BUILDING BLOCKS LEARNING CENTER'S MONTHLY NEWSLETTER

*February*

This month we'll be seeing **RED!** Little **red** valentines will be everywhere as we celebrate friendships in school. We'll also learn that **red** brings luck as we explore Chinese New Year this month! Let's not forget the ol' "**Red**, White & Blue", either, as we give our country's famous Presidents a nod, too!

Whew! Could we squeeze in any more? Sure, because it's Dental Health Month and we love to talk "teeth"! February tiptoes in with that cute little groundhog, but we wrap up this busy month with a week dedicated to our favorite topic ever --

**Dinosaurs!** They're not red, but we'll take 'em!
