ambush site...

...and feign, – pretend, – and ‘act’...

...as if – they, - themselves – were also - victims...

...and – then - discourage – anyone – from- involving the police.

It was evident...

...that - No effort – could get - the tour guides – to say anything...

...but their – broken record – message - of...

...’It Happened’,

...’Let it Go’,

...and – ‘Go Home’.

I Agreed – And Recommended We Return to The Plane – Regroup – And Figure Out Our Next Steps

With little recourse, I concluded,

“Well – this – I think...

...ends – our Vacation.

Let’s return to the plane, – get new gear – and then...

...go into town – to see – what clues we might find,

...let’s go - to a seedy bar...

...where – scumbag thug muggers – might hang out,

...and – let’s see – if we can – set a lure...

...offering – to buy back – our – comms watches, - no questions asked...

...and – maybe – we get lucky...

...and - someone knows - who the thugs were – that mugged us,

...and - once we know - who they are...

...We will - PAY THEM – TO RETURN OUR GEAR BACK...

...IN – MANY POUNDS - OF THEIR FLESH...

...as the saying goes.

...and – of course – we will - get our stuff back...

...in the process – of our payback - for their mugging us.’

Everyone Looked At Each Other and Exclaimed HUA - ‘Heard Understood Acknowledged’

Katie said – a little nervously, “HUA!”

Bob Said HUA - ‘Heard Understood Acknowledged’

Bob joined in - and said – “Heard Understood Acknowledged - HUA!”

Taylor Said HUA - ‘Heard Understood Acknowledged’

Taylor – gestured approval – and said, - “HUA!”

I also said HUA - ‘Heard Understood Acknowledged’

I nodded – and shared in the chorus of agreement, “HUA!”

Our Island Vacation Became a Mission for the G-Team

Well...

...unlikely – as it was...

...our island vacation...

...turned into...

...a Mission for God,

...our vacation – became...

...a Mission Quest...

...for - the G-Team...

Episode:

Caribbean Mugging Debriefing and Criminal Protection Sterling Services

We Debriefed with Sarah about our Mugging in the Clearing, near the Pitons of St Lucia, in the Caribbean

Back in our RV Cargo Plane...

...We debriefed – on - our – unfortunate - Mugging - at the – Clearing...

...near – the Pitons – of St. Lucia, – in the Caribbean.

Tiny Declared He Should Not Have Gone – He Should Do His Role to Protect the Plane

Tiny – looked sad and guilty – and declared,

“Me – Wrong – to – go’onn - – ex-cursin’,

...Me – should’uh – just’uh – stayyyy’d – withhh – duh’ – Plane...

...an’ – Protec’td – ittt – ‘N – Stufffff.”

Tiny Continued, ‘Me Protect, Transport, Drive, and Pilot...’

Tiny continued to speak – despite his struggle to do so...

... “Me – Protect’uh

...Me – Drive’vf,

...An’ – Me – Pi-Lott – Fly’ee.”

...Me – Transport’h,

Tiny Continued We Go On Missions and He Protects and Transports

Tiny concluded, - as he - moved his arm - from left to right...

...and pointed - at each of us

He said, “You – all’z – you’z...

...you go’z – on miss-shions,

...you go – wid-out - me.”

Sarah Comforted Tiny That it Was Not His Fault

Sarah looked to Tiny – seeking to comfort him...

...and spoke, “It’s not your fault, Tiny.”

“You were like everyone else – a victim.

If you – or anyone – for that matter – did anything...

...you – and everyone – could have been hurt – or even – killed.

Tiny – you did the right thing.

And – nothing – could have been avoided.” Sarah assured.

Bob Murmured We Could Have Avoided Everything by Not Going on Vacation and ‘Staying Home in the RV’

Bob – audibly – grumbled – as if to ensure – that everyone - heard him, “Sure, right...

...there was no way - to avoid - what happened.

...except maybe ... – we – *could* - have...

...not - ‘gone on – vacation’,

...and - just - ‘stayed home’ - in the RV,

...and – then – all of this – mess – and hardship – would never have happened.”

Bob Murmured – Heck - We Should Have Seen Katie Nearly Hitting that Boat Mast as a Sign to Stop Then

Bob – further – grumbled, “Heck, - We should have seen...

...when – Katie – nearly parasailed – right into - that boat’s mast...

...that – it was a sign...

...we should have seen – right then...

...that - it was a sign – that we should stop,

...but – we did not stop,

...we didn’t - HEED – the warning,

...we kept going...

...and – here we are...

...we're Victims - of being mugged – on an island excursion...

...We really are - on – Hell Difficulty.”

Rick Talking Audio File: E406_002 Taylor We are The GTeam and Retribution

Taylor REMINDED Bob of Our Calling to Help Those in Need Within Context of Greater Good

Taylor – looked visibly annoyed...

...and – glared – at Bob.

She – almost growled – at him,

“We are the G-Team.

We vowed – to protect – humanity...

...regardless – if the need – is - great or small.

We committed ourselves – to helping - those in need...

...in the context – of the Greater Good.

Taylor REMINDED – We Never Said it Would Be Easy or Without Peril

We never said...

...that – it would be easy,

...or – that it would be - without threat - or peril.

Taylor Declared – We Will Inflict 10-Fold Whatever is Done to Us

But, - we *will* - inflict - *10-FOLD* - the pain...

...in retribution...

...for whatever...

...is done – to innocents,

...or - is done - to us.

Taylor – punctuated her point – with a dark – albeit playful...

...but perhaps telling – finger gesture...

...of her shooting - a fictional – ‘hand’ – pistol – at a target...

...followed by – a simple, - quiet...

...“Pow, - Pop, Drop.”

Sarah Suggested it Was No Coincidence We Ended Up Here – Even the Mugging

Sarah – suggested, “You know, it may not be - a coincidence - at all...

...that – we ended up here...

...right up to – and including – your being mugged.”

Sarah Has Faith Everything is Part of God’s Plan and Will – or It Would Not Have Happened

Sarah – affirmed,

“...I have – Faith...

...that – this is part of God’s Plan,

...I Believe – that – this, is - God’s Will...

...or – it would not - have happened.”

Sarah Divined It is What We Do About it That Defines Us and Our Future

Sarah divined, “It is – what we do about it...

...that defines - us,

...and – that defines - our future,

...the safety of others – depends- on - what we do.’

Taylor Said We Need to Hunt Down These Muggers

Taylor interrupted- and said, “Okay...

...Well – I say – we define ourselves...

...by hunting down – these scumbags...

...that mugged us...

...and getting - both - justice...

...and – our gear - back.”

Taylor Said We Need to Find and Stop These Muggers So They Don’t Mug, Hurt, or Kill Anyone Else

Taylor growled fiercely,

“We - need - to find and stop – these muggers...

...minimally - so they - don’t mug, hurt, or kill - anyone else – in the future.”

Rick Talking Audio File: E406 003 Taylor God is our Commanding Officer CO

God is Our Commanding Officer - C.O. – and We Must Follow God’s Orders to do Good As We Can - Period

Taylor – still ferocious - in demeanor - declared,

“It - *IS* - our – DUTY – as God’s Knights...

...to – do good – wherever – and whenever – we can,

...God - is our Commanding Officer...

...God is Our C.O.,

...and – we are – his soldiers...

...we follow – his Orders,

...we cannot question our C.O.,

...we – must follow – God’s Orders...

...Period,

...it is – out of our hands,

...Again - it is - our - DUTY.”

Bob Looked Apologetic And Agreed That We Needed To Help – Just Clarifying The Event Was Avoidable

With all that – passion - and – almost zealotry...

...Bob looked - apologetic.

And He agreed – with Taylor, – nodding – as he spoke,

“Yea, of course...

...I hear you,

...we need - to stop - these scumbags,

...I was... just saying – erm – clarifying...

...that - the – EVENT – was – avoidable...

...by - just – not going.

...Just saying...”

Taylor Reminded Everyone of Our Plan to Go to a Bar to See if Locals Know Anything About Tourist Muggings

Taylor looked to me – and reminded,

“We - made a plan – to hunt down - these thugs.

We said – that we would - go to a bar...

...and ask around – if anyone – might know – anything...

...about these – tourist muggings.

...is that - still – the plan?” she asked.

I Nodded and Said We Should Make it Our Plan Even if it Was Not – To Hunt Down These Thugs

I nodded – and said, “Absolutely – were it not - our plan – already...

...we should – make it our plan,

...there aren’t many places – we can – just go...

... and ask – about muggings – after all.” I joked.

Rick Talking Audio File: E406_004 Finding the Muggers with Bodyguards at the Irie Bar

Sarah Said our GPS-Tracked Comms Watches Are Not Broadcasting – Turned Off

Sarah interjected, “Unfortunately...

...Our GPS-Tracked – Comms Watches – are not Broadcasting...

...they must be – turned off...

...so – they’re not - going to help us – find the muggers.

Tiny Suggested “Protection Guys’ Might Know Something

Tiny struggled to speak, - but suggested,

“Mayyy-beee – Protec-tshion – Guyszz...

...Might’uh – Know’h – Some’ting...

‘Dey – Oft’ten – work’z – wid’ ‘duh- orrr’ – knowz – peep-l’z...

...in – belly’ee - under-ground’uh.”

Taylor Excitedly Approved Calling, Interviewing, if Not Hiring the Sterling Services Protection Bodyguards

Taylor – almost excitedly – declared,

“Great idea! We can call – those Shotgun-toting – Sterling Services - Protection Bodyguards...

...that we saw – on that Billboard.

...We can call, – interview, – and even hire – them”

She emphasized, “Great idea!”

Katie Implored We Stay Together When We Leave the Plane – There is Too Much Danger Everywhere

Katie implored,

“This is getting - out of hand...

...it’s getting scary, - crazy fast,

Can we stay together – from now on...

...at least – can we stay together – when we leave the plane?

...remember – we say often...

...there's - Safety in Numbers.”

She asserted – fearfully,

“I mean...

There is – just – too much danger – out there...

...everywhere...” she trailed off – a little despairingly.

I Rallied Everyone to Go to the Church Street Beach Bar - ‘The Irie Bar’ Tonight

I agreed – and sought to rally – the team – and said,

“Let’s go – to the Church Street, - Bar on the beach - tonight...

...I read about it – online...

...it’s called – ‘The Irie Bar’....

...aside – from being - a good place - to check out...

...it’ll be - a cool thing - to see...

...while - we are – ‘ON MISSION’”.

Did You Know Irie – is actually Jamaican in origin – means ‘Alright, Cool, Great, Merry, Nice, Things Good...

I had to share – my insight – on the word – *‘Irie’* - too - and shared,

“Did you know – that – the – word...

...‘Irie’ – is a real word...

...of Jamaican origin?

...‘Irie’ – means...

...”Alright, Cool, Great,”,

...or – simply – Merriment and Nice,

..I suppose – ‘Irie’ – distills to...

...a general sense...

...of well-being - and Good,
...and - Positive Vibes.”

Bob Demanded We Get Back on Topic and Make a Plan – We Were On a Real Mission Now

With my vocabulary lesson over...

...Bob – put us - back on topic.

Bob Recommended, “Hey, let’s get focused.

We have – a real Mission – now.

We *NEED* - to make - a plan.”, - he stressed.

Bob Recommended We Call Sterling Services Bodyguards and Meet Them at ‘The Irie’ Bar Tonight

Bob suggested, “why don’t we combine – the two ideas...

...you know – we call the...

...Sterling Services Bodyguards – outfit – from - the billboard ad...

...and – we have them - meet us – tomorrow night...

...at the ‘Irie Bar’?”

Sarah Nodded in Agreement – And Said – I Will Go This Time Too

Sarah grinned - as she nodded - in agreement – and said,

“I will go – this time... too.”

Rick Talking Audio File: E406 005 Preparing Loading Gear for Bodyguards at Irie Bar

We Loaded Up Another ‘KT’ Tote Bag with Gear, Knives, Pistols, Pills & Sprays, Pistols, and Ammunition

As it neared time for us to head to the Irie Bar...

Taylor took lead – and loaded up – another...

...’KT’ Tote Bag – with...

...Gear, Knives, Pistols, Pills, Sprays, Pistols, Ammunition, Explosives, and Grenades.

We Put New ‘KT’ Communications Comms Watches and Synchronized our Watch Times

We put on - new ‘KT’ Communications Comms Watches...

...and – we Synchronized - our Watch Times.

The Temperature at Night Was Still Warm if Not Hot – So We Traveled in our Tourist Vacation-wear

The island temperature – even at night – was still – warm... if not hot...

...and so – we planned to travel...

...in our – same – tourist – excursion – vacation-wear...

...which - we imagined – would further - help us – to blend in.

Sarah Made Arrangements with Sterling Services Bodyguards – through my Daughter Amanda in St. George

Sarah made arrangements...

...through – my daughter – Amanda...

...who was – at the time – attending St. George University, in the Caribbean,

...Amanda – operated – as our financial – broker - and - transaction – ‘middleman’...

...umm – pontification tangent...

...is a female “middleman” now – a ‘middle woman’?

...or – is everyone now – a ‘middle person’?

...I wonder - really – what is the point - of changing - and contorting - language – that - everyone already knows?

...Well - Back to Amanda - handling our money - and purchases...

...Amanda – gave us – an additional – layer – of separation...

...with anyone – we transacted with.

Amanda Obfuscated Transactions – using Midnight & Associates Identification

Amanda – further – obfuscated – transactions...

...by using – Virtual Private Networks (VPN’s) and Tunnels,

...she spoofed – her – Internet Protocol – IP – Address...

...to appear – as someone, - somewhere – else - entirely,

...and – she used – Knights Templar – Accounts - and Manufactured Identities.

Amanda Obfuscated Transactions – using Midnight & Associates Identification

Amanda – made contact – with Sterling Services Bodyguards...

...and paid them - a \$20,000 USD Retainer...

...for a job – to be specified – at the introduction rendezvous point...

...at – the Irie Bar - on the Beach.

...Amanda – specified – that - the ‘Hiring Agency’ – and contact...

...would - be known as -‘KT’.

There Was No Way Sterling Services Bodyguards Protection Group Would Know Who We Were

There was – bottom-line – no practical way...

...that – the Sterling Services Bodyguards – Protection Group...

...could know – who we were,

...at least – they could not know...

...until they met us...

...on Church Street...

...at the Irie Bar - on the Beach.

Rick Talking Audio File: E407 001 Going to the Irie Bar on the Beach Intro

Episode Name

Episode:

Irie Bar on the Beach and Organized Crime in St Lucia Caribbean

We Headed Out from our RV Cargo Plane on the Beach...

We headed out - from - our - RV Cargo Plane...

...parked – there – on the beach – in St. Lucia.

Everyone Wore Similar Style Outfits as Earlier

Everyone wore - similar style outfits – they did earlier – on our island excursions...

Katie Wore Her White Sleeveless top – and Swim-Skirt Combo Outfit

Katie – wore her white – sleeveless top...

...and swim-skirt – combo outfit..

Taylor Wore Her ‘Civilianized’ Former Military Cargo Shorts and Sleeveless Crop Top

Taylor wore her – *Civilian-Ized* - Former Military - Green Cargo Shorts - and a Sleeveless Crop-Top.

Sarah Wore White Shorts and White Crop Top

Sarah – resuming - her joining in – on our adventure...

...wore – bright white shorts –

and a – likewise – white - Crop-Top.

Bob Wore Black Shorts and Black Muscle Shirt with his Black Beret

Bob wore – black pants, a muscle shirt, and his beret.

I Wore Black Shorts and Shirt – All Black Like Jonny Cash

For this adventure,,,

...I just wore – black pants...

...and a black shirt,

...and - like Jonny Cash...

...I wore - all black – of course.

We Hung Out At the Irie Bar on Church Street, Which was Right There On the Beach

Being prepared - we went early – to Church Street...

...where the – Irie Bar’ – was located.

The bar – was actually – a small – thick - bamboo - hut-like building...

...that faced - the ocean beachfront...

...and – it was stocked - with all sorts - of liquor and booze.

...Honestly – it looked like – erm, rather the vibe - was that - you could – buy...

...any kind - of illicit substance – there...

...not just – alcohol – or tobacco.

...there were – ‘personal entertainers’ too...

...female entertainers were available for hire,

...male entertainers were likewise there for rent,

...it seemed - open air – selling – of - ‘illicit entertainment’...

...of any flavor...

...was ‘NORMAL’ - here – at...

... ‘The Irie Bar’ - on the Beach.

Sarah Looked Out over the Waves under the Night Sky and Seemed to Pray

While we waited – for the night to grow darker - and time to pass...

...Sarah – wandered away from the team,

...not too far – but – alone – at the shore...

...where the waves – cyclically – almost rhythmically – crashed...

