

November

Building Blocks Learning Center **2018**

1530 Augsburg Drive & Hilltown Pike, Hilltown

(215)822-1744

cfrancescangeli@bblcinc.com

November - the month of swirling leaves, early sunsets, turkey feathers, the smell of pumpkin pie and giving thanks for our many blessings! Just like the little squirrels in our playground we will be very busy this month!

Mother Nature provides an abundance to explore in our classes this month of November. We'll experiment with the sights, sounds, tastes and smells of fall. We'll discuss healthy food and how the right ones help us grow big and strong. We'll also learn about the Native Americans who taught the Pilgrims how to plant and grow things here in the New World. All of our discussions and projects lead up to the ultimate feast - Thanksgiving. Once again, we'll have our annual mini feast - BBLC style!

Each of our children will cordially invite "someone special" to join their class for our Thanksgiving celebration. This could be grandparents, a relative, special neighbor or parent to take part in our program of songs, holiday craft and delicious feast. The children always eagerly look forward to hosting this event. The Step 1 class will host their feast on Thursday, November 15th at 10:30. Step 2 and Pre K classes will have their feasts on Monday, November 19th. Step 2 will celebrate at 10:30 and Pre K will have their feast at 1:45. Look for invitations to come home shortly.

Spooktacular Pumpkins

With the arrival of each pumpkin masterpiece our annual pumpkin patch took on a holiday glow! What a perfect backdrop for our Halloween festivities! How proud each child was, when he or she arrived with their creations! We say it every year, but **"this year was the best pumpkin patch ever!"**

Scholastic Books!

Thank you for your continued participation in our Scholastic Book Clubs. Several flyers will come home this month and next in anticipation of the holidays. Many include great

selections for holiday gift giving. Should you want to order any items and stash them for under the tree, send a note with your order and we will gladly get them to you without your child's knowledge!

Registration

Believe it or not, but November is the month that we begin to assess our needs for next year. Inquiries about our school begin to come in and we set up tours between now and the end of the year for families interested in attending our school. Our BBLC families have always been our best sources of advertising, so, if you know of a family that is looking for a preschool for next fall, please invite them to give us a call and schedule a visit. Our own families will be able to register current students, as well as siblings, for next year, in December. Open seats will be available to the public in January. **A survey will be sent home this month asking about your needs regarding classes. There will also be a section that invites you to comment and/or make suggestions. We would appreciate your input, as it will provide us with information that we can use to evaluate your needs for the future. We ask that you return it promptly.**

DONATION OF THE MONTH

We were positively overwhelmed by your generosity to us last month. We are blessed with such thoughtful families. In keeping with this time of the year we offer humble thanks and ask for no donations this month.

Congratulations to **Gabriel Lipp** - Step 1, **Emmitt Baldelli** - Step 2 and **Auggie Millinghausen**- Pre K, who were our lucky winners for October!

Election Day

This is a reminder that Building Blocks Learning Center **will be open on November 6th**, Election Day. Step 1 and Enrichment Pre K students should attend as usual.

Parent-Teacher Conferences

Information will be coming home to Pre K parents for the scheduling of fall conferences. Conferences will be held on Tuesday, November 20th from 12:30 to 2:30 and

Wednesday, November 21st from 9:00 to 11:30. To accommodate this, there will be no classes for our Step 2 and Pre K children Wednesday, 11/21st. Kindly return your conference form by Monday, November 12th. No official conferences are set up for Step 1 and Step 2 children, unless specifically requested by the teacher or parent. This can be arranged at any time, should the need arises.

Tips from the Top Lunch Bunch sessions are going well! We do ask that you include 2 napkins in your child's lunch. We teach them to use one as a placemat and one to wipe sticky hands and mouths.

Part of the responsibility of our preschoolers is to take folders out of their backpacks and to put any worksheets or small projects they complete into their folders each day. This proves difficult if their folders contain many papers and projects from previous days. Please empty your child's folder after each session to make it easier for them to do their little job.

Thanksgiving Holidays

BBLC will be closed from Wednesday, November 21-26. Classes will resume on Tuesday, November 27. Enjoy great holiday family together time! The staff of BBLC wishes you a Happy Thanksgiving! We are ever grateful for our wonderful families who share their most precious blessings, their children, with us!

November Reminders:

- Nov. 5-6 Scholastic Book orders due
- Nov. 8-9 Thanksgiving Feast invitation responses due
