March

Out!

2020

Building Blocks Learning Center

1530 Augsburg Drive & Hilltown Pike, Hilltown

215-822-1744

cfrancescangeli@bbbcinc.com

The ever unpredictable month of March dishes up its own "mix of madness" here at Building Blocks. As March roars in "like a lion", we'll celebrate the birthday of that eternally popular author, Dr. Seuss. On March 2nd & 3rd we'll observe "Read Across America" day and enjoy Seuss favorites. There's nothing like a silly Dr. Seuss book to chase the winter blues away!

He's baaack!!! That wee little leprechaun makes his yearly visit, which usually means "mischief"! Beware of his tricks! We're sure you'll be entertained by tales of his antics in our classroom in the week leading up to **St. Patrick's Day**. As usual, the children are determined to trap him and make off with his gold!

Taking that groundhog's prediction to heart, we'll be searching for signs of spring while investigating our **Weather** theme this month. We'll try keeping track of "lion and lamb" days right up until that long awaited - first day of **spring**! With any leprechaun luck we will soon be enjoying lots of playground time!

Registration for 2020-2021 School Year

If you haven't done so yet, please complete your registration for the 2020-21 school year. The **March 1st deadline** for completing this registration is just around the corner. There are only a few Step 1 and 2 spots available. If you know of anyone who may be interested, please give a call.

February Donation of the Month Winners:

Step 1: Keira

Step 2: Kelsey

Pre K: Zoe

March Madness Lunch Bunch

Check out the flyer for our special lunches for Step 2 and Pre K lunchers beginning on March 9th. Lunch begins at **11:30** to be followed by a special themed event - Dance Fever. It would help us out if you would remember to include **2 napkins** in your child's lunchbox. We're teaching them to set up their lunches using one napkin as a placemat and one to wipe hands and mouths. **Regular lunch** continues on **Fridays for Pre K** during a March Madness Lunch Weeks. Look for our flyer that gives dates and details about our themes.

Chick Hatching Project

Each year our school participates in a Chick Hatching Project. This much anticipated event is in conjunction with our theme of Baby Animals. On March 24th one dozen fertilized eggs will arrive from the farm. For the next 2 weeks each class will take turns caring for them and experience the excitement of watching new life begin.

Family Chicks

To commemorate our "chick experience", each family will receive a large paper chick to decorate this month. Let your chick reflect something fun about your child or family. We've been visited by an "eggcellent" variety of creative ideas in the past - everything from Spiderman Chick and Frozen Chick, to chicks dressed as cowboys and hula girls! Start "scrambling" for your ideas and return your chicks to welcome our eggs by **March 19th - 20th**, the first days of spring!

Community Outreach Project

Each year Building Blocks Learning Center participates in one community service project. It's the perfect opportunity to teach our little ones how important it is to lend a helping hand to others. For this year our project will benefit families seeking help at **A Woman's Place**. We ask each child to help you select one or more non-perishable food items from the grocery store to bring in to school. Within reason, let him/her choose something that they think a child would like to eat. This could be a favorite cereal, Mac 'n Cheese, fruit snacks, peanut butter & jelly, pasta, etc. We want the children to feel a part of the process. Items may be sent in from **March 1st through March 11th** . The donations will

be picked up on the 12th and delivered to **A Woman's Place** to help the women and children who find temporary sanctuary there. Thanks in advance for your generosity. A flyer will come home in folders to remind you of dates for this project. This will also take the place of our Donation of the Month for March.

Summer Camp Weeks

The answer is "Yes!" We are planning to offer two weeks of camp activities for our Step 2 and Pre K children again this year. Camps will run from May 27 -29 and June 3-5 from 9:00 a.m. to 12:00 p.m. A flyer with themes and more information will come home in April.

Step 1 Evening Program

Step 1 Families, mark your calendars for **March 23rd**! It's our Annual **Step 1 Pajama Party Evening**. Moms, Dads and Step 1 children are invited to spend an evening at school in their PJ's doing all the fun things that make a pajama party a "rockin' good time"! A special invitation with directives will be coming home soon.
