LIBERTY ZONE S1E01 MITZI BALLARD VIGILANTE HEROINE SUPERHERO:

Ode to Comatose Son Davon:

We Open In A Hospital, Bedside, to A Tween-Age Boy And His Mother:

NARRATOR:

The Scene...

...a Hospital...

...with a thin - moderately athletic - woman – in her early 30’s – with long blond hair...

...sits - teary-eyed - Bedside – to a tween-age Boy...

...the woman – the boy’s mother – cries – beside her son – in the morose hospital.

Mother – Bedside – For A Week – Fatigued – Helpless - Despairs:

NARRATOR:

The boy’s mother – was *helpless*...

...and – she felt - *hopeless*.

She was - unable - to offer aid - or anything – at all – to her son...

...who laid – comatose – before her - in the hospital bed – where she'd sat by and watched - all night...

...all night, every night – for the last week.

...ever since – her son was admitted for severe injuries, including head trauma.

Alas – the mother was – indeed – helpless...

...to help – her son.

She could - only – despair...

...and pray.

The woman...

Mitzi – had found her only solace was hoping - and - praying - there was a *God*...

...and – that *God* would help her – and her - son.

Davon's Mockery and Abuse at School in Los Angeles:

Tween Transferred from New York to Los Angeles Schools:

NARRATOR:

Let's turn to – how the young boy – was so grievously injured...

Being a new student – a mid-semester transfer student - from a New York Private School...

...into a *much* harder core - public school – in Los Angeles...

...the poor lad – found himself the target - of jeering and abuse at school.

The new student – was – an outcast...

...no one – wanted to play with him – or even – talk to him...

He felt alone – and had no friends...

...he had – no allies...

Abuse Escalated With Declarations of Racism and Violence Ensued:

NARRATOR:

Daily abuse and mockery – and petty theft – by fellow students...

...left the Tween boy – stricken with fear – and despair.

...but – he could function – despite his anxiety and worry.

Eventually, though – the boy lashed out – and – he yelled at his aggressors...

...he dared – talk back – and oppose – his bullies...

...in response – they declared him a White Racist – and beat him – all of them!

...it did not matter – that his assailants – were *ALSO* White...

...indeed – ‘racism’ - wrongly - justified assault – regardless...

The bullies pounced on Davon – held him – and pummeled him.

The boy – was small...

...he stood no chance to refute – or fight back, against – one aggressor...

...he certainly had no chance – to overcome – a group of violent assailants.

One Aggressor Was Especially Violent:

NARRATOR:

One assailant – against the boy – was – especially violent...

The apparent ‘leader’ and agitator – of the mob of kids...

...seemed to be on *a mission* - to assault - and - gravely injure - young Davon.

Davon's Beaten Comatose at School in Los Angeles:

The Tween Boy Was Beaten, His Head Smashed on the Ground at Lunch Courtyard:

NARRATOR:

As could be foreseen...

The tween boy – did not fare well...

...the group of bullies - they through the boy down – on the ground...
...and – they continued – to beat him...

...and – in their frenzied violent zeal – the most aggressive assailant - lifted the boy up...
...and then – in blind rage - smashed him – back to the ground – headfirst...

...perhaps unintended – perhaps intended...
...only God will ever – truly know...

...What happened... ..was most unfortunate...
...the poor boy's head stuck the concrete...
...cracked.

The tween boy – was left dazed – in and out of consciousness – with head injuries...
...with a cracked skull...

Davon's Fighting For Life in Coma in LA Hospital:

Here We Are – The Tween In a Coma – In a LA Hospital – With His Mother Bedside:

NARRATOR:

And so – here we are...

...the tween boy – in a coma – being treated in an LA Hospital Intensive Care Unit (in its ICU)...

...is – literally – fighting – now – for his life.

This May Seem Tragedy Enough for One Family to Bear – But There Was More:

NARRATOR:

This May Seem Tragedy Enough for One Family to Bear – But There Was More...

Family Had Just Moved to Los Angeles from New York:

NARRATOR:

Let's flash further back...

As said earlier – Mitzi and her husband, Jeremy – and her son, Davon... lived in New York...