...and then - withdrew – back into the ocean.

Sarah looked – out, across the ocean – under the starry night sky...

...she seemed – to be – in prayer...

...and so – we left her – alone - to be – by herself.

Rick Talking Audio File: E407 002 Sterling Services Bodyguards Arrive at Irie Bar

An Electric eJeep Drove Up Near the Irie Bar on the Beach with Two Tough Gruff Dreadlocked Men

An electric eJeep – disrupted the Irie Bar – festivities...

...it drove – right up – and onto - the beach, just across – from the Ire Beach Bar.

Out of the Jeep...

...emerged two – very tough – gruff – men...

...one with dreadlocks,

...and the other man - with corn rows.

...Both had sour expressions.

Two Tough Gruff Dreadlocked Men Announce ‘Sterling Services’ in Front of Irie Bar on the Beach

They marched – to the front of the – Irie Bar...

...and – the dreadlocks man - said aloud – for anyone in earshot – to hear,

...”Sterling Services.”

That was it. Clearly – if you knew - why they were there, you had better respond - and answer.

Bob Leaned In and Said Quietly, ‘The Muggers Drove eJeeps Just Like That’

Bob leaned in – and said quietly,

“Umm, the muggers...

...they drove – eJeeps – when – they mugged us,

...and – now – we see, - these – Sterling Silver Bodyguards...

...also – drive – electric – eJeeps,

...do you - think - it’s a - coincidence?

...it seems – an unlikely – coincidence - to me,

...I think - they may well – be involved – as accomplices - at least.” Bob cautioned.

I Replied to Bob with a Wink and Statement that ‘Could Be... I Guess -We Shall See...’

I could only wink – and say, “Well... Could be... I guess - We shall see...”

Taylor Answered The Team “KT” Here

Taylor walked - straight up - to the man...

...and - she said, - “KT Here”.

One of the Bodyguards replied, ‘You’re Katie?’

And – the - Dreadlocks-guy, - replied...

...as the apparent – speaker – for the – Sterling Duo...

...and asked,

“You’re Katie...?”

Apparent Confusion – Knights Templar Initials ‘KT’ – was – Heard – as ‘Katie’ -

It was – a little funny...

...that - the Sterling Services men – thought – a woman – named ‘Katie’ – called them,

...versus - the – the contact – being – the letter - initials ‘KT’...

...representing - the codified – acronym...

...for - the Knights Templar.

...it was a bit ironic – that...

...we were both –the letters ‘KT’...

...and – had – the person – ‘KATIE’ – on our team.

Rick Talking Audio File: E407 003 Bodyguard Speaker Man Martin is The Man

The Dreadlocks Speaker-Man Spoke

Well...

The – dreadlocks - ‘Speaker’ Man – nodded in acknowledgment.

One of the Men Spoke – I am Martin and This is Kieran... Everything Goes Through Me – I am The Man

The ‘Speaker’ Man - spoke,

“I am Martin – I am your Primary...

...That means – you talk – and deal – with me.

And – this – is Kieran. He will help me... to do whatever – I do for you.

You understand? Everything – goes through me...

...I am - The Man.”

Kieran Smiled and Creepily Watched Silently

Kieran – the corn rows man...

...just smiled – almost creepily – and watched – silently...

Taylor Cut to the Chase and Asked if they Knew Anything About Muggings

Taylor cut to the chase - and she asked,

“Look, we were mugged – on a Segway tour.

Any chance – you know – anything about that?

Bodyguard Martin Answered “Such Things Are Not Their Business – They Are In-The-Moment Only”

Head Bodyguard – Martin...

...as the self-proclaimed – ‘The Man’ – answered,

“Such things – are not our business...

...We are – *In-The-Moment*.

...We don’t worry - about the Past - or the Future.”

He emphasized,

“Here – on the island...

...We live and act – *In-The-Moment*.”...

...you know, - island life – and – island time.... No worries”

Taylor Pressed Further

Taylor – was - clearly dissatisfied – with ‘The Man’s’ Answer...

...and she leaned aggressively into – The Man’s – space...

...and pressing for more information...

...she said, “Look, we paid you - for Your Service.

We’ll call it even – job done – if you can tell us...

...where to find – the guys - that mugged us,

...or – at least – how and where...

...we can - get our stuff back?”

Rick Talking Audio File: E407 004 Bodyguard Subordinate Kieran is Nervous

Kieran Looked Nervous and Shifted His Weight Left and Right on His Feet – Seemingly Melting Down

Kieran – with his defining corn rows - looked – suddenly – very nervous...

...He shifted his weight - left and right – on his feet,

...His eyes – shifted left and right – erratically,

...little beads of sweat - formed on his forehead,

...Kieran – was – seemingly - melting down.

Katie Asked Kieran “Do You Know Anything About Our Mugging?”

Katie stepped forward – toward – Kieran – and demanded,

“Do - *YOU* - Kieran...

...know anything – about our Mugging?”

Kieran Shook His Head ‘No’ Indicating That He Did Not Know Anything

Kieran - shook his head, indicating that - No – He - did Not Know - Anything.

It was unclear – if Kieran – was fluent enough – in English...

...to answer – in words...

...even if – he wanted to – answer - verbally.

But – his shaking his head – was a clear answer – to Katie’s question...

...regardless – of his not speaking – words.

Katie’s Tatoo Flared and Burned – that Kieran Was Deceiving Her – He was Lying

Katie’s - palm tattoo - flared and burned...

...signaling to her – through her - Celestial - Truth Bearer Tattoo...

...that – Kieran – was deceiving her,

...it told her - that – Kieran – was lying.

Katie exclaimed, “You’re lying. You know something.”

She asked, “Were you there? Were you - one of the muggers?”

Martin Glared at Kieran and Directed Him to Not Answer

Martin glared at Kieran – and commanded,

“Do not answer them.”

Martin – looked at us – and emphasized – again,

“*I AM THE MAN*...”

He looked at Taylor – and firmly said,

“I told you... everything - goes through - me. Got it?”

I Wondered if “The Man” Meant He Was The Man That Could Speak English vs The Man in Charge

I wondered...

...was Martin – “THE MAN”...

...because he was – the only one of them...

...that could speak – English?

...or – was he – “THE MAN...

...because – he was – The Man in Charge?

...well – it did not matter... because he was...

...‘THE MAN’ – we were to deal with.

Taylor Replied That They Answer or Else

Taylor – never one - to appreciate - diplomacy or negotiation...

...leaned in – ever closer – up into Martin’s face – and whispered,

“We know – that Kieran Knows something. Maybe you do, too.

We paid you. Answer us. Please...”,

...she said - with a threatening scowl – with apparent straining restraint.

Rick Talking Audio File: E407_005 No One Will Answer Our Question of Our Mugging

Martin Replied No One Will Answer That Question – They Would Die If They Did

Martin said – unequivocally,

“No One - *NO ONE* - will answer that question...

...they will die - if they did.

...Anyone – answering – questions...

...about – ‘Events’ - Like That...

...will - ‘BE VANISHED’.”

Martin – appeared – to bite his tongue – and seal his lips...

...as if – somehow ensuring – whatever he knew – did not leak, – seep, – or - otherwise - slip out.

No One Answered Katie’s Questions Either

Martin may have been right – that – no one would answer us...

...as – indeed - No one else – answered – Katie’s questions - either.

Proverbial ‘Beach Ball Tumbleweeds’ Rolled By in the Silent Tension

A - Proverbial - ‘Beach Ball’ Tumbleweed – rolled by – in - silent tension...

...as - not a single patron – responded – to Katie’s query.

Katie Climbed Up on the Irie Bar Countertop and Asked Loudly If Anyone Knew of Tourist Segway Muggings

Unexpectedly – Katie – jumped up...

...and walked straight – to the Bar’s Serving Counter.

She climbed up – onto the Irie Bar Countertop...

...and shouted – loudly...

...ensuring she got everyone’s attention at the same time,

...and Katie asked – in her loud demanding voice,

“Does anyone – know anything – about Tourist Segway Muggings?”

Katie Asked Again Because No One Answered

Katie – then - made herself – seem – more approachable – and easy to talk to...

...by sitting down – on the bar top.

She scanned across the bar...

...looking at everyone - seated inside and outside the bar...

...she – gazed into their eyes – and assessed them...

...she scanned - those - sitting on stools - outside the bar and its counter,

...She looked at – patrons – that were - seated at the few tables – inside - the little beach bar,

...and – she assessed – people – just - hanging out – nearby – within earshot - on the beach,

She called out again, “Seriously – No one – knows anything...

...about - Segway Muggings?

...does anyone - know – ANYTHING - about OUR MUGGING!?” Katie implored.

Patrons All Shook Their Heads or Otherwise Denied Any Knowledge of the Muggings

Patrons – all – shook their heads...

...some mumbled variations on – ‘No, - Don’t Know – Know Nothing...’

...the patrons – one and all – denied any knowledge - of any muggings,

Katie Scanned and Looked Intently at Everyone – Like she Had a Lie-Dar ‘Radar-Like’ Sweep Across the Room

Katie scanned – looking – intently - at everyone...

...as – she sought - to determine – if anyone – was lying...

...Katie’s scanning – and assessing everyone...

...was like – a radar sweep...

...but she was - scanning for Lies - using her - Divine Truth Bearer – Tattoo’s Power...

...Katie – used her ‘Lie-Dar’...

...to scan - the entire bar...

...and – to scan – the nearby - beach area.

Rick Talking Audio File: E407 006 Patron Identifies Kieran as Knowing About Mugging

Katie Truth Bearer Tattoo Flared and Identified a Man Who Was Lying – Thus had Knowledge of the Mugging

It worked!

Her tattoo – flared – and burned – again...

...right - as she gazed upon – a man – that was standing nearby.

Katie pointed at him - and said,

“You – You there... You - *KNOW* - something...”

The Patron with Knowledge of the Mugging Exclaimed “Sterling – with Kieran”

The patron – with knowledge of the mugging...

...shocked and confused – by Katie - somehow knowing – that he was lying...

...frantically – panicked – and answered - without much thought – and said,

“It’s Sterling... with Kieran there. Sterling Services...”

...the man pointed – at Kieran... – the corn rows bodyguard - of the two bodyguards – from the Sterling Services...

Kieran Panicked and Ran Toward the eJeep”

Kieran – panicked...

...and ran toward – the eJeep.

Taylor – Swiftly – Lunged Forward – and Easily Tripped Kieran to the side and then Backward on the Ground

Taylor – swiftly – and deftly – lunged forward...

...and easily – tripped Kieran to the side – and then rolled him onto his stomach,

...Taylor – held Kieran’s arms behind his back – as if ready to break them,

...and her knee – was on Kieran’s upper back and neck.

She said, “No you don’t...”

Martin Went for Something in His Pocket – Perhaps a Knife or Gun?

Martin – went for something – in his pocket...

...perhaps – he was – getting a knife or gun – to use – against us?

Bob Tackled Martin – and Efficiently Put Him in a Headlock

Bob – took action – too.

He tackled Martin – as Martin’s hand - was inside his pocket.

Bob – sat on Martin – and held him down...

...while – the rest of us – circled them.

Bob revealed Martin was going for a small hand radio - that was in his pocket...

...maybe not a weapon,

...but something that can bring threat and danger – just as much as a weapon.

...Bob took the radio.

The Knowledgeable Patron Fled

During the kafuffle...

...the knowledgeable Patron – from inside the bar – had Fled...

...unfortunately - he managed to escape – without any of us noticing.

Taylor Asked, “Tell Us Where to Find Our Gear and the other Muggers” or Else

Taylor asked Kieran, “Tell us - where to find -the other muggers...

...and tell us - where to find - our gear and stuff...

...or – I will – end you... right here, in front of everyone, on the beach.”

Taylor Revealed a Knife and Held it at Kieran’s Throat

Taylor growled, as she pulled a knife out – and held it against Kieran’s throat.

Rick Talking Audio File: E407 007 Tourist Robbery is Bridge Income for Sterling Services

Martin Answered for Kieran – Sterling Services uses Tourist Robbery to as Revenue Bridge Between Jobs

Martin answered for Kieran,

“His English is not that good. I answer...

Rodney Bay Village – fancy place – is home to – Sterling Services.

.... You need – to go there.

...Tourist Robbery – is ‘our revenue bridge’...

...it pays bills – between – real jobs.”

Taylor Informed Martin and Kieran They Would Take Us to Sterling Services ‘Senior Manger’

Taylor threatened,

“Okay – you both – will take us...

...to meet – your Senior Manager – for Sterling Services.

If you saw our tote bag – that you stole...

...then – you know – that we are armed...

...with - a lot more - than knives.

Mess Around With Us and Find Out... MAFO...like FAFO.

...understand?” Taylor asked - with hostile - gritted teeth.

Martin Answered It's Not Worth Dying for an Introduction

Martin answered- simply - and honestly,

“It's not worth dying – for an Introduction.”

I Asked The Team to Put GPS Tracking Transponders on Their eJeep and Them – and The Keys to the Car

I said, - ...well..., - I suggested,

“Let's put - GPS tracking transponders...

...our AirTag-like- tracking pods - on them...

...so we can - Geolocate – them - anywhere – anytime - in the world...

...let's put them – on their eJeep,

...and – put them – on Kieran and Martin – themselves.

Sarah Pulled three Little Transponder GPS Trackers from the 'KT' Tote Bag

Sarah wasted no time...

...and pulled out - three little – GPS Transponder Tracker Devices...

...from the 'KT' Tote Bag.

Sarah Handed Kieran Martin a GPS Tracker and Put One on their eJeep

She handed one - to each – Kieran and Martin...

...and - she instructed them, “Keep these on you – at all times...

...and put the third one – in the trunk - of your jeep.”

...Sarah warned, “As God is My Witness...

...If ever you - do not have it – and I find you...

...I will kill you... without doubt, question or pause...

...you will never see it coming...

...one day – sudden blackness, dead- and gone.”

Martin and Kieran Nodded and Gulped in Agreement

Martin and Kieran Nodded - and in terror - Gulped – in Agreement.

They could see – both Taylor and Sarah...

...were – extremely lethal – and deadly serious.

Martin Provided Addresses, Phone Numbers for Senior Manager Lynus and Rodney Bay Village Sterling Services

Martin provided - the addresses - and - phone numbers - for...

...the offices - of Sterling Services - in Rodney Bay Village...

...and – for - the home address - of its Senior Manager...

...a man named – Lynus.

Rick Talking Audio File: E407 008 Oops Did it Again Recorded by CamPhone Bystanders

Oops, We Did it Again -

As cliché as this sounds – let me say...

...Oops, - We did it again,

...Why do I say that?

...Well...

Tourists Were Filming Everything with Phones – Realized - Coming Out of the Heat of the Moment and Action –

While - we were dealing with - Kieran and Martin...

...we did not realize it...

...but - the – many tourists and natives – that were present...

...there – at – or by – the Irie Bar - on the beach...

...had – filmed – us – and the entire incident...

...on their phone-cameras.

Like in New York – We Had to Assume – That – The Video They Recorded – Was Already on the Internet

It was – just like - in New York...

...and – again - we had to assume – that – the videos – so many people recorded...

...were already – or soon - would be – uploaded – onto the Internet.

...and – of course – out of context...

...it will - *LOOK LIKE* - we accosted – and kidnapped...

...two - *for hire* - bodyguards.

Irie Bar Tender Was on the Phone Apparently Talking to Police

And – of course – the Irie Bar Tender – was – on the phone...

...apparently – talking to the Police – about a violent altercation...

...evidently – talking about - *us*!

We Planned to Visit Lynus Tonight – Right Now – and Go From There

Well...

...We did not intend to wait around for the police – or more – conflicts...

And so...

...We decided – to get going – pronto – ASAP.

...we decided - to visit - Sterling Services' - Senior Manager...

...Lynus - at his home – tonight, – right away - right now.

Sarah Drove the eJeep with Taylor and the Two Bodyguards inside

Sarah – having taken the keys – to their eJeep - from Martin...

...drove their electric Jeep...

...with – the two Bodyguards – inside...

...along with – Taylor.

Taylor Took a Glock .45 Pistol from the ‘KT’ Tote Bag to Ensure the Bodyguards were Compliant

Taylor – took a Glock .45 Pistol – from the ‘KT’ tote bag...

...and – she made sure – the bodyguards – saw it,

...Taylor – wanted them – to be – ‘COMPLIANT’...

...and – to - NOT STUPIDLY – Try to Escape or Fight’.

Bob Drove Our Dilapidated Airport Delivery Van with Katie and Me Inside

Bob drove – our dilapidated airport delivery van...

...with – Katie – and Me - inside.

Bob Said Positively That It Was Surprisingly Easy to Get This Information...Could it Be a Trap?

