As many of you know, my family and I recently suffered a tragic loss with the passing of my son, Taha. For me, I have had to consider the well-being of my family, my faith, and the needs of the Rockdale County Community as part of my decision about moving forward with the campaign.

I remain deeply concerned with the increase in taxes, unwanted development, crime, litter and the failure of the current chairman to develop a deep and sustainable commercial tax base for the citizens of this community. However, I cannot ignore the fact that my family and I simply need time to heal and grieve the loss of my son. It is for this reason I have decided to withdraw from the race. I hope each and every one of you understand that this has not been an easy decision for me. I have spent many years working, learning, observing, and supporting my adopted and beloved community in Rockdale.

Please pray for me and my family as we seek to regain our

footing during this difficult time.

In the future when the time is right, and my family and I are in a better place emotionally, I will consider returning to the political arena to assist Rockdale in any way I can.

May blessings be upon each and every one of you.

Muddessar Ahmad
