District Deputy Grand Master's Message

I am honoured to have received the trust and support from our district in providing me the privilege of representing our Grand Master and St Lawrence District. Thank you for your confidence, and I look forward to working with you throughout our year.

Our district has a combination of passionate new masons and seasoned veterans. This mixture of curiosity and wisdom can only support growth and success. In considering themes for this term, I was struck by the values, ideals, and practices in the tradition of the Lewis Mason. The Lewis Jewel that many of us wear recognizes the multigenerational presence of masonry in our lives and community. It also represents the need for a collaboration of efforts to succeed in a singular goal. Throughout this term, I hope to revisit the merit in cooperation between young and mature masons to affect our true potential for productivity and success within our district and Craft.

The 2024-25 District Project is Senior Support Services. As we consider the work of the Lewis Mason, it fell upon him to aid and support the previous generation with tasks that may have become difficult. This charity supports senior services throughout our region, and I hope you too see value in supporting its contributions to our senior citizens' comfort and dignity.

Again, thank you for your trust and support. I look forward to sharing the year with you and benefiting from advice or ideas to enhance our masonic community.

Fraternal regards,
R.W. Bro. Robert Miller