Bob looked to me – and said – surprisingly – positively...

...which was very unusual; for him. He said,

“That went surprisingly well...

...it was – almost – too easy to get the information – that we needed.

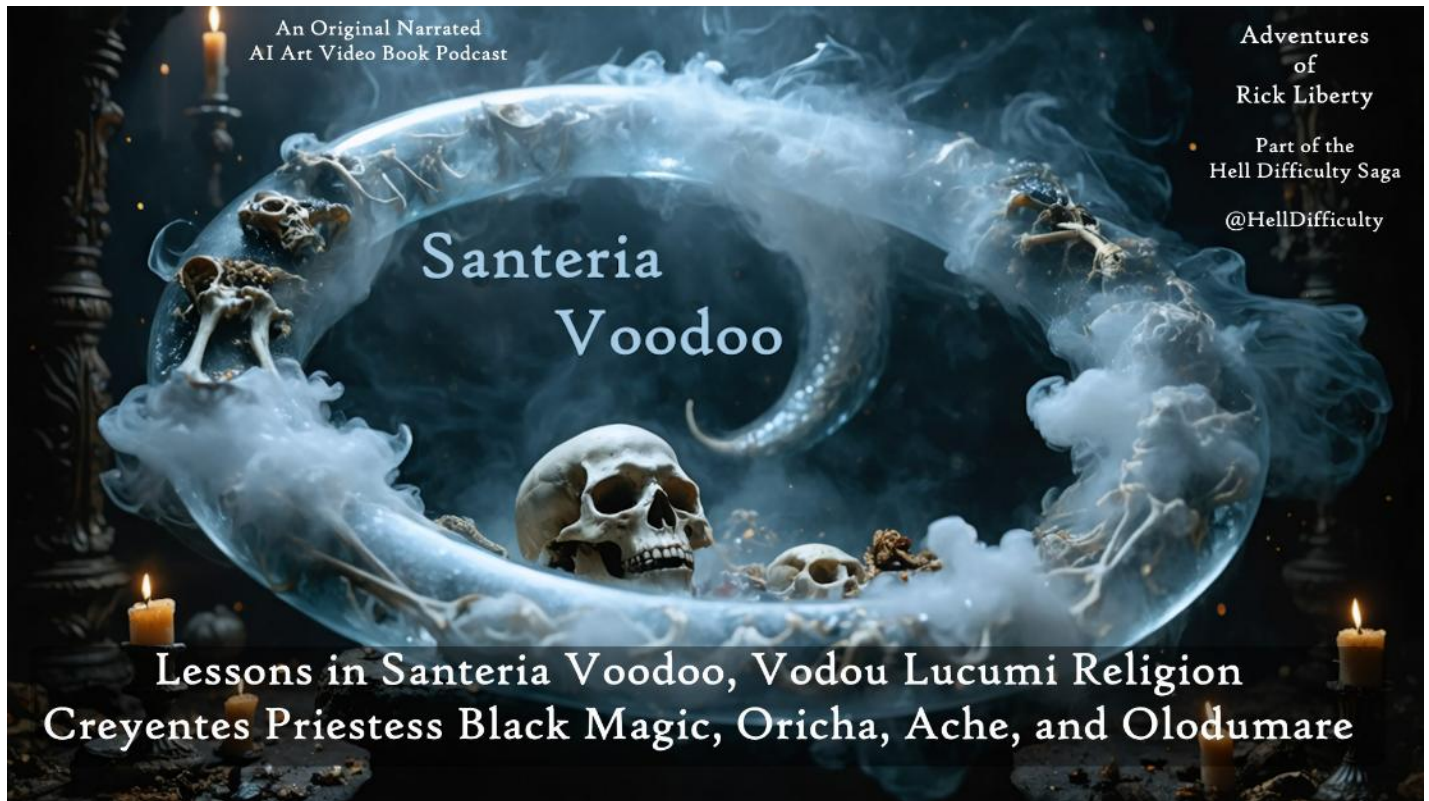

...Do you think...

...it could be - a setup,

...or – a trap?”

Bob Katie and Me in Our Dilapidated Airport Delivery Van to Sterling Services Bodyguards' Senior Manager

Bob drove – our dilapidated airport delivery van...

...with Katie and me...

...to – the home of - a man - named Lynus...

...who was – the Senior Manager – for...

...Sterling Services Bodyguards.

Lynus - Sterling Services Bodyguards' Senior Manager – Lived in Rodney Bay Village

...Lynus – it turned out – lived in the island's wealthy area...

...he lived in – a nice house – in a wealthy area – of - Rodney Bay Village.

We Parked a Few Blocks Away from Lynus' House – to Scope Things Out – Before Formally Arriving

We parked – a few blocks – away from Lynus' house...

...near a lot of foliage - and - line-of-sight cover...

...from – the other homes...

Ironic Wealthy Neighborhoods have Fewer Lights and Fewer People and Foliage to Hide In and Be Unnoticed

It was - Ironic – with - wealthy neighborhoods...

...having fewer lights – and fewer people...

...presumably - to isolate - their elite selves...

...from the commoner peasant riffraff,

...and – because - they had – a lot of – 'green' – 'nature' – spaces...

...it all – of which – afforded – many areas – out of view...

...which – in our case, - it gave us...

...plenty of places - to park – and – unlikely be noticed...

...or so – it seemed.

Our Goal Was to Have Gear and a Get-Away Cars Close

By parking – in – a ‘MORE INVISIBLE’ location near Lynus’ house...

...we planned – to have...

...our get-away cars – nearby,

...and – to - have our gear – likewise - close by – should we need it.

Our Goal Was to Scope Things Out – Before Formally Arriving

Of course – we also – wanted...

...to park - far enough away - from Senior Manager - Lynus’ House...

...so – we could - scope things out – before formally – Arriving,

...we – did not want - anyone – to know – that – we were there...

...until we knew – ourselves - what we were - getting into.

Sarah Parked Next to Us, Carrying Taylor and the Two Captive Bodyguards Martin and Kieran

Sarah parked – the electric e-Jeep – next to us...

...with Taylor - and our two - captive bodyguards – inside.

...and – with Taylor – brandishing – in threat - a Glock .45 Pistol...

...pointed at – the two bodyguards – Kieran and Martin...

...so as - to – *encourage* - them...

to comply – with – her instructions...

Rick Talking Audio File: E408_002 Validating Captive Bodyguards Stockholm Syndrome

We All Exited our Vehicles and Stood Near the Van – Out of Sight from the Street

We all exited our vehicles...

...and stood – street-side, - by towering – occluding, - dense - trees and foliage.

Sarah Recognized Kieran and Martin By Name – Somehow Making Them Feel A Little More at Ease

Sarah walked up to Kieran and Martin.

She spoke softly – but clearly – to the bodyguards,

“Look,

Kieran – that’s your name, right?

And – Martin – that’s your name, right?”

They nodded – acknowledging – those were – their names...

...They seemed to be – a little more – at ease...

...somehow – because - their captor – knew – their names.

I Wonder – ‘Is this How Stockholm Syndrome Begins for the Kidnapped?’

I wonder,

“Is this how – Stockholm Syndrome – Begins – for the kidnapped?

...They make - you feel good – somehow...

...maybe – as little – as – having identity - and thereby importance,

...even though - you’ve been kidnapped...

...and made to feel - life threatened?

...I guess – it’s – an interwoven – complex – dynamic...

...between - captive,

...and – their captor.

...Yea – it’s - complicated.”

Sarah Recognized Kieran and Martin By Name -

As I watched the exchange...

...it - seemed to me...

...that Sarah – was...

...*‘VALIDTING’* - the bodyguards...

...as - being ‘human’ - and having - personal identity - and feelings...

...and – in doing so, - by saying – and – recognizing - each of them – by name....

...she made them – worthy – of her time – to learn - their names...

...and – I imagine – they felt value – from her - treating them -
kindly,

...and – for I suppose – for - not harming...

...or - killing them.

Indeed – I suppose – they had good reason...

...to appreciate – Sarah’s - kind recognition - of them - by name.

Sarah Acknowledged Kieran and Martin May Feel Kidnapped and Forced to Do Things at Gunpoint

Well – with Kieran and Martin – more relaxed...

...Sarah continued – speaking firmly – but softly,

“I know – and – I do - understand...

...that – you may feel – kidnapped...

...and – that - you may feel – that - your life - has been threatened,

... you may feel – that – you were forced...

...to divulge – the home address – of your manger, boss,

...you - may feel – that – you were coerced...

...to lend us - the use - of your – fine – electric Jeep,

...all - because – we held you – captive...

...*at Gunpoint*.”

Sarah said, “It is understandable – you may – feel – like a victim – here.”

Sarah Reminded They Are Just Doing as Directed Per Their Being Hired by ‘KT’ in Contract

Sarah smiled – and reminded – the bodyguards,

“And besides – you are just doing as directed...

...per your own contract – signed by – ‘KT’...

...for an initial retainer – of \$20,000 USD.

So – you see – you are doing your job.

And for that – I thank you.”

Sarah Smiled and Said – Of Course – Betray Us – and I Will Kill You Both

Sarah smiled – and said – almost – matter of fact,

“Oh – and of course...

...if you betray us – in anyway...

...I - *will* - *kill* - you.

Sarah stated factually, “Betrayal – is not – an option. Nod – to confirm – that you understand.”

The bodyguards – both – gulped – as if in Unison...

...and – nodded – emphatically – that - they - *understood*...

...that they – had better do - what Sarah says...

...or - bad things – would – most assuredly - happen – to them.

Rick Talking Audio File: E408 003 Katie Truth Bearer Tattoo Glows Darkly for Voodoo

Katie’s Truth Bearer Tattoo Suddenly Began to Ache and Throb

Katie – suddenly - yelped, - “**ahh!**” – as if stung - by a wasp.

Her scream – and jolt – came out of nowhere...

...I – could only - wonder – what – ‘bit’ – Katie?

...Katie – squirmed – and – yelped again, - “**ahh!**”...

...her entire body – jolted – almost convulsed...

Katie Rubbed her Palm and Truth Bearer Tattoo

...right - as she began - to rub - her palm...

...and her - Truth Bearer – Celestial Tattoo.

Katie Moaned There is Something Very, Very Wrong About this Place

Katie – moaned – as she spoke, “I don’t feel right...

...There is - something – very, very – wrong – about this place...

...there’s like – an aching - throbbing - pain – in my tattoo,

...it’s never - done that - before.”

Black Misty Cloudy Discoloration and Tattoo Lines is New for Katie and Us

There was – a black – almost - wicked – cloudy – discoloration...

...spreading - from Katie’s Tattoo.

Her Truth Bearer Tattoo...

...was – alight – with – *’Darkness’*...

...with - black swirls of mist...

...that – emitted – a *black aura* - all around it,

...the dark emission - encircled – Katie’s tattoo,

...it felt – like – *evil incarnate*...

...was – being identified – and called out – by Katie’s Tattoo...

Katie’s Tattoo Reacted Much Like In the Past it Burned for Lies and Deception

...much like - in the past...

...her tattoo – called out deception...

...by burning – hot - with - fiery lines - and glow...

...it told Katie – whenever – people lied – or tried to Deceive – her.

Martin the Bodyguard Saw Katie's Black Glowing Rose Tattoo and Shrieked 'Santeria – Voodoo!'

Martin – the English-speaking – and apparently – lead – bodyguard...

...pointed – fearfully – at Katie's – Black Glowing – Rose Tattoo.

He shrieked,

“Santeria! Santeria! Voodoo!

“No Voodoo, - No...!”

He – clearly panicked – and said,

“You – say – AND we do...

...No problems – here.

We respect – Santeria. Respect.” he desperately nodded – in apparent - subservience.

Sarah Scowled Santeria Voodoo Pagans!

Sarah scowled – and in disgust – said,

“Santeria... Hrmph.

...PAGAN – Santerias!” she damned...

...almost hissing - as she spoke.

Sarah Asked 'What Makes You Think of Santeria Voodoo?'

Sarah - passionately - looked – intensely – into Martin's - fearful - eyes...

...and then – into Kieran's – likewise – terrified - eyes.

Sarah asked, “What made you...

...think of – Santeria Voodoo...

...when you saw – Katie's – black misty – tattoo?

With obvious doubt and suspicion – Sarah said, “It is – quite a leap – to see – a black mist...

...and then – immediately - conclude - it's- 'Santeria Voodoo'.

Rick Talking Audio File: E408 004 Voodoo Priestess Creventes Katrina Vex Identified

Sarah Asked ‘Does Someone Practice Voodoo Here?’

Sarah asked, “Does someone practice – Voodoo – here?”

I ask you – to now - EXPLAIN – YOUR REACTION...

...please,’ she asked again.

Martin Answered Voodoo Priestess Creventes ‘Katrina Vex’ – is a Sterling Services Investor and Partner

Martin – very intimidated by – and afraid – of Sarah...

...answered with – fearful - verbal stutters,

“Yes. Yes... partner – and investor – in Sterling Services...

...is - Voodoo priestess...

...*‘Creventes’* - Katrina Vex.”

Sarah Stiffened – and a Dark Disdain – Came Over Her Face

Sarah stiffened – and a dark disdain – came over her face.

She asked – being slow - and very explicit,

“So – please confirm...

...that - you are telling me...

...that - there is – a - Believer and Practitioner...

...of the Pagan – Santeria Lucumi Religion, – here?

...and its Leader – its Creventes...

...is a woman voodoo priestess – named Katrina Vex?

And – please confirm...

...that – you have seen – or fear...

... her use – of – Dark Art – Black Magic,

...and specifically- that you fear - her - using Voodoo – on you?

Martin Answered as Succinctly as He Could – ‘Yes, Creyentes is Priestess Creyentes ‘Katrina Vex’

Martin – very intimidated by – and afraid – of Sarah – answered,

“Yes. Creyentes Katrina Vex – is Santeria – Lucumi...

She has – Black Magic – voodoo!

Martin – trembled a bit – and muttered,

“You – no one - mess – with Katrina Vex...

...No one!” he warned.

Rick Talking Audio File: E408_005 Santeria Voodoo and Lucumi Religion Explained

Sarah Explained More Details of the Santeria Lucumi Religion and its God, Spirits, and Black Magic Voodoo

Sarah looked – to everyone – and said,

“I am sorry – if you already - know this...

...but – I am going to share – a bit – of what I know...

...about – Santeria Voodoo...

...which – some – pronounce – as...

... Santeria – Vodou...

...which is - its – original name...

Santeria Translates to ‘Way of the Saints’ – a Bastardized Pagan Roman Catholic Branch

Sarah continued, “Santeria – translates...

...to the - ‘Way of the Saints’...

...because of its – Catholic – rooted – origin – and aspects...

...however – *it is* – *a Pagan* - bastardization – of - Roman Catholic Saints...

Santeria Practitioners – Use Dark Magic to Summon and Use Demonic Spirits Called Oricha

Sarah continued,

“In Voodoo, – Practitioners – use Dark Magic –...

... to summon and use - demonic spiritual forces...

...that they call – Oricha,

...the Oricha spirits – are often seen – as deities – unto themselves...

...in the eyes – of the Followers - of Santeria.

Santeria Practitioners – Called Creyentes

“The so-called spirits - called Oricha...

...are summoned - and controlled...

...by Practitioners – who are called...

...Creyentes - of Voodoo Dark Arts,

...these Practitioners – use Black Magic – and Animal Sacrifices...

...and rarely, - they even - sacrifice People.

Santeria Demon Spirits Do Bidding of its Practitioners – Answer Questions, Protect, Do Tasks, Possesses People

Sarah continued,

“These spirits – the Oricha...

...that the Pagans – of the Lucumi Religion - Santeria Voodoo - Summon...

...are actually...

...demons - of Supernatural Power and Force – summoned from Hell...

...these demons - can answer questions,

...they can - possess - or manipulate - people,

... they can - offer – protection – both physical and supernatural,

...and – these demonic sprits...

...can – perform – all sorts of – tasks – be they - good - or not...

...they do - as directed...

...by their - Controlling - Lucumi Practitioner – their Creyentes.”

Santeria Has Many Other Names – Regla de Ocha, Lucumi Religion, ‘The Way of the Saints’

Sarah continued her lesson on Santeria Voodoo,

“The Lucumi Religion – from which - Santeria - is extended from...

...is also known – as - Regla de Ocha’...

...which translates – to - ‘the Rule of Ocha’.”

Santeria Teaches Supernatural Spirits – Exist – and Funtiuon - Under their ‘God’ Creator – Called Olodumare

Sarah added, “Under - the Rule of Ocha...

...the demonic spirits – the Oricha - exist – and function...

...under their - Transcendent Creator,

...under the – Pagan – False God...

