District Deputy Grand Master's Message

The past several years have had an extraordinary impact on both our society and the Craft. The fundamental changes introduced by the pandemic are profound, not only in our country, but the world itself. The disruption to our Craft was not unnoticed either and we as brethren must adapt to ensure that the rich legacy handed down to us continues well into the future. Traditionally, change in masonry has been at a glacial pace, but we face an existential moment where we all must be able to adapt quickly to the new realities of our aging demographics, buildings and social change in a world of instant information and gratification. It is my hope that with the support of the next generation of leadership at Grand Lodge and our District, that we as brethren can meet this challenge. I look forward to working with the brethren of St. Lawrence District to answer this call and also answer the question, "what can I do to improve myself and support the Craft today and into the future?"

R.W. Bro. David G. Wilkins
