**Due to USBC eliminating the 700 Series as an award several years ago, it has become very difficult to track 700's for the ladies. We have a spot on the local awards form to record all 700 series. This is NOT a USBC award, just for use by Lafayette USBC. This is needed to have for historical record keeping, and to have for each years Bowler of the Year Award. Please make sure these get turned in every time. It is very much appreciated.**