...known as - Olodumare,

...Let me be clear - Olodumare– controls...

...*All* – of the – Oricha - Demonic Spirits.”

Voodoo Black Magic Called ‘Ache’ is Invisible Energy Known in Science as Dark Matter and in Magic as Mana

Sarah said,

“You may recall when Mr. Lessky...

...explained – how Dark Matter...

is - the Celestial Foundation – of all Creation,

...well – in the same way...

...Voodoo – also uses – Dark Matter –

...which – is essentially – spiritual - energy,

...Santeria Voodoo - calls – this life force, - Spiritual - energy...

‘*Ache*’,

... Santeria Voodoo uses – Ache...

...to power – its Dark Art, - Black Magic.

Ache Powers Voodoo, Black Magic, Supernatural Forces –Ache is a Misunderstanding of Celestial Dark matter

Sarah looked dire – as she continued,

“...Voodoo power, – Black Magic, – and supernatural forces...

...are all – powered – by – ‘*ACHE*’...

...which permeates the universe,

...of course - *Ache* - is – simply...

...*their* – misunderstanding - of...

...God’s Building Blocks and Glue – of Creation...

...it showcases their ignorance of...

...Celestial Dark Matter.

Practitioners Use Dark Matter ‘Ache’ for Dark Arts, Black Magic, and Summoning Demonic Spirits

Sarah paused – took a deep breath – and – resumed...

...her backgrounder – on Santeria Voodoo,

“... Santeria Voodoo Creyentes Practitioners...

...use Dark Matter ‘Ache’ in rituals...

...to cast – and use - its Dark Arts – and Black Magic...

...they use it - to summon - Demonic Spirits...

...and make them - do their bidding – of their practitioner.”

Practitioners Who Use Voodoo Only For Good Intentions See Themselves as Good and Righteous

Sarah – looked especially dire – as she concluded,

“It is worth noting...

...Some – Santeria Creyentes Practitioners – may not be evil,

...practitioners – who use voodoo – with - only - good intentions...

...see themselves – as Good – and Righteous,
...they believe – that because Voodoo...
...is derived from Saints,
...and if - it is used - for good...
...then - they – therefore – are Good people...
...despite - using Black Magic Voodoo - and Demonic Spirits.”

Practitioners Use Dark Matter ‘Ache’ for Dark Arts, Black Magic, and Summoning Demonic Spirits

Sarah – looked especially dire – as she emphasized,

“Make no mistake...

...They - do not - *believe* – in God – or in Jesus,
...And so...
...They – All of them - One an All – Without Exception...
...will be – Damned...
...and – they will – Burn...
...for - all Eternity - in Hell.”

Rick Talking Audio File: E408 006 Final Plan to Approach Senior Manager Lynus House

Katie Looked Horrified - Biting Her Lip Said, “Let’s Go Inside – I Need to Meet This Creyentes Voodoo Priestess

Katie looked scared – perhaps even horrified...

...and – biting down a bit – on her lip - nervously –...
...she said, “Okay – enough of the History Lesson – in very – very - scary stuff,
...let’s just go inside – okay,
...I need to see – this – Creyentes Voodoo Priestess...
...that makes – my tattoo – go – so crazy.”

I Agreed with Katie and Said We Understood the Danger of Thieves and Supernatural Forces

I agreed with Katie, - and answered her,

“Yea – I think we should get going.

I think - we now – definitely - understand the situation.

...We may - be entering...

...a dangerous - a den of thieves...

...yea, - We may - be - walking - right into - a potential...

...viper pit – of supernatural – danger – and threat.”

I Lamented Our Not Having the Flaming Dagger of Choice and Destiny – At Least Safe in Plane with Tiny

I lamented, “Well – I wish that - we had brought...

...the Flaming Dagger of Choice and Destiny.

...it would – likely - be useful...

...against – demons and spiritual forces.”

I sighed, “Well – at least – it’s safe...

... in the Plane – with Tiny.”

Sarah Asked Everyone to Set KT Comms Watches to Intercom Party-Chat Continuous Communication Mode

Sarah interrupted – and spoke,

“We will make do - with what brought with us.

We have no time – to go back.”

I Grumbled – ‘I Was Not Proposing We Go Back...Was Just Unhappy About Not Having The Dagger’

I grumbled, “I was not – proposing – that we go back – and get the dagger...

...I was just – saying – that I was Unhappy...

...that we – don’t have – the dagger,

...That’s all. Nothing important...

...it’s- Spilled Milk... and all that – at this point...” I drifted off.

I Grumbled – ‘I Was Not Proposing We Go Back...Was Just Unhappy About Not Having The Dagger’

Sarah – shifted topics – to our getting ready – and directed,

“Synchronize your ‘KT’ Comms Watches...

...for Time,

...and authenticate them – with Cross-Device Binding...

...so - we have – Private - Secure – Communication – at all times,

...and – set your KT Watches – to Intercom – Party Chat – Mode – using earpieces,”

No Need To Be Comms Secretive Because They Know We’re Coming As a Team

Sarah continued,

“...they know we’re coming – as a team...

...so - there’s no need – to be secretive,

...just wear your earpieces – all the time...

...*especially* - when inside.”

I Gestured to the Team to Head to the Front Gate to Sterling Services Bodyguards’ Senior Manager Lynus’ House

Well...

It was time...

...I gestured to the team...

...to start going – to Front Gate...

...of - Sterling Services Bodyguards’ - Senior Manager - Lynus’ home.

We Passed the Lynus’ Estate Entry Gate and Fanned Out – Sarah and Bob Outside and The Rest Inside

In the dark - we walked - up to...

...Lynus’ Estate - Entry Gate.

Sarah and Bob - fanned out – going to either side – of the main house...

...to investigate - the perimeter...

...and – to stand guard,

...and – to offer - quick support – if we needed it.

...Bob went left – with a Glock .45 pistol,

...and Sarah went – to the right side – with a Glock .45 - as well.

Katie, Taylor, and I – along with - Bodyguards - Kieran and Martin...

...we - all headed –...

...down – the driveway...

...right up – to the house's front – door.

Lynus' Estate Main Door Swung Open – and There Stood Who Clearly Was a Voodoo Priestess

As we approached – to knock, – Suddenly...

...Lynus' – Front Door – flung open,

...and – emerging from within...

...was an intimidating woman – dressed like a crazy – voodoo woman...

...she was wearing – a long flowing white skirt-like dress and matching top...

...and she wore - a necklace - of what appeared...

... to - showcase – animal bones.

I had to presume – this was – Katrina Vex...

Katrina – seemingly speaking – from a trance-like state – spoke,

...“Heed Me,
...I see - a boy – grown into a man – in his fifties,
...I see – shadows – of the man – reunited...
...with his – long lost – father,
...I see – the man – with his father...
...they – fighting alongside - each other... in Rome,
...I see – them...
...in an underground vault...
...below – the Vatican,
...I sense – they – find - great evil...
...that tests – their – Fortitude.
...and tests – their - Faith.
...I sense – they exist...
...with – much sorrow – and – much suffering.”

Katrina Snapped Out of Her Trance and Explained the Oricha Spoke Through Her to Rick Directly

Katrina snapped - out of - her trance.

She winced - and shook her head, - and she spoke,

“The Oricha spirits...

...they – took control – and spoke – through me.”

Katrina Emphasized Rick Must ‘HEED’ the Words of the orichia.

Katrina emphasized,

“You must - ***heed*** – the words – of the Oricha...

...for – they – ***need*** you – to hear their message.

...it is – of great – importance.”

Rick Talking Audio File: E409 003 Katrina Vex Sries Reads Taylor

Katrina Recognized Taylor and Her Unresolved Sorrows and Suffering

I was going to respond – to all that...

...but before I could do so...

...Katrina – shifted her focus – to Taylor.

Katrina looked puzzled – for a moment...

...as she looked - into Taylor's eyes.

Katrina spoke,

"You have deep unresolved sorrows...

...fury and rage – thrive – within you,

...Peace - is not - with you...

...it left you – as a child,"

...Katrina gasped, "I am seeing - dark visions."

..."oh my*– when – your innocence...

...was taken from – you, - so terribly – and violently,

...and – ohhh... horrific are these visions...

...I see - your mother – was horribly abused...

...and then murdered...

...before your eyes...

...I am so very sorry – for you, - poor child.

Katrina Recognized Taylor Fought to Define Herself in the Miliary

I am - truly sorry – for your suffering, - Taylor Everest."

...I see – that you fought hard – to find purpose...

...after such loss and sorrow...

...in the miliary,

...I see you – did well – to define yourself...

For that – I am happy for you...

...but – sorrow – remains – within your heart...

...no matter how long ago – these horrors – happened.

Bob suggested gypsy internet research my find what Katrina ‘divined’ through spirits

Bob suggested,

“Great insight – like a Gypsy...

...anyone – can use the Internet – and research – our background,

...not to mention, - We’re famous – in the web...

...with info on us...

...being - all over - the Internet.”

Rick Talking Audio File: E409 004 Katrina Vex Sries Reads Katie

Katrina Recognized Katie – But Could Not ‘Read’ Her – Something Blocked the Oricha Spirits from Knowing Her

Katrina ignored Bob and continued.

Once more – Katrina shifted her focus...

...from Taylor – to focus now – on Katie.

Katrina gazed into Katie’s eyes –

and declared,

“You – are – called - Katie Devine.”

Katrina asked, “But - *WHO* - are you - really?

I cannot - ‘Read’ - You...

There is something – blocking – the Oricha – from knowing you...

...the spirits – are denied – awareness – of - *YOU*.

What power is this – that you can - deny – the Spirits?” she puzzled.

Katrina asked again, “Who are you?”

Katie Replied as She Showed Her Celestial Truth Bearer Tattoo to Katrina

Katie – nervously – replied...

...as she - held out – her Celestial Truth Bearer Tattoo,

...Katie answered, “I don’t know. I can only guess... it’s my tattoo.”

She continued, “It tells me - when people - are lying.

And – well - It warned me...

... that - *you* - were nearby...

...with your voodoo and stuff.

I guess – maybe...

...it was - protecting me...

...from your magic – and scrying.”

Katie stammered, “I really don’t know...”

Katrina Acknowledged Katie Had been Touched by the Transcendent Creator Olodumare Himself

Katrina – smiled – and marveled...

...at Katie...

...and – at - Katie’s Tattoo.

Katrina spoke – in apparent respect – if not awe,

“The Transcendent Creator, - Olodumare...

...must have touched you – himself...

...to grant – such – a magnificent – power.”

Katrina Said Katie is Blessed to See Souls’ Beauty and Ugliness – and not be Blinded by Their Corporal Bodies

Katrina nodded - and touched Katie’s Forehead – as she spoke, “

“You see the souls – and their truths...

...where most people – see and hear...

...only - the bodies,

...and - the words...

...before – them.

You are blessed – child...

...to see – souls’ – true - beauty - and ugliness...

...and - not be blinded...

...by - their physical – bodies – or forms,”

Katrina Said Truth is More Important than Appearances

Katrina said, “The Truth - is More Important - Than Appearances...

...for they – are – mere – facades...

...that – mask – and hide – the Truth.”

Katrina – continued – her - insight,

...”Child, - you see – through - the veil...

...and – thusly – you see – The Truth.”.

Rick Talking Audio File: E409 005 Katrina Vex Asks Where Sarah Bob and Tiny Are

Katrina Turned Back to Me and Asked Where are Sarah, Bob, and Tiny?

Finished – with Katie...

...Katrina – turned back to me – and she asked,

“Where are - Sarah, Bob, and Tiny? Are they not here too?”

I Had to Question How Katrina Could Not Know Where Sarah, Bob, or Tiny Were Given Her Black Magic

I had to consider for the moment...

...a woman – that – allegedly – knows – and sees – so much...

...with all those Oricha Spirits and Black Magic...

...still - can't see – where Sarah and Bob – were...

...especially – since literally...

...they – recently spread out – around the house...

...while we approached the front door.

I Answered Coyly That They're 'Around' – Available – You Know...

I answered coyly,

“They're - *around*...

...they're available – you know...

...if we need them.”

Katrina Paused Held Her Bone-laden Necklace and Hummed

Katrina gripped her bone-laden necklace – and began to hum...

...she hummed - a sort of - eerie, creepy – song-like - humming melody.

Katrina Divined Ask Sarah and Bob to Come in From the House Grounds – We Should Talk as One Group

Katrina looked at me – with glowing nether worldly – possessed looking – eyes, - and spoke,

“I have divined...

...Tiny – is not here... but he is – on the island,

...but – Sarah and Bob – are here...

...they are - outside – on the estate grounds.

...please - ask them - to join us,

...we should talk – and be - as One,

...being fractured – will not help – any of us.”

Katrina said – again,

“Please, invite them inside – along with yourselves.”

Bob and Sarah Walked Up – Despite No One Calling For Them – They Heard the Invitation Via Comms Watches

Bob and Sarah – heard – our entire – exchange...

...through – their – Communications - ‘KT’ Comms Watches...

...which were linked with ours – via - an Intercom-style - Party Chat – Mode...

They walked up – as if – on queue.

Bob introduced Sarah and Himself, “Hi, I’m Bob... Bob Cervantes.

...and this – this is – Sarah McGilvray...

...or – as mainstream media now brands her...

...this is – Sarah Seraphim.”

Katrina Said – Before We Go Inside – Let Me Share This

Katrina – had watched - Bob and Sarah - walk up to us.

She welcomed them – and said,

“Greetings, Sarah Seraphim,

...and – greetings, - Bob Cervantes.

Before we go inside – let me share more.”

Rick Talking Audio File: E409_006 Katrina Vex Scries Reads Bob

Katrina Recognized Bob and His Disdain for Authority and Unqualified People in Control

Katrina looked into Bob’s eyes – and she spoke,

“You are grumpy,

...you are - unhappy - with lost freedoms...

...You are - miserable - with so many - petty - unqualified people - in control,

...You have - disdain - for authority,

...Your sense of personal inadequacy – motivates you – to do better...

...but – your sense of inadequacy – also – limits you.”

Katrina concluded – for Bob,

“Happiness – exists - within...

...It is yours - to have or not,

...Your Happiness – is not defined - by others.”

Rick Talking Audio File: E409 007 Katrina Vex Scies Reads Sarah

Katrina Recognized Sarah’s Lost Father and Divines He is Suffering Tormented in Hell

As before – Katrina – quickly – shifted – her focus – to Sarah.

Katrina’s eyes widened – and she spoke – in seeming fright,

“This – is - odd... This – is - very wrong...

I see death and – at the same time - suffering and sorrow - as the living...

...I see Your father, – a man named Pierce McGilvray, - is dead,

...and yet – your father – is – also - alive.

...he is both – of these things,

...he is – alive and dead - at the same time...

...I see – your father – is not – in our world...

...he exists – between life and death.”

Sarah’s Father Suffers and is Tormented in Hell

Katrina’s eyes teared – and she shuddered – and then glowed – with some kind of spiritual force.

“I see fire - and I see darkness...

...I sense – great fear - and – tremendous pain,

...It is Tormenting,

Katrina screamed in horror,

“Your father – bless his lost soul...

...*IS* – in – the Spirit World’s - *HELL!*”

Sarah's Jaw Dropped and She Looked Confused and Angry and Unsure What to Do or Say

Sarah's jaw dropped...

...she looked confused,

...she was angry,

...and – she was unsure - what to do - or say.

Sarah Was Paralyzed from the Thought that her Father Was Suffering in Hell

Sarah's mind raced – with thoughts...

...that - her father – was – suffering – in *Hell!?!*,

...a - seeming – tornado - of fractured thoughts - and emotions...

...blasted – through Sarah's brain...

...rendering her – effectively – paralyzed.

I do not think – that I have ever seen – Sarah – so...

...dumbstruck, dumbfounded, immobilized...

...just from – her own – inner turmoil – and – tumultuous thought.

Katie Muttered, 'She is Telling the Truth – as Best as She Believes it to Be...'

Katie – softly – but loud enough – for everyone to hear – muttered,

“She is telling the truth...

...at least – she - *BELIEVES* - it is - *TRUE*,

...she – is not lying.”

Katie almost whimpered,

...“Your father – is – in Hell?

...We have to help him.”

Rick Talking Audio File: E409 008 Everyone Goes Inside Lynus House with Katrina

Katrina Invites Everyone Inside as She is Fatigued from Channeling Oricha to see Fallen Spirit World Hell

Katrina’s voice was weak – as she concluded,

“Let us go inside – now... please.

...That wore me – out – badly,

... I am tired, - and I am - fatigued,

...that last – ‘Sight’ – was ... horrifying – and unsettling,

...I did not expect...

...to channel – the Oricha...

