

# THE BBLC SCOOP

BUILDING BLOCKS LEARNING CENTER- HILLTOWN  
MONTHLY NEWSLETTER

## *Fabulous Fall*

We're ready for fall! Bring on the crisp, cool air, the spectacular colors, and the swish and rustle of the falling leaves!

The first month of school is behind us. Our little ones are learning to feel secure in their school environment and have adapted, quite well, to the rhythm of our days! Meeting new friends, exploring the playground, trying out and sharing the toys in their classroom are all lessons that we have concentrated on during the month of September.

Our October school themes will take on a seasonal nature. We'll dance with the falling leaves as the vibrant colors of the season surround us. We'll explore farm life as we dream about hayrides and pumpkin patches! It all leads up to that seasonal favorite- **Halloween!** Once we mention the word, our children's imaginations will swirl with possibilities, as they try to decide just who they will become by month's end!

## WHIMSICAL WELCOME

BBLC students and families were treated to a surprise when they pulled in the driveway for their first school day! **"The Sign Gypsy"**, our own Step 2 mom, Amy Busa, created a special welcome for all of our classes. The children were delighted and parents were able to grab some great photo opportunities for their child's first day milestone. Many thanks, Amy, for your goodness to us!

## FIRE PREVENTION WEEK

On **October 8th & 9th**, our devoted **Hilltown Volunteer Fire Co.** will visit our school and speak to the children about fire safety. Children will learn how fire fighters dress to protect themselves and keep us safe during a fire. The fire engine will be here for inspection and the fire fighters will demonstrate how to use the equipment, especially that fire hose!

## DONATION OF THE MONTH

Our staff was overwhelmed by the generosity of our families in September! Many thanks for all of the necessities that you were gracious enough to send in for our school. Our randomly chosen winners for September will receive a new Scholastic book! Enjoy!

Step 1- Hunter French

Step 2 - Bruce Gehret

Pre K - Logan Rotunno

With fall sniffles not far off, this month, if you can help us out, our need is **TISSUES**.

## Trunks & Trinkets

It's coming!! BBLC's new twist on an old traditional celebration of Halloween for our students. We're calling this new, safe way to have a *howling good time*, **Trunks and Trinkets!** A note will be sent home in everyone's folder this month with all the details.

## The BBLC Pumpkin Patch

*Have you been dreaming of the Great Pumpkin? Well, it's time to dream up a "spooktakular" idea for this year's family pumpkin. The school garden is almost ready and waiting to be transformed into the BBLC Pumpkin Patch. Watch for our flyer.*

## October Dates to Remember