...before –recently – moving to Los Angeles, in Southern California.

Mitzi Worked For New York Times as a Journalist:

NARRATOR:

Well...

Before Mitzi and her family – ever conceived – of leaving New York.

The tween’s mother – named Mitzi – Mitzi Ballard...

...She – worked for the New York Times Newspaper... as a journalist.

...there – in New York, at a satellite branch in The Bronx.

Mitzi’s Job With Buena Vista Home Video & Streaming Disney:

NARRATOR:

Opportunity struck – for Mitzi - and - she got a new job...

...at Disney Buena Vista Entertainment – where she would be - a Senior Producer - for Disney home video and streaming.

Mitzi was lucky!

A very close friend – of hers – had found the job for her...

...and - Mitzi – easily - aced the interview...!

They offered - a relocation package - signing bonus - and stock options...

...and – on top of that – they offered...

...a generous salary,

...planned stock grants,

...and scheduled regular bonus payouts.

Mitzi – had – a *sweet gig* of a job... at mega company Disney!

Buena Vista Home Video & Streaming Disney Located in Los Angeles, California:

NARRATOR:

But... like all ‘good things’ - there was – a catch... to that - *sweet gig of a job*...

Disney Buena Vista Entertainment – was located – in Los Angeles, California.

And so...

Mitzi and her family – as the phrase goes - from the Beverly Hillbillies TV show...

...they “Loaded Up the Truck – and Moved to Beverly... Hills, that is...”

You get the idea – Mitzi and Clan – all moved - to Los Angeles...

...to support Mitzi's new job, in Big City LA...

...where TV and Movies – were made....

...and – Mitzi – would be a Hollywood Producer...

...albeit – for home video and streaming.

Bottom-line -

Mitzi Ballard...

...with her husband - Jeremy Ballard...

...and – with her son – Davon Ballard.

...they all - uprooted their lives – to support Mitzi's new job...

...and – moved to Los Angeles.

Mitzi's Less-Than-Moral Past:

Look Backward – To Before Moving to Los Angeles:

NARRATOR:

Let's look back – *even* further – to - before Mitzi's big move – before LA...

...to *even* before – Mitzi Ballard – resigned her job at the New York Times...

...to see – what precipitated – Mitzi being open to – much less, looking...

...for a new job.

Mitzi's Book Deals And Speaking Engagements:

Mitzi's Sweet Paying Book Deals and Speaking Engagements:

NARRATOR:

Mitzi led a self-serving life – while in New York.

Some might say...

...that Mitzi - was – a very self-absorbed – greedy – shallow person.

But – her attitude and lifestyle - was paying off... for Mitzi...

...she had numerous book deals - and - speaking engagements...

...with sweet signing and release bonuses – on top of generous royalties.

Mitzi's Suppression of Facts and Helping Bad People:

Mitzi's Less-than-Moral Past:

NARRATOR:

However – Mitzi's 'opportunities' – came at a cost...

...a cost – of an occasional 'dark' *task* or *requirement*...

...like – burying evidence – or suppressing articles.

...like - misrepresenting facts – or even - calling *the truth* as misinformation.

...like – publishing political lies – to suppress opposition or help corrupt candidates.

...like – ...well - you get the idea...

...Mitzi - did a lot of bad things... to make money.

Mitzi Ballard – abused her position - as a journalist...

...to help nefarious people - do *bad things*...

...all - so she could get - lucrative book deals - and - speaking engagements.

In summary – Mitzi Ballard – had a *less-than-moral- past...

...she compromised her integrity – to make a lot of money.

Mitzi Mugged in Smash and Grab Event at Walgreens:

Rescued from Bash & Grab Mugging By Crazy Christian Lady In White Latex:

NARRATOR:

On a fateful morning – on an excursion - from work at the New York Times satellite office in The Bronx – to get coffee - and – to run some errands...

She was shopping in a Walgreens – when a throng of hoodlums – drove up onto the sidewalk...

- ...they bashed open the doors - and - dashed inside,
- ...they ransacked - and - destroyed things,
- ...they stole - all they could carry,
- ...they mugged anyone inside – clerks and patrons alike.