...and see – the Fallen - Spirit World...

...known as – Hell – to most people.

...it was very – draining – and exhausting.

...Let us go inside.”

Finally – We Entered Lynus’ Home – Posh and Nice with an Open Closet Revealing a Voodoo Altar Shrine

Finally – we entered Lynus’ home.

Lynus – had stood by – as a silent – witness...

...to Katrina’s – extensive – scrying – and storytelling...

...of – personal things – about each of us...

...that – presumably – she - could not know...

...*especially* – knowing things like...

...that Sarah’s father – was – In Hell!?

Lynus Took Us to a Formal Dining Room with a 14-Foot Dining Table that Was Covered In Animal Sacrifices

Lynus – gestured to us – to follow him...

...into a large formal dining room...

...which had - a numerous - bloodied – sacrificed animal parts and bones...

...and *human skulls*...!

...all - covering – its 14-foot long - dining table – which was – at the room center.

...there were – plenty of seats, around the dining-room voodoo – dark ritual - table...

...and so everyone – would have their very own – gore-filled – nightmarish - place - to sit...

...with blood – bones – horror - and space, - to spare.

A Connected Closet to the Dining Room Was Opened – Revealing a Santeria Voodoo Shrine and Altar

A closet – in the Dining Room – was opened...

...revealing – that inside it – was – a Santeria Voodoo Shrine - and Altar,

...on the altar - were - bowls and jars...

...of blood - and animal intestines...

...along – with animal bones – and snake skins – strewn everywhere,

It Was Absurd - We Were in a Modern-Day Black Magic Estate Dining Room!?

It was absurd...!

...We were – in a modern day – black magic – estate – dining room!?

...it could have been – Voodoo Thanksgiving – of animal sacrifice,

...it was – absurd.

We All Took a Seat around the Bloody Sacrificial Dining Table

Well - We all took a seat...

...around the wicked – sacrificial – dining table.

Katrina - did not wait - a moment longer...

...she must have - regained her strength – walking to the Dining Room.

Rick Talking Audio File: E409 009 Island Has a Problem with Crime Lord

Katrina Spoke Immediately – Waiting for No One – Described Evil Crime Lord Oppressing Island

Waiting for no one, Katrina spoke immediately,

“Rick, this island has a problem.

It is being controlled – by a terrible – wicked – evil man...

...the island - is under - the dominating force...

...of a crime lord – that runs – everything – criminal – on the island,

...he runs – human trafficking...

...for escorts and prostitutes,

...and - for labor and slavery,

...he controls – the illicit – drug trade,

...he – extorts – businesses – and citizens – to pay – tribute,

...he smuggles – weapons – and munitions – worldwide...

...through – criminal networks, - backchannels...

...and – through - dark web deals.”

...and – simple – but worse of all...

...he drives violence - and murder...

...without concern - or remorse.”

Crime Lord is Protected – Making him Immune - to Voodoo and Oricha Spirit Influence

Katrina – lamented,

“I can do nothing - myself...

The Crime Lord - is protected – by dark magic...

...making him immune...

...to – voodoo –

... and Oricha Spirit - influence,
...the police – are – corrupt, - on the take,
...and the government – looks the other way...
...thereby allowing - him – to do...
...whatever he wishes – without worry or concern.”

She sighed, “We – truly – can trust no one.”

Katrina Implored the G-Team Help and Stop the Crime Lord

Katrina implored,

“But...

You are – a self-professed – Hero... Right, Rick?

Won’t - your renown – G-Team...

... help the people – of St. Lucia?
...Won’t you – help everyday people...
... from oppression,
...and from - living - in fear...?”

Katrina Posits if God and Jesus Exist, They Would Want G-Team to Help the Innocent Victimized People

Katrina added,

“I may not – believe – in your God or Jesus...
...but – if they existed, - wouldn’t they want you...
...to help – these - innocent - victimized – people?”

The Island’s People Have a Problem – and They Need Rick and The G-Team to Save Them

“Rick, this island has a problem...
...its people – need you - and your team – to save them.”

Katrina Threw Out That the Crime Lord Also Had our Gear

Katrina threw out – as last ditch - motivator,

“And – the crime lord – has all the gear – that - they took from you...

...when – the crime lord’s - henchmen - mugged you.”

I Had to Reply That We Always Strive to Help People in Need

I had to reply – despite the madness - of what - we had been seeing, - and said,

“Of course – we always strive – to help people – in need.”

Sarah Challenged ‘We Help GOOD FAITHFUL PEOPLE in Need’

Sarah challenged, “Not exactly...

...We help - *GOOD – and - FAITHFUL” People – In Need.”

Rick Talking Audio File: E409 0109 Katrina Explains She Scried and Shared for Trust

Katrina Explained I ‘Scried and Shared’ Intimate Aspects of Each of You to Establish Credibility and Trust

Katrina explained,

“Look, I scried and shared...

...intimate – aspects – of each of you – to establish – credibility – and trust.

...I know – it’s hard – to trust someone,

...it is especially hard – to trust – a stranger.

...that – is why – I shared – all those – secrets...

...so - You can trust me.”

Kieran Looked at Martin – Knowing – He Was Far Above His Pay Grade – and Wondered if They Would Live

Kieran looked – terrified...

... as he made - eye contact - with Martin...

...knowing – that they were both – far, far – above their pay grade – sitting at this table,

...he had to wonder...

...if they were going - to get out alive...

...because - things - were terrifyingly - scary.

Bob Sat Quietly – Leaving Decisions and Dialog – to Everyone Else – It Seemed

Bob - just sat quietly...

...leaving decisions - and dialog – to everyone else – it seemed.

Katie Was Visibly Disgusted by the Bloodied Sacrificed Animals and Voodoo Nasty Ritual Stuff

Katie – was visibly – disgusted...

...by the bloodied - sacrificed – animals,

...and – by – the gross - and nasty - voodoo rituals.

Despite Katie's deep disgust, she said,

“Katrina – still – has told - no lies... or tried to deceive us,

...but – there's – a lots - of black magic – everywhere....

...and - Umm – yea - I guess, - that's all - I have to say.”

Taylor Acquiesced to Rick's Judgment - as She Felt This Was All Evil Stuff but Helping People Was Righteous

Taylor snarled,

“I defer to you, Rick.

I see things – this way...

...this is – all – evil – stuff,

...it's black magic – blood sacrifices – dark arts – wickedness,

...we should – be fighting against this – I would have thought,

...but – Helping People in Need – is Righteous,

...and so – if you think – that - we should help them...

...despite it – likely – also helping - this Voodoo Witch - Katrina...

...then – I will go along – with whatever - you decide.”

Rick Talking Audio File: E409 011 Sarah Recognizes Katrina Has Black Magic

Sarah Acknowledged Katrina Had Sinister Wicked Command Over Black Magic using Dark Matter

Sarah spoke – straining emotionally as she did,

“Okay, you – clearly – have command – over – Black Magic...

...using Celestial Dark Matter,”

Sarah Says is pained to See Black Magic using Dark Matter for sinister black magic

Sarah added,

“It pains me – to see – sinister – wicked - means...

...used – to abuse – God’s - Building Block Glue, – Dark Matter...

...that fuels - the Fabric of Creation...

...all - for dark arts - Black Magic...

...it is – an abomination – of blasphemy...

...to – use God’s power...

...for self-serving purposes.”

Katrina Appeared to Know Secret Things, but Could Have Researched Like Gypsy on the Internet

Sarah further noted,

“Of course – though - You – do - appear – to know things...

...that most people – do not know...

...it is possible – that you - researched all this...

...like a Gypsy - using the Internet...

Sarah Believed Katrina was Honest Because Katie’s Tattoo Said So

...however – Katie – sensed...

...that – you spoke only – what you believe – to be true.

...therefore, - I am accepting – that - you – are legitimately...

...a real - Creyentes Voodoo Practitioner.”

Sarah Countered with an Offer of Help for Specifics on Her Father in Hell

Sarah countered,

“I will agree – to help – save – the islanders...

...but – I want you – to learn - as much as you can – about my father...

...and – help me – find him – and help him...

...even if – he is – in Hell.

...Will you agree – to do all you can...

... to help me - find and help – my father?” Sarah asked.

Rick Talking Audio File: E409 012 Team Makes a Deal Agreement with Katrina Vex

Katrina Agreed Contingent on Not Katrina’s Help Excluding Leaving the Island and Only Upon Crime Lords Exit

Katrina smiled and nodded in agreement,

“Yes, yes... I will do that...

...I will help you...

...learn - where exactly - your father is,

...learn – how to get to him,

...and – learn – how to help him (if it is possible).”

Katrina added,

“But – I will not hurt anyone - or leave the island – to help you.

And – I will not reveal – any more insight...

...until - the crime lord - is gone.”

Katrina Agreed Contingent on Not Katrina’s Help Excluding Leaving the Island and Only Upon Crime Lords Exit

Katrina sought confirmation from Sarah and the group,

“Is this agreeable?”

Do we – have - an agreement made?”

Sarah nodded and I Said Aloud ‘Agreed’

Sarah nodded – approval – to the terms – of – the agreement.

I said aloud – for me and the team...

...only two words, - ‘AGREED - HUA’.

Bob Asked Are We Really Glorified Hitmen Now?

Bob asked – darkly, “Ummm, does this make us...

...into glorified – hitmen – now?

...I mean – we will be – hitmen...

...killing – bad guys...

...for bad guys?

...but – for good?

...doesn’t – this – define – us...

...as hitmen – just like hitmen - for – the mafia...

...I don’t know...” his voice trailed off – a little judgmentally.

Taylor Reminded Us That What We Must do to Accomplish Our Mission as Soldiers is Necessary – Move On

Taylor reminded – everyone – once again,

“God – is our Commanding Officer – our C.O...

...we do not question – His Orders,

...as soldiers - we do – what we must do – to accomplish our mission,

...so – ‘No Bob, We Are Not Hitmen...’,

...*WE* - *ARE* - *SOLDIERS*,

...So – Move On – and – Stop Questioning – What Must be Done.”

Bob Grumpily Agreed with Taylor and Said ‘HUA’

Bob grumpily – agreed – with Taylor...

...and said, “HUA...

...I hear you,

...I understand you,

...And – I acknowledge - your message.”

He belted out – exaggeratively – almost mockingly, “**Sir!**”

Taylor Just Winked at Bob – Seemingly a Subtle Power Play

Taylor – just winked at Bob...

...seemingly – as - a subtle – power play,

...I perceived - it as this...

Taylor – was – in charge...

...and – she was directing – Bob...

...on - how to feel,

...and - on – how to behave...

...and Bob didn’t like it ...

...being - dismissively - shutdown.

Rick Talking Audio File: E409 013 Lynus Gives Instructions and Map to Crime Lord

Lynus Handed Me a Map of St. Lucia with a Circled Walled-Off Estate and Mansion On the Island Far Side

Well – back to – the – real – and pressing - matters at hand...

...Lynus – handed me – a map – of St. Lucia,

...it showed – the entire island...

...and – it showed...

...where – the estate home – of the Big Crime Lord was...

...located – on the far side – of the island...

...near – a rural beach airport...

...in a remote part – of Gilly Point.

...the map showed – the Crime Lord – lived...

...only – a few miles...

...from where – our ‘KT’ RV Cargo Plane – was parked,

...we – used – the airport – right by – the Crime Lord’s home...

...absurd! ...what a coincidence!

Lynus Instructed Use the Gate and Security Codes Written on the Back of the Map

Lynus – instructed,

“On the front and back sides- of the map...

...were the – Gate and Security Codes,

...go in the front gate – tomorrow - at 8pm...

...as Sterling Services Bodyguards – for the replacement guard shift...

...in one of our electric - eJeeps,

...that’s when we – swap guards...

...so - they will – expect...

...you are – just replacement guards – for the night shift.”

I Looked to the Team and Asked, “Are We Good? Are We All In?”

I looked to the team – and asked,

“Does Lynus’ - proposed plan - work?

...any changes?

Are we all in?

“Are we good to go?”

With Practice and Familiarity, Everyone Answered ‘HUA!’

With so much practice – and familiarity...

...everyone answered, ‘HUA!’

Rick Talking Audio File: E409 014 Kieran and Martin Released and Getting the Dagger

Kieran and Martin Were Free to Go – But Directed to Keep their GPS Tracker Devices With Them Always

Kieran and Martin were released – free to go...

...but Sarah told them – on threat of death...

...that – they had better - keep – the GPS Tracking Devices – that she gave them...

...with them – at all times...

...or she would kill them – when they least expected it,

...Kieran and Martin - were happy -to keep the Trackers - with them...

...just to be free – of their nightmare.

Sarah Joked They Should Keep The Trackers as Souvenirs to Remember Their Island Excursion With Us

Sarah joked – as Kieran and Martin – were leaving,

“You can keep the Trackers...

...after the batteries run out,

...Yea – just Keep them - as souvenirs...

...to remember – us by,

...Keep them – as a mementos...

...to - remember - your adventurous – excursion – with us.”

It was evident – that neither Martin...

...nor Kieran – had any desire – what-so-ever...

...to remember – their = *experience* - with us.

We Returned to Our RV Cargo Plane on the Beach Near the Crime Lord’s Estate

We returned – to our RV Cargo Plane – on the Beach....

...located – only – a few miles...

...from the Crime Lord’s estate – located in – Gilly Point.

We Debriefed Tiny on What Happened with Katrina Vex and Lynus

We debriefed Tiny

...on - what happened during our away time...

...we highlighted details - about - Katrina Vex,

...and of - our – agreement with her,

...and – about our plans - with Lynus.

And – I Retrieved – My Celestial Flaming Dagger of Choice and Destiny

Before our journey then next night – to Gilly Point...

...I retrieved – my Celestial Flaming Dagger of Choice and Destiny...

...as – this foray – to eliminate...

...the big boss crime lord...

...could prove – quite dangerous...

...and – could even – prove to be - a supernatural – dangerous...

...with all – the - Voodoo - Black Magic - stuff.

Our Next Stop – the Crime Lord and His Estate – Tomorrow – at 8pm

Well - Everyone – readied – their gear...

...and – we slept – and waited...

...until – the next – day – evening.

Our next stop – would be...

...a – defensible - walled-off - estate...

...in the remote area – called – Gilly Point.

...where - St. Lucia's - Top - Big Boss – Crime Lord – lived.

...and - of course...

...we had no idea – what to expect...?

Rick Talking Audio File: E410 001 Infiltrating Crime Lord Gilly Point Estate Plan

Episode Name

Episode:

The Crime Lord and St Lucia Caribbean Sterling Services Bodyguards

We Were Armed and Ready to Confront the Crime Lord

We were armed – and ready – to confront...

...the big boss – crime lord – of St. Lucia.

We prepared for many contingencies – and unexpected scenarios...

...we planned to bring – a veritable arsenal – to with us...

...in our – camouflage green - electric – eJeep,

We waited until nightfall – to being – our mission...

... to confront – and potentially terminate...

...the big boss, – crime lord – of St. Lucia...

...who lived – in a remote – area – called – Gilly Point.

We Headed Out in our dilapidated Airport Delivery Van

We headed out...

...with Bob driving - our acquired...

...Sterling Services Bodyguards - electric – eJeep.

Our Plan Was to Drive Up as the Next Shift Guard Team, Enter the Gate Code, and Relieve Guards at Front Door

Our plan was simple...

...as laid out – by – our recently allied...

...Sterling Services Bodyguards'...

...Senior Manager – Lynus,

...we were to – wear – military green pants & shirts with a darker green security vests...

...which was – the ‘standard uniform’ – for...

...Sterling Services Bodyguards.

...a side effect - of our – blending in - *uniform* plan...

...was that – it required – that Bob...

...leave his – signature - Beret behind...

...so - he could fit in – and not be – *extra* -

identifiable – noticeable.

...and - we were to – just drive up – in a – Company eJeep...

...posing - as - the - Next Shift – Security Guard Team,

...we were to - pull up - to the Security Gate...

...and - enter - the Gate Code - like we belonged there,

...once the Gate Opens...

...we just - head on – through...

...and drive – to a roundabout...

...that’s right in front – of - the Main House - Front Door...

...and -we just park and head in...

...where we – will – relieve...

...the current - Guard Team...

...and – thus - we will become...

...the New Guard – Shift.

...And - Once inside – free to roam...

...we find - and terminate – the Crime Lord.

Rick Talking Audio File: E410 002 Taylor Declares Plan is Idiots Plan

Taylor Challenged the Plan Was an Idiot's Plan – Makes Fools of Us if We Do It

Taylor – challenged – vehemently,

“*This Plan*...

...is actually...

...an - *Idiot's Plan*...

...that - makes - fools of us...

...if we - actually - do it.”

