remove the ball(s) from competition could result in forfeiture of games.

RULES UPDATES FOR THE 2022-23 BOWLING SEASON:

Due to the Covid - 19 Pandemic of 2020, USBC had made modifications to the rules. Isopropyl Rubbing Alcohol only was allowed for cleaning bowling balls during competition. Starting August 1st, 2022, no liquid cleaners, not even Rubbing Alcohol will be allowed during competitions.

Rule 18 – Bowling Ball - Altering Surface

While bowling in USBC competition, a bowling ball cannot:

- a. Have the surface altered by the use of an abrasive.
- b. Be cleaned with any liquid substance or cleaning agent.
- c. Have any foreign material on it including, but not limited to, powder, rosin, marker or paint.

All bowling balls so altered or cleaned must be removed from the competition.

Note: Should a foreign substance appear on the outer surface of a bowling ball which cannot be removed with a dry towel, an approved cleaner may be used with consent from a league or tournament officer.

Therefore, if a bowler uses an abrasive or cleaner and wipes other than rubbing alcohol on the outer surface to clean the ball(s), then the bowling ball(s) would have to be removed from competition. Failure to

NOTE: If it is shown the bowler had prior knowledge his/her actions were in violation of Rule 18, the game(s) in which the violation occurred is (are) subject to forfeiture.

Effective 8/1/2020 ALL balance holes must be plugged in any bowling balls used in sanctioned competitions.

Any bowler who does not use their thumb inside the thumb hole CANNOT have a THUMB hole in their ball at all, only gripping holes (thumb or fingers) that are used for every throw are allowed. A plus or X (X or +) mark is to be inscribed in the center of the span, where the bowler's palm lays. Please see your local Pro Shop for any additional information.
