The Fire Safety (Building and Pipeline Fire Safety) Regulations

Revocation of fire certificate

27. The Commissioner may revoke any fire certificate where there is -

- (a) a breach of any of the terms and conditions of the certificate;
- (b) any misrepresentation of a material fact in the application for the fire certificate or accompanying plans or documents upon the basis of which the certificate was issued or renewed; or
- (c) knowledge that the fire hazards within the building or part thereof, for which the fire certificate was issued or renewed, have increased without adequate fire safety measures being taken to the satisfaction of the Commissioner.