Taylor Challenged the Simplicity and Naivety of the Plan

Taylor insisted,

“The *Idiot's Plan*...

...relies – entirely – on – huge - stupid - assumptions...

Rick Talking Audio File: E410 003 Idiotic Plan Assumption Number 1

Stupid Assumption #1 – Just Drive Up Thru Security to Front Door and No One Notices

Taylor began her assessment breakdown,

“...Assumption #1 –

...a car full of unknown foreigners...

...just – drives up – and - enters Gate Codes,

...and – keeps driving – right through - a security gate...

...all the way – to the main house – front door,

...and - all the while...

...no one – notices or reacts – to anything,

Taylor punctuated her point – by acting like...

... she – was dazed – and blind...

...and oblivious - to all things - around her.

...and – there’s more - on assumption #1...

...that - we are – miraculously- not noticed - entering the estate,

...so - we’re – also - to believe...

...that – there are no – automated cameras...

...or security, detection systems?

...and – that – there are no – secret – additional – security reaction and
countermeasures?

...this – alone – should cast – serious doubt – on the - so-called -plan.”

Rick Talking Audio File: E410 004 Idiotic Plan Assumption Number 2

Stupid Assumption #2 –Professional Bodyguards Transfer Responsibility to Strangers Based on Car and Call

She continued,

“...Then – There’s - Assumption #2...

...we are to believe...

...that a – Trained - Professional - Bodyguard Team...

...just – hands-over – security – responsibility – and control...

...to a group of strangers...

... because - a senior manager...

...called them – and told them - to expect us,

...and – because – we drove up...

...in - one of their – company eJeeps,

...come on! It’s not realistic.

Rick Talking Audio File: E410 005 Idiotic Plan Assessment Conclusion

Conclusion of Stupid Idiot's Plan – Relies on Guards Blindly Doing as Told and No One Noticing Anything

Taylor finished her tirade – saying,

“...My Conclusion – about - this...

...Stupid - *Idiotic Plan*...

...is – that – the entire plan - relies on...

...Professional Security Guards - Not Noticing – or Questioning- Anything,

...on security measures and systems - being unrealistically absent or ineffective,

...and the plan – relies on – someone - we just met – doing as promised...

...and most importantly - not betraying – or - setting us up – for a trap.”

Conclusion We Should Make a Different Plan

“...I really think – that - we should make – a - *different* - plan.”, Taylor implored.

Rick Talking Audio File: E410 006 Katie Reminded Plan is Part of Our Deal with Katrina

Katie Assured No One Lied and Believed This Plan Would Work – So Why Question the Plan Now It Started?

Katie assured everyone, “Remember –

...No one lied to us...

...They believed - everything - they said to us - was true...

...no one tried to deceive us,

...and – remember - we're doing this plan...

...as part of our – ‘deal’...

...that voodoo witch – Katrina Vex...

...and – we need it...

...to bypass – and get through – whatever dangerous security – stuff – they have.”

Katie concluded, “So... without – a better plan...

...why are we - now – questioning...

...the one – we already have – and even – already - started on?” Katie challenged.

Taylor Answered ‘Because the Plan is Stupid – that is Why We Should Change It’

Taylor countered – bitinglly,

“...Because – the Plan is Stupid,

...that is why - we should question...

...*The Idiotic Plan*

Taylor Acquiesced She is Here as Vowed to Protect Us from Our Own Stupid Choices – and Saluted the Team

Taylor acquiesced, “You know...

...whether the plan is Stupid – or not...

...it doesn’t affect my commitment,

...I am here – for all of us – one and all,

...I vowed – to protect – and – that is – what I will do.”

Taylor – with a mocking – exaggerated smile, - said,

“Of course, - I will defend our team...

...even if – I am protecting – Everyone...

...From – Their Own - Stupid Choices – and bad plans.

I -*WILL* - Protect the Team - and – Defend Our Mission.”

Taylor smiled – playfully – and - saluted – the team.

Bob Grumbled – ‘So, We Go with The Idiot’s Plan... Great – Sounds Smart.’

Bob grumbled, “Great – sounds smart...

...we go with - the - Idiot Plan.”

Rick Talking Audio File: E410 007 At the Security Gate at Crime Lord Estate

We Drove Right Up to the Main Gate – to – the Walled-Off Crime Lord’s Estate –Entered the Code from the Map

With all that consternation and discussion – over...

...We drove – right up – to the estate’s- main gate...

...at 8pm Sharp...

...per the plan...

...as instructed – by Sterling Services Bodyguards’...

...Senior Manager - Lynus..

Bob Leaned Out to Enter the Gate Code But Unexpected Was Asked Who He Was via a Gate Security Intercom

Bob leaned – out the eJeep window – to enter the Gate Code...

...that – Senior Manager Lynus – wrote on – a map of the island...

...that he gave us, – showing us where to find the Crime Lord’s estate,

...but – surprisingly – Bob never had a chance to enter the Gate Code,

...Instead - a metallic – tinny - voice – screeched,

“...Who are you?

...I don’t recognize you,

...And – who - are - all those people – with you?”

Bob Was Surprised by the Unexpected Questions and Being Watched as They Tried to Enter the Estate

We were all - taken by surprise – by unexpectedly...

...being watched – presumably – by camera – as we approached - the Estate Gate,

...and – further - by – being challenged – and questioned...

...about - who we were...

...all – when – we were supposedly...

...just - going to just drive up – undetected, - unnoticed,

...and – discreetly - enter the gate code,

...and – nonchalantly - drive in – as if – we belonged there.

Living in Hell Difficulty Ensures Nothing Goes to Plan

I muttered – mostly under my breath,

“...I guess – being – in Hell Difficulty – ensures...

...nothing – goes to ‘plan’...

Bob Was Surprised by the Unexpected Questions and Being Watched as They Tried to Enter the Estate

Taylor – glared – an – *‘I Told You So’* - at me...

...and she said quietly,

“I think – ‘The Idiot’s Plan’ – is going – as well – as expected.”

Bob Answered – After an Uncomfortable Pause – ‘We’re the New Shift... I Am On Trial Probation Crap’

Bob – after an awkward – uncomfortable pause...

...ended – our collective – silent, – stupefied, - dumbfounded-ness...

...and answered – the tinny – gate-speaker’s - screeching voice,

“We’re the new shift...

...I am – new – and – on trial...

...you know – stupid Probation – stuff,

...Just tell me – what – I gotta do; and – where I gotta go – ‘kay?...

...I want this job - to work out...

...I like it here - on the island.”

It seemed that Bob - was trying - to ‘spin’ - the tale...

...that – he was - a foreigner...

...now working - for – Sterling Services ...

...as a new hire – on a Probationary - trial basis.

Bob's Toastmaster Corporate Speech and Impromptu Topics Gave Him Practice Needed to Be Convincing

...honestly – it sounded like - a good – cover...

...especially - for having no time – to have thought of it – or prepare for it... ahead of time.

...I guess – Bob's Corporate – Toast Masters - Speech - and Impromptu Topic Talks...

...gave him – the – practice – he needed...

...to – enable – his - convincing - real-time – in-the-moment – 'spin'.

Katie Looked at Bob as Her Tattoo Flared that 'Bob Was Lying'

Katie squirmed – in her seat – and looked disapprovingly - at Bob...

...as her – Truth Bearer – Palm Tattoo – flared...

...informing – Katie – that Bob – was – lying.

The Screeching Voice Said 'Okay' – and the Gate Opened – Without Bob Entering the Gate Code

Well...

The screeching – metallic - intercom voice – said – simply,

“Okay.”, - in - apparent acceptance - of – Bob's - 'spun' answer.

And – the Estate Gate – began to open...

...without Bob – ever – having – to enter – the Gate Code.

Rick Talking Audio File: E410 008 Drove to Estate Mansion Amidst Polynesian Statues

We Drove Up a Long Driveway that Came to a Roundabout in Front of the Rural Estate Mansion

We drove – up – a long driveway...

...with foliage – and plants – on all sides,

Polynesian Statues lined the Roadsides – Tikis Totems Surrounded the Residence – Talismans Covered Windows

...curiously – there were – Polynesian Statues – lining both sides - of the road,

...soon - we approached – a roundabout – in front - of the Estate Mansion...

...where – there were - more - Polynesian statues...

...as well as - Polynesian Tikis - and Totems...

...they all - Surrounded - the Residence...

...like guardians – watching – over – the estate.

...We could see - from the roundabout...

...that - the windows – were draped – with some kind of webbed cloth...

...that – seemed – to have – little – Shining – Talismans – woven –
throughout.

Nothing About the Crime Lord's House – Felt – Caribbean – At All – it Felt Completely Out of Place

The bottom-line...

...nothing – at all – about the Crime Lord's Estate – or House...

...felt – Caribbean – at all.

...it felt – completely – out of place – on the island.

It was Relieving to Get All of Us Out of the eJeep because it Felt Cramped With All Five of Us Inside

Sarah, Taylor, Bob, Katie, and I – exited the eJeep...

...It was relieving – to get out - of the car...

...as it felt – cramped - with all five of us – inside.

Four Security Guards Wearing ‘Sterling’ Security Vests Greeted Us – and Asked Where Were Our Vests -Armor?

Four security guards – wearing ‘Sterling Security’ Body Armor Vests...

...exited – the front door - and - approached us,

One of the Security Guards Welcomed Bob to the ‘Sterling Team’

...One of the guards – an especially big - brute of a man – walked up to Bob,

...He – looked closely at Bob, - examining him, – and said,

“Probation, huh? All of you? Right... Welcome - to - the Sterling - Team.”

The Guard Gestured We Head In – As They Walked Toward Another eJeep Parked Nearby

The guard – gestured to us...

...that we should - head inside.

He – and the other three guards – continued on...

...they walked – toward – what was – presumably - their – eJeep...

...which was parked – nearby...

...off to the side – of the roundabout.

Rick Talking Audio File: E410 009 Being Trapped in the Crime Lord Mansion

We Headed Inside the Mansion Confidently – As If We Knew Where We Were Going

We looked at each other...

...and - headed inside – the mansion...

...we walked - with an air - of authority - and confidence...

...as if – we knew – where we were going,

We Entered the Front Foyer and Grind Metal and Electrical Sounds Hummed and Echoed

We entered – the Estate - Foyer...

...and paused - looking around – to decide – where to go,

...but - suddenly – a grinding - humming - metal sound – echoed

...in the vaulted entry - foyer...

...and – zapping – electrical arcing – sounds...

...soon - joined – the humming - metal grinding – resonant – cacophony,

Foyer Lasers Blasted All Around Us – Making Us Trapped Birds in a Foyer Prison Cell - Laser Birdcage

The sounds - were – suddenly – followed by...

...eerie - green laser beams – that shot down – all around - the entry & exit points – of the foyer...

...and – then - the lasers – surrounded each of us – *personally*,

...it was – as if – there was - an Artificial Intelligence – AI, – in the ceiling – or chandelier...

...that was watching each of us – and specifically - targeting - each of us...

...to encase – and entrap - each of us, - in a complex – ever shifting...

...jail cell – of – flesh cutting – green laser beams.

...the lasers - effectively - formed – a large prison cell – out of the foyer...

...and – many - individual – prison cells, – jailing each of us – further - individually...

...within their bars - of flesh-cutting - lasers,

...there it was...

...we were – in a blink of a – laser's eye...

...trapped – inside laser barred – birdcages,

...there was no way – out – it seemed...

...from our jail cell of – flesh-slicing – prison bars - of laser light.

Taylor Glared at Me – another – 'I Told You So' Stare

Taylor just glared – at me - without words, - another...

...'I Told You So',

...The Plan – apparently...

...really - *was* - *Stupid*.

The Door Behind Us Swung Open and The Four Bodyguards Returned with Shotguns In-Hand – was a Trap

Well - The entry door – behind us...

...that we had entered from - swung open...

...and stepping through it – were - the four bodyguards...

...that had – allegedly - changed shifts with us...

...and – who had - presumably - previously left – in their eJeep...,

...but – obviously – they – did not leave,

...it *was* - a setup – it was a trick...

...they – *let us*...

...walk – right into the trap,

...and now...

...they returned, - armed – with shotguns...

...and - they were - aiming them – at – us...

...clearly - ready to shoot.

Taylor Commanded ‘Stand Down, We’re Beat’

Taylor did not hesitate, and commanded,

“Stand Down!

We’re Beat.

Accept it.

We go forward - from here.”

I Nodded and Said For Everyone to Hear, “HUA”

I nodded – and said – on behalf of the team – for everyone to hear...

...Simply, “HUA”...

...for - Heard, Understood, Acknowledged...

...so – that – everyone – would – be – on the same page...

...and stand down – without doing - any heroics...

...that may well...

...get us killed.

Rick Talking Audio File: E410 010 Hello Father Silver Seaborne

An Elderly Man Seemingly in His Late Seventies or Early Eighties – Entered the Foyer from An Adjoined Room

Well...

...Soon after – being trapped – in the - foyer laser birdcage...

...An elderly man – with a full head - of white and gray hair – wearing all black - entered the foyer...

...from an adjoining – room.

The Man Welcomed us as the G-Team – as a Cat Would Welcome a Mouse as a Toy and Potential Prey

The old man – with steely eyes – scanned – us, - as - his captives...

... and - he smiled – wryly,

...and then - He spoke – playfully...

...like - how a cat – might welcome - a mouse...

...as its – toy – and potential prey.

The steely-eyed - old man – spoke,

“Well... well...

The G-Team – has – deigned – to visit me...

...in my – very own - home.”

The Man Notes Everyone Present – But Emphasizes Rick Liberty, Richard Seaborne / SeerBorne is What Matters

The man added,

“And – everyone’s here...

...except for – Tiny, - your Driver and Pilot.

No matter...

...you – Rick Liberty...

...or – should I say – Richard Seaborne...

...or – maybe – I should call you – Richard Seerborne...

...as the Knights Templar - asked me to do – so long ago.”

The man – smugly – said,

“...Well, - You – Rick Liberty...

... are - the - only one – that – truly - matters.”

Sarah Exclaimed, “Silver!? You’re Silver Seaborne! You’re Rick’s Father!”

Sarah – looked shocked, - in dismay – and she exclaimed,

“You’re Silver!

...You’re - Silver Seaborne!

...You’re - Rick’s Father!”

Sarah Exclaimed, “Silver!? You’re Silver Seaborne! You’re Rick’s Father!”

Sarah declared – in an Epiphany,

“Silver – *is* - the Crime Lord...

...that runs - St. Lucia’s - criminal underbelly...

...and controls – its syndicate - of extortion - and suffering.”

Sarah Remembered – Of Course – Silver Operated a Smuggling Ring – in the Caribbean – He Does Much More

Sarah remembered and noted,

“Of course! We knew – that Silver...

...ran – a smuggling operation – in the Caribbean.

...under the façade...

...of his - pseudo legitimate - airline businesses...

...Silver Airways,

...and Silver Seaborne Airlines.

We just – didn’t know – that he was here, – in St. Lucia...

...Clearly – your father...

...does a lot more – than smuggling.”

Sarah Suspected We Were Staying with our RV Cargo Plane at one of Silver’s Remote Airports

Sarah coyly tilted her head and said,

“I suspect – we are staying – at one of Silver’s remote airports,

...how ironic – it is – I suppose...

...that – our RV Plane – home base...

...is parked – right there – on the beach...

...of your father’s – illicit, - for smuggling, - remote airport.

She ended her speech, simply, saying,

“Ironic... Indeed.”

Rick Talking Audio File: E410 011 Silver I Did Not Abandon You My Son

Silver Looked at Rick and Asked Rick to Indulge His ‘Presentation’ to Speak of Much

Silver looked at us, – trapped inside – his cage - of flesh-cutting lasers...

...and – he said - tersely,

“Rick...

...Please indulge – my ‘presentation’...

...as – I believe – there is much – to speak of – here.

Silver Looked at Rick and Overly DID NOT APOLOGIZE for Abandoning Him at 6-Months Old

Silver – with deep, woeful eyes – spoke,

“You – are – my son.

It is true. You - are - my son.

.....I – imagine...

...that you think – I abandoned you...

...all those years ago...

...heh – when you were - what - six months old?”

You Were Not Compatible with My Life – So I did You a Favor and Spared You

Silver winced – looking downward at an angle – and then - to the left...

...and he said – with a cold tongue,

“You were not compatible – with my life...

...so – I did you - a favor,

...I spared you...

...from - the hard - and dark life – that I led,

...You - were better off - for it.”

Silver Said Does not Refret Leaving Richard to Find Himself and Become Independent Free and Powerful

The then - seemingly- withdrawing, detached - Silver - continued,

“I don’t regret – at all – leaving you,

...I am glad – to have made you – alone...