Mitzi Mugged in Smash and Grab Event at Walgreens:

Mitzi – was one of those patrons – that was being mugged...

...in the - Smash and Grab Event - at Walgreens.

Mitzi – was thrown to the floor by a gangster assailant...

...and - he was pulling her purse – to take it – to steal it - from her.

Rescued by Sarah in White Latex:

NARRATOR:

Mitzi was - hopeless - and - powerless – to defend herself – against the armed hoodlum...

Out of nowhere – appeared – a thin, athletic, long-haired - strawberry blond woman – wearing white latex leggings and shirt.

The woman leapt – in action – to Mitzi’s defense...

...she had an expanded Bo staff (like she planned - for conflict)...

...and - she struck - that thug on the head – apparently...

...killing him.

More gangsters surrounded the woman – and – they surrounded - Mitzi...

...but the white latex wearing woman with a Bo staff – just struck another hoodlum – in the head – felling him, too...

...and – presumably – killing him as well.

The remaining gangsters – fled...

Mitzi was saved...

...by the deadly woman in white latex.

Coffee Shop Chat:

NARRATOR:

Mitzi's Savior...

...the murderous strawberry blond lady...

...took Mitzi to a nearby Starbucks Coffee Shop – to talk.

Mitzi's rescuer – declared “she was on a mission for God”...

...and – therefore – was justified in her actions...

...and – therefore - there should be no police involved...

...after all - the thugs were dead.

The crazy lady - directed Mitzi - to cease investigating her current assignment...

...to stop investigating - the Mafia.

She asserted that “though complicated... her *Mission for God*...

...required – that Mitzi stop investigating - and - reporting - on the Mafia...”

Coffee Shop Threatened:

NARRATOR:

Mitzi felt - It was absurd...

...some lady appears out of nowhere – and rescues Mitzi from a Smash & Grab mugging,

... and – she murdered – two people in doing so...

...yet – she walks away – demanding that the police should not be called, or involved.

... and, now – the lethal woman – demands Mitzi stop doing her job.

It was absurd!

...

Well... Mitzi refused to halt her work...

...which resulted in...

Mitzi's Rescuer – threatening Mitzi...

...that she would expose - Mitzi's affair with a New York District Attorney (DA)...

...and – if necessary – even - *kill* Mitzi.

UNLESS Mitzi - resigned her job - at the New York Times - and - Left New York...

...Mitzi's affair would be public...

...and Mitzi would be killed – at some random moment in the future...

Mitzi, Jeremy, and Davon Fly from New York to Los Angeles:

NARRATOR:

Mitzi had seen - swift and callous murder – by this *very deadly, woman*...

Seemingly – with no alternative – Mitzi agreed - to resign her job - and – to leave New York.

Affair Lover District Attorney Got Mitzi the Job at Disney Buena Vista Entertainment:

NARRATOR:

It was that very District Attorney – Mitzi’s Affair’s Lover – whom she cheated on her husband with...

...who found her the job - at Disney Buena Vista Entertainment – as a Senior Producer.

One might wonder – why it was – that Mitzi’s secret lover – found her job – on the opposite side of the country...

...nearly three thousand miles away...?

To answer that question – is simple...

...Mitzi disclosed her encounter with the murderous woman...

...and – of the deadly woman’s blackmail and threat to Mitzi’s life.

...Concerned for Mitzi’s well-being – the DA found Mitzi a job...

...*Far, Far* Away...

Mitzi's Cheating Affair Photos Exposed to Husband Jeremy when in Los Angeles:

NARRATOR:

Unfortunately – Mitzi’s past – did not stay behind – in New York... despite her moving to

Indeed – her past – followed her – all the way – to Los Angeles.

Someone – that *had it in* for Mitzi – had photographs...

...photos – bad pics – of Mitzi - and the District Attorney (the DA) – in carnal acts of sin.

Many of those *dirty images* – were emailed – to Mitzi and her Husband’s email accounts...

...Repeatedly.

Yea – Mitzi and her husband - each received over a DOZEN emails – each, with many images -attached to them...

...all pictures – of Mitzi *cheating* on her husband...!

