Bulk Trash

Bulk trash and white goods (large appliance) collections will resume on Saturday, Oct. 2, 2021, on a modified schedule. Residents can call 311 starting Sept. 17, 2021, to schedule a collection date. DPW thanks residents for their patience as the Department expects to work through the large number of requests, as bulk trash removal services had previously been suspended since 2020.

How To Get Bulk Items Collected

Every month, Baltimoreans can place up to three items out for collection. One day per month is set aside for this collection. All citizens have to do is call 311 and tell us:

1. **Your address**
2. **Your telephone #**
3. **What 3 items**

Call us three (3) or more working days before your scheduled date. If you do not know your day, please call 311 or schedule your collection using [311 Online](#).

What is bulk?

Bulk items are furniture, appliances and up to 4 tires with the rims removed. All items must be clearly marked "bulk collection," and placed at the same location as regular trash pickup. Residents with a rear pickup should leave items at the end of the yard and leave the gate unlocked.

The following will NOT be collected

Building materials such as sheet rock, siding, wood pieces or roofing.

Where and how should it be placed?

All items should be placed at the same location as regular trash. If you have a rear collection for trash, clearly mark all items and place them at the end of the yard and leave the gate unlocked.

If you have a problem

For all Solid Waste concerns, please call 311 or access [311 online](#).