...so that – you had to - find - and define – yourself,

...you - did not - need me...

...to be coddle you,

...or to hold you - like a baby.

...you needed...

...to grow up – fast, - smart, - and strong,

...and – become - independent.

...I helped you...

...be just that – free, powerful, and independent.”

Rick Talking Audio File: E410_012 A Boy Named Sue Select Lyrics from Silver

Abandoning You Early – Made You Stronger – like that Song ‘A boy Named Sue’

Silver – with a – strained, - dubious smile - shared,

“Have you ever heard – the song - called – ‘A Boy Named Sue’...?

...sung by – one of my favorites...

...the Man in Black – Jonny Cash.

Let me share - some meaningful lyrics – that I like...

...from a ‘Boy Named Sue’...

...that – I think – may – also - apply to you...

...my son.”

Key Lyrics from Jonny Cash Song ‘A boy Named Sue’

Silver recounted – his favorite - key lyrics...

...from Jonny Cash’s Song...

...‘A Boy Named Sue’...

Well, my daddy left home when I was three

And he didn't leave much to ma and me

Now, I don't blame him 'cause he run and hid

But the meanest thing that he ever did

Was before he left, he went and named me Sue

Well, he must've thought that it was quite a joke

And it got a lot of laughs from a lots of folks

Seems I had to fight my whole life through

I'll tell ya, life ain't easy for a boy named Sue

Well, I grew up quick and I grew up mean

My fist got hard and my wits got keen

Son - This world is rough

And if a man's gonna make it, he's gotta be tough”

Silver Was Proud of his ‘Boy Named Sue’ Speech – And Said He Could

Silver – looked proud of his – ‘Boy Named Sue’ – speech.

Rick Talking Audio File: E410 013 Like Father Like Son Rick and Silver Talk Alot

Bob Commented That – Like Father Like Son – Rick and Silver Both Go Off on Tangents in Inappropriate Times

Bob commented, “

“How about that...

...Like Father – Like Son,

...Rick and Silver – both – go off – on tangent – topics...

...at – weird – random – inappropriate times...

...We’re trapped – lives in danger...

...and your father – Silver...

...quotes – a bunch – of song lyrics...

...Come on! Let’s get serious – here.” Bob demanded – in frustration.

Rick Talking Audio File: E410 014 Silver Tells Truth But Rick Says Was Abandoned

I Answered Silver’s ‘Boy Named Sue’ Speech – With ‘It Was a Crock Excuse by an Abandoning Bastard’

Well...

I answered Silver’s – narrative...

...where – he was trying – to justify – abandoning me – as a baby.

I challenged him - and said,

“You can – dress up – your - abandoning me...

...at six months old – however you like...

...but – the truth – is simple...

...you left me.

...You - cannot be forgiven - for that!” I decried!

Silver Replied ‘Your Mother Left Me and Took You – I Kidnapped You Even... I Tried...’

Silver – looked surprised – and barked,

“No – that’s not true...

...Your mother left me,

...and – your mother took you – from me,

...and – when I – took you back...

...she had the police - arrest me...

...and take you back – to her.

...I even tried – years later – to see - you and your mother...

...but – your grandfather - threatened my life – with a shotgun...

...and so – I did what he asked...

...and – left you alone.

Silver Concluded – He Did Not Abandon Rick, but Rather Rick Was Taken from Him as a Baby by His Mother

Silver concluded,

“You see, I did not abandon you....

...In fact - You were taken from me...

...as a baby...

...very much – against my desire – and will.

Katie Replied Surprisingly That Silver Spoke the Truth – At Least How He Saw It

Katie interjected,

“He’s – telling the truth...

...at least - as he - sees – and believes – it – to be...

...which – honestly - is a bit alarming...

Rick Talking Audio File: E410 015 Katie Only Knows When People Knowingly Deceive

Katie Realized – She Only Knows When People Consciously Willfully Deceive Her vs if They Tell Factual Truth

...I just fully realized – that...

...I only know – if people – *think* – they are – Deceiving me...

...I don't know if – they're wrong...

...or – just ignorant – of – the truth.

...Your father – *could* - still - be lying – to us...

...out of - ignorance,

...or – out of - delusional – pride.

Sarah Said It's Like People Believing in a False God and Fake Religion – are Wrong and Will Be Damned to Hell

Sarah – quickly said,

“It's like – people...

...believing – in – a False God - or Fake Religion...

...they sincerely – have *Faith* - in – their – Misplaced Beliefs...

...but – they are Wrong...

...and – they will be - Damned to Hell – for all eternity...

...for not believing...

...in the One True God – and in Jesus.”

Rick Talking Audio File: E410 016 Katie Does Not Know What to Think of Silver

Katie Said She Doesn't Know What to Think of Silver Now – an Abandoning Scumbag or Victim of Selfish Mom

Katie – resumed her – emoting – of her inner conflict – and said,

“I don't know - what to think – now...

...about – your dad,

...did he – leave you...

...because – he's a – deadbeat – abandoning - scumbag?

...or did he – leave you...

...because – your mother - *?selfishly?* - made him – abandon you?

Katie said,

“Well – either way – he never tried - to see you - again...

...so – there's that – damning fact.”

Silver Suggested It Was Dangerous to Let The Team Go

Silver replied to Katie - directly,

“Katie – is it?

I assure you – I am a man of my word...

...I promised – Rick's Grandfather...

... that - I would never – reach out – to Rick - or to his mother - again...

...and so – I never did.

And – I believe – firmly...

Rick – grew into the man – he was destined to be...

...because – I let him – be on his own...

...to learn and grow...

...and - to become...

...his – *OWN MAN.*”

Silver Said ‘I Have no Regrets, I am Sorry if Rick Does...’

Silver said,

“I have no regrets.

I am sorry – if Rick does.”

Rick Talking Audio File: E410 017 Silver Outlines Situation and Proposes a Deal

Silver Suggested It Was Dangerous to Let The Team Go

Silver shifted topics,

“Let’s get back – to the present – can we?

I could - let you go...

...but - it might end poorly - for me...

...who knows – what you might do,

...or – maybe...

... it would end poorly - for you - and for your friends.

...we cannot know – what would happen – if I let you go.”

Silver Grinned and Said I Know Katrina Sent You – Did You Think Her Voodoo Could Help Against Me?

Silver grinned – and said,

“I know – that – Katrina Vex...

...sent you – to kill me...

...you met Lynus?

...Senior manager - at Sterling Silver Services Bodyguards – right?

...Lynus – and I - have a good relationship,

...he made sure - to let me know...

...of Katrina’s betrayal...

...and - her wish - for you - to kill me...

...and – he shared - your simple plan...

...to impersonate - a new guard shift - tonight.”

Silver – clearly finished – mocking...

... our stupidity - and our bad plan,

...he asked,

“...I have to ask...

...Did you think – that Katrina’s voodoo...

...could help you – against me?” Silver chuckled.

Silver’s Cold Wolf Eyes Stared as He Growled That He and His Estate Were Protected by Polynesian God

Silver – looked smug – and full of hubris – in that moment.

He continued,

“First off – you saw - all those - Polynesian Statues, Tikis, Talismans, - and the like?

Those are – all – from the Polynesian God of War and Protection – known as Ku...

...who protects - this estate - and everyone - within it,

...and – I both carry – and wear – Ku’s talismans of protection.

Katrina ...

...that arrogant - Silly – Voodoo Woman...

...had no chance – to – ever, ever – touch me...

...with her – dark, - black magic.”

Silver smiled – which seemed creepy – and – out of character...

And – he spoke,

“There are many ways – to tap – and use – magic – and divine forces...

...Voodoo is only one way,

...I use many...

...and – guess what...

...I won.

...she couldn't touch me,

...yet – I could – touch her,

...well – tonight - She has been - voted off the island...

...you might say – that...

...I am - the sole survivor...

...so - I win - again.”

Silver Grinned and Said I Know Katrina Sent You – That B-of-a-Woman is Dead Now

Silver shared some background,

“You know...

...Katrina was my partner...

... when – I first – came to St. Lucia – and the Caribbean,

...she – was the – cornerstone – of crime – and control...

...before – I came - onto the scene.

...together – we expanded – control...

...across – most of the Caribbean - and the West Indies,

...but – I sensed – early on – that- she would – someday – betray me,

...and that – day – has now – come.”

Rick Talking Audio File: E410 018 Katrina Vex is Dead Now and Info Died With Her

Silver Grinned and Said I Know Katrina Sent You – That B-of-a-Woman is Dead Now

Silver's eyes were cold...

...like a Wolf - staring – at its prey.

He cleared his throat – like a growl – and vicious snarl, – and he resumed talking,

“Well – when I say...

...that – Katrina – was – voted off the island...

...it is a metaphor...

...because - Katrina Vex - is dead...

...she won't be double-crossing anyone...

...and – certainly - she won't - betray me – anymore.”

Sarah Exclaimed ‘No - Then We Won't Learn More About My Father in Hell...” – Tears Dripped Down

Sarah exclaimed, “No! ...

...Then – we won't learn – anything more...

...about my father – allegedly – being in Hell?

...or how to find – or help him!?

...Anything Katrina knew – died with her.” Sarah whimpered - and sighed - woefully.

Helpless – and trapped – in our cage of lasers...

...tears – dripped – down – Sarah's cheeks.

Silver Did Not Care That Sarah Would Never Know What Information Katrina Had for Sarah About her Father

Silver did not seem to care...

...that Sarah – was upset...

...at Katrina's death,

...or – for - the loss of information – that Katrina - took - to her grave...

...the loss of information - that Sarah - would now – never know.

Silver Waited Somehow As if Respectful and Patient for Sarah to Flap Her Lips and Jaw Out Her Words

Silver – just – listened to Sarah...

...as she – ‘talked’ - and spewed words...

...he listened - as she - ‘mouthed words - into the air’...

...that - he did not care about – in the least.

...Silver was - visibly – annoyed – that she took – so much - of his time...

...flapping her lips – and jawing out - words,

...but - Silver waited somehow – as if respectful and patient...

...until - Sarah was done - talking...

...and – then – Silver continued.

Rick Talking Audio File: E410 019 Hell and Heaven and Demons are Real

Silver Described the Goblet of Rejuvenation Housed in the Vaults Beneath the Vatican

Silver - suddenly smiled – as if a new persona - took hold of him.

Silver explained,

“Look Rick...

...and I know – your life – has – been really crazy lately,

...I know – that - you’ve seen...

...heaven and hell stuff,

...things like – devil cults,

...demons and nightmares,

...and - all sorts of horrors,”

Silver Noted All the Craziness Heaven and Hell Stuff Was Real

Silver looked empathetic- shockingly – and said,

“Look Rick...

...I know – this - hell, - heaven, - demon stuff - is - all - real,

...I know - the Knights Templar – are real,

...I know – the Devil and his Cult of Bael – are real,

...I know – you have a role – in a divine prophecy,

Rick Talking Audio File: E410 020 Rick Can Help Obtain Cain’s Goblet of Rejuvenation

Silver Says He Wants Cain’s Goblet of Rejuvenation

...and – because of all this...

...I am confident – that – that you can – unlock...

...Vatican City’s - secret underground Vault...

...where they store – a celestial relic...

s

...called – Cain’s Goblet of Rejuvenation.”

Goblet of Rejuvenation Restores a Person to Their Peak Age and Mental & Physical Prowess on Drinking

Silver explained,

“Cain’s Goblet – refills itself – perpetually – with the Blood of Cain...

...Drinking from Cain’s Goblet - restores a person...

...to whatever age – was their - peak mental - and physical prowess,

...and – they can drink – from the Goblet – as many times – as they like...

...essentially – living forever...

...akin to a Fountain of Youth.”

Silver Needs Cain's Goblet to Avoid Being Damned to Hell – By Never Dying

Silver explained further,

“With – Cain's Goblet – I can...

...ensure – that I never die – of old age – or from health problems,

...and thereby – I can - avoid – dying...

...and – avoid – otherwise - very likely...

...being – damned to Hell...

...for - all the things – that I have done...

...that – may have – earned my place...

...in Hell – TEN - or more – TIMES – OVER.

Cain's Goblet – will give me time...

...to avoid – going to Hell.”

Silver emphasized,

”At my age...

...with far fewer days ahead...

...than those behind me...

...I need – Cain's Goblet of Rejuvenation.”

Rick Talking Audio File: E410 021 Made Deal to Get Hammer and Anvil of Destruction

Silver Offered a Collaboration and Get-of-Jail-Free Card if we Helped Him Secure Goblet of Rejuvenation

Silver offered,

“If you – all of you – swear to me – before God...

...that you will help me – obtain – Cain’s Goblet of Rejuvenation...

...then – I will release you,

...and – I will return your stolen gear,

Silver looked sly as he said,

“...Rick, - I know a lot – about you - and your mission.’

...I can be of help,

...I will help you – retrieve...

...the Hammer of Destruction,

...and – the Anvil of Creation.

...and yes – I know – you need those relics – to – destroy...

...the Devil’s - Crown of Bael.”

Silver Challenged Which is Better – to Help Someone You Hate to Succeed, or Fail And Not Help Them?

Silver challenged,

“Ask yourself...

...Is it better - to succeed in your quest?

...even if - you must work - with someone – you despise – and hate?

Or – is it better - to fail in your quest...

...and feel good - about your prideful - refusal to compromise....

...all so - you didn’t help - someone – that you personally hated...?

Sarah Said That We Should Agree And See Where Things Take Us – Time and Opportunity Are on Our Side

Sarah said, “Listen...

I think – that we should agree – to work with your father.

Silver is right...

...It is our Pride...

...and perhaps – admittedly – some sense of - self-preservation...

...that – is making us – reject him – instinctively.”

Sarah Suggested We Don’t Know Where the Hammer or Anvil Are - So Silver Will Help Us As Much As We Him

Sarah - further suggested ,

“If your father knows - where the Hammer and Anvil are...

...then – we would benefit – as much from his help...

...as he would - from our help.

And – if he knows – how - to get into - the Vatican’s Underground Vaults...

...that is a help – to us – too.”

Katie Reluctantly Agreed with Sarah – and said Silver Never Lied to Us – Not Once

Katie – sighed – and reluctantly said,

“I agree with Sarah. It’s not great. But it seems necessary.

And – he never knowingly lied to us ...not once.”

Bob Lamented That We Really Were Making Deals with ‘a Devil’ named Silver to Fight THE DEVIL

Bob lamented,

“Wow – we really are - making deals - with ‘a devil’ - named Silver...

...to fight - *THE DEVIL*,

Taylor Fiercely Said “HUA”

Taylor looked straight at me – into my eyes – intensely – and she said,

“HUA”.

I Agreed – Along With the G-Team – That We Would Help Silver

I agreed and said,

“Okay – we will help you.

And you will – help us.

For now – you will be loyal – and honest – and part of our team...

...if you do anything wrong to us - or to our mission...

...I will - personally – KILL YOU!

...God *KNOWS*...

...that - I - *WILL* - kill you – if you betray us.”

Silver Dismissively Said “Sure – Whatever... So We Have an Agreement – as Witnessed by Heaven and Hell”

Silver dismissively said, “Sure – whatever you say...

...The deal here – then - is this...

...we have a formal agreement – as witnessed – by Heaven and Hell...

...to help each other...

...to get - the Hammer of Destruction,

...and – the – Anvil of Creation,

...and – to get into - the Vatican Vaults – and Claim...

...the Goblet of Rejuvenation.”

Silver Pulled Out His Smart Phone and Clicked a Remote Control App – and the Cage Lasers Turned Off

Silver - put his hand - in his pocket...

...and pulled out – a Smart Phone,

...he clicked – on a remote control app...

...and – the cage lasers – turned off...

...and just like that - we were – free!

Silver Gestured that the Four Bodyguards Still There With Shotguns Trained on Us to Disengage

Silver gestured to the four bodyguards...

...who still held shotguns – trained on us...

...to disengage – and - let us go - free.

...and – they - dutifully withdrew - to the sides of the foyer – still in readiness...

...but – they lowered – their shotguns.

Rick Talking Audio File: E410 022 Silver's Airport, Beach, and Armored Cybertruck

Silver Took us in His Armored Tesla Truck to Our Airplane in 'His Airport', on 'His Beach'

Silver explained – with a wry wink,

“We can all – go together – to your plane...

...that's parked – in - *MY AIRPORT* - Silver Airlines...

...and - on - *MY BEACH*.

Just leave – the Sterling Silver Bodyguards' eJeep behind...

...you can all fit better...

...in my customized, - armored, self-charging - Tesla Cyber Truck.”

Somehow Missed an Obvious Connection – 'Silver' and 'Sterling' Were 'Tells' Who Was in Charge

Sterling Services Bodyguards...

