4. Old Business

- **COVID-19 / Monkey Pox Update**

- **LEPC Exercises – Plan for 2022-2024 Exercise Cycle**

- **HazMat training**

The next class is this Saturday, January 14, at SW Pickaway Fire. It will be an operations level class. Additional classes are being scheduled

- **County HazMat Plan – Submitted for Review**

SERC concurrence/approval of our hazmat plan was given at the December SERC meeting. Through the process of completing the review a few areas were identified, mainly in the threat/hazard analysis, that could be more fully developed. Our work on pre-incident planning will be useful in updating this section of our plan.

5. New Business

- **Tier II Reporting Facilities / Compliance Inspections / Pre-Incident Planning**

We have completed the pre-incident plan for Rader Oil and Wells Group. These have been reviewed. We are continuing to work on plans for the other facilities.

- **NWS Training**

National Weather Service Wilmington is here to help us understand their capabilities for plume dispersion modeling during a hazmat incident.

- **Spill Responses**

No incidents since the October meeting.

- **Cost Recovery**

Pic-A-Fay JFD and Pickaway Township FD have both been reimbursed for their costs from the incidents we discussed previously. No new incidents have been submitted for cost recovery.

- **Training Lunch**

Chief Peart requested money from the LEPC to pay for lunch for the HazMat Operations class being conducted at SW Pickaway JFD on Saturday, January 14. Need a motion for reimbursement up to \$200 for food for the class participants.

Discussion:

- **Red Cross Updates**

John Eckleberry will provide an update on Red Cross services in Pickaway County.

- **Public Outreach and Education**

We need to put together a group to begin putting together a schedule of messages for 2023 about chemical emergency preparedness.

- **Round Table Discussion**
