

Leaf Collection: Oct. 25- Jan. 3

Monday, October 25, 2021 - 8:30am to Monday, January 3, 2022 - 4:30pm

Public Works Events

Leaf collection season starts Monday, Oct. 25 and ends Monday, Jan. 3. There are two ways to have your bagged leaves collected by DPW:

Weekly trash pick-up: Bagged leaves are collected on regularly scheduled trash collection days. DPW solid waste crews collect up to 5 bags of leaves from each address every week.

By Appointment: Bagged leaves, up to 20 bags, will be collected by appointment on Mondays, during the leaf collection season, Oct. 25 – Jan. 3

Please call 311 before 6 p.m. on Sunday to arrange a leaf collection for the following Monday. Residents may schedule multiple appointments for up to two months prior to the pick-up date. Multiple appointments may be scheduled until all of your bagged leaves are collected.