...was equivalent – to Silver Services Bodyguards,

...or – expanded – Sterling Silver Services Bodyguards.

Silver Proudly Advertised His Ownership and Power Thru His Naming Companies After Himself

Silver – had been flaunting, taunting, and advertising – in everyone’s faces...

...his hubris and presence...

...by using – ‘silver’ – in his naming - of many things - he owned,

...like - how he - owned and operated – Sterling ‘silver’ Services Bodyguards,

...just like - he advertises – that - he owns - and operates - the airport...

...By using the name - ‘Silver Airlines’...

...and – ‘Silver Airways’.

In a weird way – it was like – Silver’s Pride – demanded...

...that he – let people know...

...that – he was - THE BIG MAN ON CAMPUS – THE BMOC,

...and that – he was - *THE MAN* - IN CHARGE.

Silver – like Narcissist - Was Compelled to Proudly Advertise His Ownership and Power – Even if Indirect

In the end...

...I guess – Silver – like a Narcissist - was compelled...

...to proudly – advertise – his ownership - and power...

...through naming - his companies - after himself – even if indirect.

We Returned to our RV Cargo Plane on the Beach in Silver’s 5-Seat Tesla Cybertruck

Well - We all - piled into - Silver’s - Tesla Cybertruck...

...which – unfortunately – had five bucket-style seats,

...With Bob, Taylor, Sarah, Katie, and Me...

...that was five people,

...Adding Silver – our driver – to the group...

...put us one seat – too few.

Katie Rode on Sarah's Lap

...And so - Katie – had to sit on Sarah's lap...

...who – was not thrilled - about it...

...but – Taylor's Glare of Rejection...

...ensured – double-sitting - with Sarah...

... was Katie's best choice.

Rick Talking Audio File: E410 023 Police Officer Heart of Gold Warning

We Arrived at Our RV Cargo Plane on the Beach – Only to Find a Police SUV Trailblazer Parked Next to It

We arrived - at our – RV Cargo Plane – on the Beach.

To our surprise – there was a police car - parked – next to – our plane.

A Lone Police Officer Emerged from the SUV and Smiled and Waved At Us

As we pulled up...

...and - a lone police officer – emerged from the police car,

...as if he knew us, - he just– casually walked - as he approached.

Silver Pulled Right Up – Next to our RV Cargo Plane – and We All Got Out to Meet the Officer

Silver pulled - the Cybertruck - right up – next to the RV Cargo Plane...

...and – he – promptly – got out of the – Cybertruck,

We – did the same – and got out - of the Cybertruck...

...and – we took our gear – both current - and our returned - stolen – gear,

Silver Approached the Police Officer with His Empty Hands Plainly Visible

Silver approached the police officer – with his empty hands – plainly visible...

...and – with his hands - nowhere near - a pocket, - a radio, - or a weapon.

Silver – called out – to the officer,

“Things are good. We're all good – here.”

The Officer Walked Towards Silver and Nodded to Him – and Proceeded to Me

The officer walked towards Silver – and nodded to him...

...clearly – expressing the officer’s subservience...

...to Silver’s Authority – as the Big Boss Crime Lord,

...and - acknowledging – Silver’s – assurance...

...that – everything – was okay.

The officer – walked - right passed Silver...

...and - he walked – straight – up to me.

The Policeman Sized Me Up – Assessing Potential Threat and Verifying My Identity

The policeman – sized me up – from top to bottom...

...he was - seemingly - assessing – my potential threat,

...and possibly – making sure...

...that - I was – who he thought - I was.

Being Confident in My Identity – The Officer Soft-Asked Rhetorically that I was Rick and We were G-Team

The officer – apparently - confident - in my identity...

...asked - rhetorically – in - an islander - accent,

“Hey, Mann!

...You are Rick Liberty, - right?

...and - This - is your G-Team, - right?”

Officer Said We're in Big Trouble – Videos of Drama and Fighting at the Irie Bar are everywhere on the Internet

The officer – continued,

“...You – be in – big trouble.

...Videos of you – from the Irie Bar – are everywhere...

...all over - the Web and Net”

...and – they – have arrest warrants...

...for your – alleged – killing...

...of local woman – Katrina Vex,

...never mind – that you are – supposedly...

...a world-level – fugitive – and terrorist.”

Officer Said We're in Big Trouble –Interpol, FBI, CIA, and Island Enforcement Are Coming

He warned,

“Many People - are after you...

...Interpol – World Police,

...U.S. FBI and CIA,

...and - Island Law Enforcement...

...they are – all – coming – to get you.”

Officer Said They Know Where You Are

The officer – said,

“They know - where you are...

...they are coming – for you.”

Policeman Said We Had a Day or As Little as Hours Before Law Enforcement Arrived

He warned,

“...You have – maybe – a day...

...or - could be – only – hours...

...before – they are here.”

Sarah Declared ‘Then Let’s Get Out of Here – Now!’

Sarah declared,

“Then – let’s - get out of here... - NOW!”

Bob Said ‘HUA’

Bob just said, “HUA’,

Katie Said ‘HUA’

Katie nodded, - and said, “HUA,”

Taylor Said “HUA”

Taylor – grinned – and said,

“Great – back in - the thick of it.

And she said, HUA!”

I Likewise Said ‘HUA’

I joined in – and likewise – said, “HUA,”

Rick Talking Audio File: E410 024 Taylor Scolds Silver That He is NOT in Charge

Silver Apparently Not Knowing What ‘HUA’ Meant – Just Said ‘Let’s Go – Already’ – ‘Move Now!’

Silver – apparently not knowing - what ‘HUA’ meant....

...just said, “Let’s go – already...

...time - is of the essence,

Silver Joked that We Don’t Need the Company – of the FBI, CIA, Interpol, St. Lucia Law Enforcement

“We don’t need the company”, he joked...

...as he barked – his decree, “Move! Now!”

I Likewise Said ‘HUA’

Taylor Looked to Silver – and said, “You are a – PASSENGER...

...BARELY – a GUEST,

...DO NOT – FOR ONE MOMENT – EVEN THINK...

...THAT YOU CAN - ORDER US - AROUND.”

She growled, “Do you - understand?”

Silver Nodded – Clearly Recognizing – One Former Military Powerhouse Versus His Bully Powerhouse Self

Silver nodded – in recognition – without saying a word...

...as he saw clearly - that Taylor was – very formidable...

...she was – potentially - an equal force – and threat...

...as he was - which – apparently - he respected...

...and – maybe – even feared.

...Silver – could tell – that – he should not offend...

...or make Taylor - into an enemy.

And so – Silver – accepted...

...that – the Former Military - Special Forces - Soldier Taylor...

...may be – more deadly – in a direct conflict...

...than – his own - Criminal Bully - Powerhouse Self.

Silver Was a Pragmatist When it Came to His Survival

Silver recognized – POWER – when he saw it...

...and – Silver knew – when - to fight - and when - not to fight...

...so – he would live on – to fight – another day.

Silver – was – apparently – a pragmatist...

...when it came to - *HIS* - survival.

Rick Talking Audio File: E410 025 Team Wanted for Murder of Katrina and Terrorism

The Officer Shared That They Want Us for the Murder of Katrina Vex as Well – Found Dead on Salted Porch

The officer shared more,

“Look, Mann!

I told you...

...They want you for murder...

...of - Katrina Vex,

...they find her – shot dead, encircled in salt,

...maybe – the salt - made – her Voodoo – not protect her,

...they say – you - are to blame – for Katrina’s death, for her murder,

...police – say – you killed Katrina – in a dark ritual,

...things - look bad – for you,

...you gotta go – get out of here – ASAP you know.”

The Officer Shared That They Want Us for the Murder of Katrina Vex as Well – Found Dead on Salted Porch

The policeman explained,

“I am helping you...

...because – I was there – on the beach – at the Irie Bar...

...I saw what happened...

...you were not - the bad guys.

...I was there – when you went to - Silver’s Estate...

...same time Katrina Vex – was killed...

...so – you could not - have done it.

...and - because – I think...

...*no one* – can have – so much – stuff – charged – against them – worldwide...

...without some – if not all – of it...

...being false – or lies.”

The Officer Admitted to Framing People and Coverups – And Thinks They Are Doing to Them

He admitted – with shame on his face,

“I know – too much – about...

...framing people – and coverups...

...I have done – enough of it – myself... I know.

I think – they are – trying...

...to blame – and frame you...

...for crimes – they did.”

The Officer Said Besides Getting Silver and Katrina Out of the Picture is Good for the People of St. Lucia

The officer concluded – by saying,

“The people - of St. Lucia – will be better off – now...

...with – both...

...Crime Lord - Silver Seaborne...

...and - Voodoo Priestess - Katrina Vex...

...out of the picture.

...It ends – okay... better for the island - and its people.”

The officer added,

“Keep Boss Silver - away from here – as long as possible...

...the people - of st. Lucia - and the Caribbean - will benefit...

...just - keep him away.” He implored.

I Thanked the Officer – Said His Trust in Us and Going Against the Authorities

I replied to the officer,

“Thank you for the faith and trust – in us...

...and – thank you – for the heads-up...

...Things have been crazy,

...We’ll get out of here... right away,

...and – we’ll try - to keep Silver busy – with us...

...far away – from the Caribbean - and from St. Lucia.”

I Again Expressed Appreciation for the Officer’s Faith and Trust in Us - Said He Has Heart of Gold

I thanked the officer - and said,

“I know we all – appreciate – your going against - the authorities...

...to warn us – of their coming.”

I concluded – as we turned to leave,

“You – sir – are - a good man...

...You have – a Heart of Gold.”

Bob Snarked ‘The Corrupt Man who Frames People and Coves Up Crimes has a Heart of Gold – Right...

Bob snarked,

“Okay...

...so – the corrupt police officer...

...who frames people...

...and – covers up – crimes...

...has – a Heart of Gold...

...Right...” Bob drifted off judgmentally.

Rick Talking Audio File: E410 026 Boarded RV Plane to Leave and Amanda Onboard

We Boarded our RV Cargo Plane and Were Greeted by Tiny and Surprisingly Amanda Was on the Plane

We boarded – our RV Cargo Plane – there on the beach...

...and – Tiny – greeted us,

...and – to our utter shock and surprise...

...Amanda – my daughter – was there – too.

Amanda Blurted Out That Interpol and The FBI Were Snooping Around St. George University – Had to Get Out

Amanda blurted out,

“Interpol – and governments....

...and the FBI and NSA...

...they’ve been – snooping around – St. George University...

...making it – impossible for me...

...to – go to school or study.

...well – details aside...

...I had - to get out of there.”

Taylor Said that Amanda Did the Right Thing – Getting out of There – Helps her and Us – Right Sacrifice

Taylor jumped in – and said,

“You did the right thing, Amanda...

...getting out of there...

...it helps you...

...stay clear – of trouble,

...and – it keeps you safe...

...by - being with us.

...and - of course – it also - helps us...

...by - having you – continue – to manage – and obfuscate...

...our money - and transactions,

...and now...

...you can - even – help us – by going on - Missions,

...and – you can help – guard – the plane – too.”

Taylor Smiled and Said She Was Happy Amanda Was Here with the Team

Taylor smiled – at Amanda – and concluded,

“It’s great you’re here...

...makes me happy.

Amanda Knew Where We Were Because of Her Handling and Obfuscating Our Finances and Transactions

Amanda responded to Taylor – and spoke,

“I knew - where you - and your plane - were...

...because – I – handled and obfuscated – all the transactions...

...to get you here – and registered – at the airport,

...not to mention – paying for – all your excursions,

...yea - it was easy – to find you here.”

Katie Smiled and Belted Out, ‘Welcome to the Team’

Katie smiled and belted out – happily,

“Welcome to the Team!

We’re thrilled to have you on board!”

Bob Complained, ‘We Don’t Have Enough Places to Sleep’

Bob Complained,

“I Don’t think – that – we have enough places...

...for everyone – to get a good, - comfortable sleep - anymore.”

I Said, “We Will Work it Out – Glad You’re Here. Amanda’

I closed it all – a bit dismissively – but reassuringly - and said,

“We will work it all out.

I am glad you’re here, Amanda.”

We All Took Our Seats – And Tiny – Made a Rapid - Taxi – and Takeoff – as We Headed to Prague

We all took our seats – for takeoff...

...and Tiny taxied the plane - to a runway,

...and – the dual prop - cargo plane - engines rumbled – and roared,

...and – vroom – we lunged forward...

...with – the wheels – and plane - shifting – and swaying – in the sand...

...as – we raced – faster – and faster...

...to – take off – from the very short – runway,

...and soon – we were in the air...

...we maintained low altitude just above the ocean and its waves...

...staying undetected - under the radar - as we left - the island.

...we were finally headed to Prague.

Bob Observed We Were in Paradise – And Now It is – Paradise Lost'

Bob observed -trying to sound - intellectually well-read, said,

“And – we were...

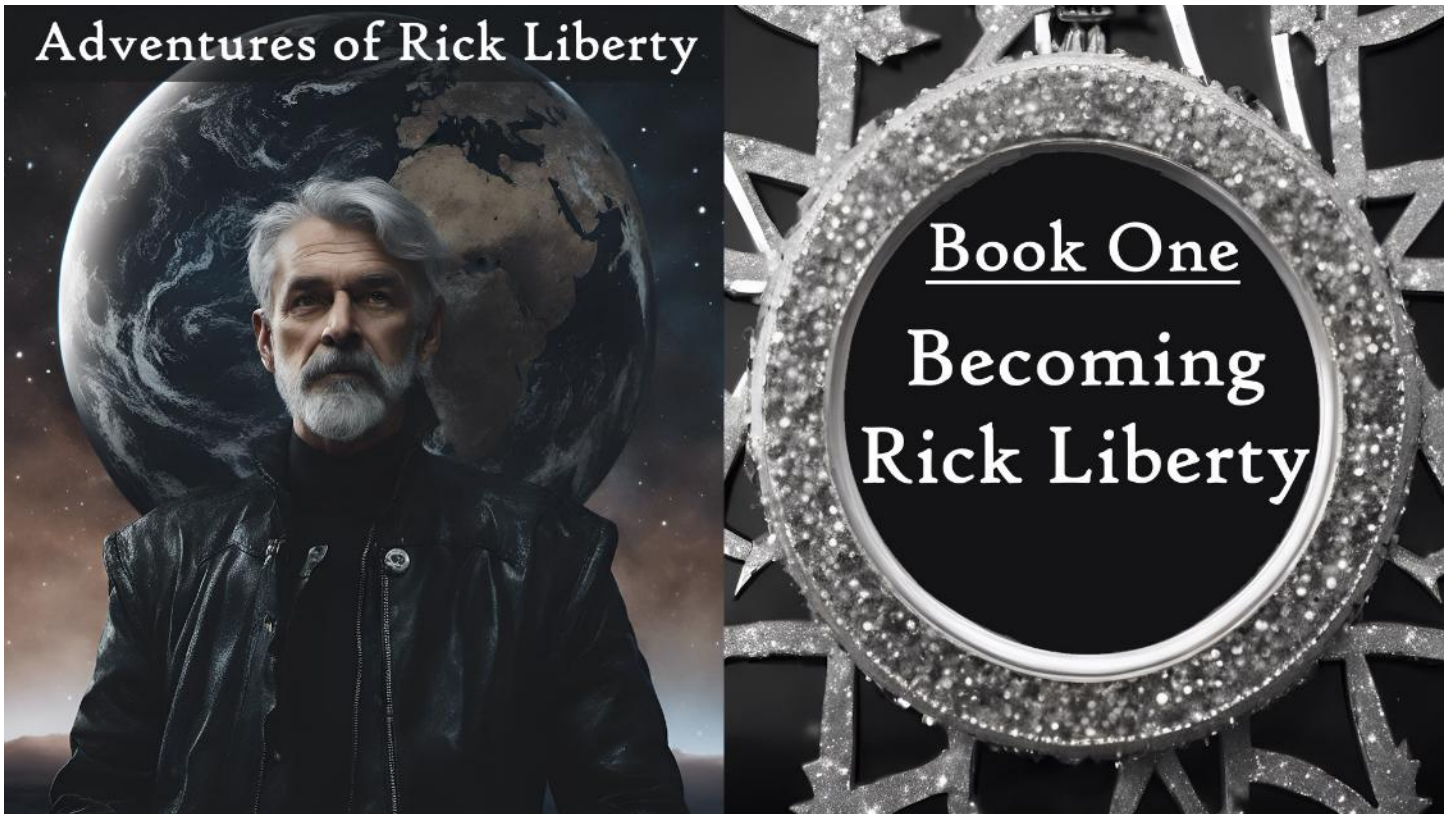

...in Paradise...

...and – now...

...we – are in...

...Paradise Lost.