How Might Husband Jeremy React to Cheating Wife Mitzi:

NARRATOR:

One might imagine – how Jeremy Ballard – Mitzi’s husband – would react - to such explicit photos - and proof - of his wife’s infidelity...

One might project – that Mitzi’s Husband - would be furious – and angry...

...arguably, justifiably upset – because his wife – had deceived and cheated on him...

...*and* – she dragged he and his son – across the country – possibly – because of – her affair...

Ode to Heart Attack Victim Husband Jeremy:

NARRATOR:

Well...

We may never know – in fact – what Jeremy - was *feeling* emotionally – in that moment...

...because – he suffered - a major heart attack – and died – in that moment... ..alone, betrayed...

...his heart tightened – and wrenched – as he stared at his computer screen...

...as he looked horrified - at those nasty photos of infidelity and betrayal...

...Jeremy Ballard - died – right there, right then... in the moment...

...slumping – and struggling to hold himself up...

He could – only see - the photos – of his cheating, betraying wife – Mitzi Ballard.

...Jeremy – was dead – on the floor...

...Jeremy’s last thoughts and images – would be – of his deceitful, cheating wife.

Back to the Hospital – Mitzi Lost Everything But Her Corrupt Money and New Disney Job Money:

NARRATOR:

So – here we are – in a Los Angeles Hospital.

Mitzi Ballard’s son – Davon – in a coma – fighting for his life...

...because of a senseless - random schoolyard beating.

Mitzi Ballard’s husband – had died - only two weeks earlier.

Mitzi Ballard’s Friends and parents – were far away – on the other side of the country... in New York.

Mitzi – was – alone...

Mitzi Lost Everything But Her Corrupt Money and New Disney Job Money:

NARRATOR:

Mitzi Ballard – had lost everything...

...except – for her money.

She – still - had a lot of money – from her previous corrupt life...

...and – from her – sweet *cushy* new job - at Disney.

Mitzi Had No Path Forward:

The Schoolyard Violent Kids were Pawns to Gangs of LA – Per Police:

NARRATOR:

But – no money or job – can offset the nightmares Mitzi had been stricken with...

Mitzi Ballard – was despairing...

She - had no path – to restoring her life...

...she had no path – to bring her husband back – from the dead,

...she had no path – to save her son – from his coma – and – from, maybe dying...

...she had no path – to even lance her own wounds - of sorrow - and of loss...

Mitzi Ballard – had no path... at least – not a path, forward.

Police Directed “Let it Go, and Grieve” – It Was Gang Related:

The Schoolyard Violent Kids were Pawns to Gangs of LA – Per Police:

NARRATOR:

Let's reflect on the situation – from afar...

The “System” was powerless – as well – to help either her husband or son...

...the “System” – its police – informed Mitzi that...

...the kids on the schoolyard were just pawns – to gangs.

... the kids were...

...drug runners and distributors...

...thieves and vandals... ...and worse...

...and – messengers of threat and extortion...

... and – they even – shot and killed people – albeit, allegedly - rarely...

The Police directed Mitzi...

...to drop her concerns or blame – of the children, or the school, or the city...

...to drop her concerns or blame – of anyone...

...to embrace – her son's injury was 'random' and 'unfortunate'...

...but – nothing can be done...

...so - *drop it* - and *move on*...

Mitzi struggled - *immensely* - with the idea – that she just *accept* her son was beaten into a coma - and - potentially to death...

...and carry on...

...like – it was daily fare...

...too bad – it was Mitzi's son turn – to take the lottery blow – of assault.

Mitzi Ballard Felt Alone – With Money – and Seethed – Dreamed of Vengeance:

NARRATOR:

Mitzi Ballard – felt *alone*...

She seethed within – her blood boiled - in muted rage...

...she had no way – to vent – the fury – that was building up - within her...

...Mitzi – was – a volcano – rumbling – as if – near to eruption.

Mitzi questioned - how could this happen to her!?

And – how could such wickedness happen to her family!?

In despair – and needing – some way to externalize her internal tormenting Hell...

...Mitzi turned to dark thoughts...

...she wanted – to exact revenge - on those that hurt her son...

...she wanted – vengeance... ...to *inflict* justice...

...against the *gangs* - behind the children’s corruption and violence - at school...

