

The LIGHT Intake & Assessment Unit provides a one-stop shop to access the services of Baltimore Housing and Community Development's Division of Homeownership & Housing Preservation. You can apply for any of the three grant and loan programs listed below with a single LIGHT Pre-application.

When you do, you'll be screened for more than sixty other programs and benefits offered by public and nonprofit agencies. Then, a LIGHT case manager will help connect you to and coordinate the services for which you are eligible, and which match your needs.

Service Eligibility Requirements

WEATHERIZATION

Energy-efficiency improvements that lower utility bills and make homes safer and more comfortable.

Note: Feel free to attach additional documents (photos, contractor estimates, violation notices, etc.) that will help us better understand your home repair concerns.

Important to Know

- This is a pre-application only. We will use the information on this form to get a general idea of which home repair programs you may be eligible for.
- If we think you may be eligible for a particular program, we will request that you submit a full application and supporting documents for that program. Once you send us this information, We will send it to the program, which will review it and determine if you are eligible.
- Some of our programs have waiting lists. We will notify you if you are placed on a waiting list.
- Some programs provide assistance as a grant, while others offer forgivable or deferred loans. These loans do not require a monthly payment, but do involve a lien placed on your home. A forgivable loan is forgiven after five years if you live in your home as your primary residence during that time. A deferred loan is due back to the City when you sell your home. It is paid from the profit of the sale.

Are you open to considering a forgivable or deferred loan if grants are not available? **Yes** **No**
