

BEST SELLER NOVEL

101 WAYS
TO
ATTRACT
MONEY
VOLUME 1

DANITA HARRIS

What is the mental picture you have for yourself? Your life? How do you want others to perceive you? Having a clear picture of what you want to look like, sound like, be like, what you want out of life, and how you'd like others to know you starts with you.

Being authentic to yourself, your skills and your abilities will catapult into another atmosphere.

Your energy is everything. Attracting the right ideas, people, and opportunities into your life, begins with what you're will to do for yourself. How hard you're ready and willing to work, and what you're willing to invest into. Learning to sift through the noise will serve you well as you tap into your unlimited potential.

As you read this ebook, start painting mental pictures of yourself. Spend time in meditation about who you were designed to be and how to manifest it. There will be provision for the vision.

Seeing is believing. So when you see it, put it down on paper, lay it out in visuals on a board; say it to yourself aloud every morning. Be thankful and have patience.

Allow the universe to respond to your needs. Understand that it takes some time to change poor behaviors and habits that are detracting from your positive moves towards success.

You have the right to live the type of life you desire. You are responsible for making it happen. You can do it!