...that rendered her son comatose, near-death...

Mitzi Ballard Conceived ‘She Could be a Crazy Heroine Like that White Latex Woman:

NARRATOR:

Mitzi Ballard – had an Epiphone...

She remembered – that crazy white latex-wearing heroine – that sent Mitzi down this hellish trek - from New York – to Los Angeles...

...where her husband died... (albeit – after seeing photos of Mitzi’s infidelity) ...
...and, maybe – her son - would die – too... ...after being put – in a coma.

That nutjob killer woman – exacted immediate punishment – and - justice...

...she, even - killed two hoodlums.
...and – she got away with it...!
...in fact – that woman delivered *justice* - as she saw it – without doubt or remorse.
...that woman – proved – it was possible to – take justice – into your own hands.

...and, face no consequences for – being a vigilante.

Mitzi Ballard – conceived...

...that – maybe - she, too – could become a ‘heroine’ – and seek ‘justice’ - against those scumbags...
...that put her son – in a coma...

...and – better yet – she could - *inflict* justice – on all involved in her son’s being put into a near-death, coma...

Mitzi Ballard Decided That She Would Become a Vigilante Heroine – Like The White Latex Heroine:

NARRATOR:

Mitzi Ballard Decided That She *Would* Become a Vigilante Heroine – Like the White Latex Heroine.

And – Mitzi *would* - avenge her son’s abuse and potential demise.

Mitzi Ballard would transform herself into a Vigilante Heroine Superhero...

Mitzi Ballard Visited Her Son Morning, Noon, and Night:

Mitzi Decided She Would Become a Vigilante Heroine – Like the Latex Heroine:

NARRATOR:

Mitzi’s son – Davon – remained in a coma – for a very, very long time...

Mitzi – was vigilant – and she religiously saw her son – every morning and evening – and daytime if possible.

In-between...

...Mitzi worked - as a Senior Producer - at Disney’s Home Video and Streaming group.

...Mitzi trained – in self-defense – and - with pistols, knives, batons, and clubs.

...she found handguns - 'Felt Natural' – to her.

...she practiced a lot – using pistols.

...She found a – freedom – and a passion – in the *power* of guns.

...Every time Mitzi squeezed the trigger – she felt – alive...

...Each shot – each expelled shell – filled her with adrenaline – and thrill...

...Although it alarmed her – Mitzi Ballard - *LOVED GUNS*...

...They made her feel *in control* - and not *afraid*...

...she did not realize – how guns – somehow – made her feel – less anxious...

...Guns made Mitzi - *feel* - she could – steer the ship – for the first time – in her life...

Mitzi – enjoyed – her time – training – and practicing...

She even went out to remote areas – to fire...

...so she could shoot - outside of the safety – of gun ranges...

With Confidence Growing – Mitzi Went Out On Late Night Prowls:

NARRATOR:

With Confidence Growing, Mitzi Went Out On Late Night Prowls...

She was armed – ready to fight – if something happened....

...but – she expected – nothing would happen... ...she was not looking for trouble... yet.

...during her prowls - Mitzi tried out – different – disguises – and costumes...

Mitzi – did not want to be identified – when she was being a *vigilante* after all...

...and – she imagined – looking intimidating – might help – her scare others and have an edge – in a conflict.

...and – she would look cool – a badass.

Her “costumes” included hoods, capes, shawls, and – of course – masks...

Mitzi – seemed to have a perverse interest – in dressing herself – like a superhero Barbie Doll...

Wearing costumes – somehow – distanced Mitzi – for the reality – that she would be – on the razor's edge – of life and death – insane adventure...

...in the name of Justice – and REVENGE!

Mitzi Life Was Full – With Only Three Things In Her Life:

Mitzi's life was remarkable *FULL* - for being so simple... ..with only three things in her life...

...Mitzi – did nothing else – at all.

...she trained, she worked, and she cared for her son.

...That - *WAS* - her life...

...all – so she could transform into a Superhero Vigilante and Avenge her Son...!

...the Watcher Messengers – both Succubi & Angels – are – involved – in – everything...

...so – they can observe – and report on – what they see – going on – in the world – they are living in...
