## Building Blocks Learning Center, Inc. BuildingBlocksPA.com

Included on the reverse side is the registration form for the 2018-2019 school year. Below please find descriptions of the classes being offered at Hilltown next year for your information. Registration for children and siblings of children already in our program begins in December and continues until all classes are full. Enrollment opens to the public on January 2nd on a first come basis. Enrollment is confirmed in writing after a registration form is received with the appropriate fee. Please note that returning families need only to submit their forms and registration fees; for your convenience, May 2019 deposits are not due until March 1, 2018. Families with more than one child should deduct 10% of the tuition for the younger child to the nearest dollar. Apply only one \$75 registration fee per family.

## **Class Descriptions:**

- **Step 1** (2 1/2 to 3 yrs old) This class is designed to be a child's first school experience. The class is small, exposing children to stories, songs, finger plays, art, and fine/gross motor skill activities. The emphasis is on social skills and building good school habits. Letters and numbers are gently introduced. Children are not required to be potty trained.

  Tuesday / Thursday 9:00 11:45 a.m.
- Step 2 (more mature 3 yr. olds, who will turn 4 during the school year) This program is slightly more structured. Exposure to numbers and letters is emphasized, as well as appropriate social interaction. Good school habits are reinforced and fine motor skills sharpened. Name writing is introduced and practiced. Daily activities include art, music and play. Children are required to be potty trained.

  Monday / Wednesday / Friday 9:00 11:45 a.m.
- **3 Day Pre K** (4 yr. olds eligible for Kindergarten the following year) This structured program is aimed at developing full Kindergarten readiness. Children continue to practice both visual and sound recognition of the alphabet and develop a deeper understanding of mathematical concepts. Included in this literature-rich curriculum are small and large motor activities, music experiences and expression through art.
