

THE BBLC SCOOP

Issue 5 January 2021

BUILDING BLOCKS LEARNING CENTER - HILLTOWN
MONTHLY NEWSLETTER

Registration 2021

Thank you to those who have already sent in their registration forms. Any checks for fees or tuition deposits, sent in December, will be deposited this month.

If you haven't sent in your registration form, and plan to join us next year, please let me know as soon as possible. Pre K, especially, is a sought after class and fills up quickly. BBLC families need only send in the registration fee. As a courtesy, the May deposit will not be due until March 1st.

This month our available seats for next year open up to the public. If you know of anyone who might be interested in BBLC, please have them give us a call to schedule a visit. We'd love to introduce our school to them!

Happy New Year!

Happy 2021 to all of our Building Blocks families! We hope your holidays were filled with lots of fun and family time!

We are so grateful to you for all of the thoughtful and generous gestures and comments that you extended to us this holiday season. We also appreciate all of the delicious goodies that were donated for our class holiday celebrations. We truly missed having family and friends join us this year, but it was a small price to pay for a healthy and safe holiday.

With the hectic days of the holiday behind us, we look forward to getting the children back into their school routine. January provides us with many interesting topics to explore! We'll kick off the New Year with the wonders of winter – weather exploration, frozen fun and arctic animals. The beginning of the New Year is also a great time to examine the things that keep us healthy- the right foods and good exercise habits! Throw in a week of Transportation Fun and the month is complete!

DONATION OF THE MONTH

Our need, going into the new year, is any kind of

ANTIBACTERIAL WIPES.

So helpful in keeping every little thing sanitized between classes.

Thank you for your continued attention to and support of our safety protocols for returning to school. Please err on the side of caution, if your family has traveled or participated in holiday gatherings this season outside of your own household.

Remember that masks and safe social distancing practices are our weapons in our fight to prevent the virus spread.

SNOW...

It's that time of year!

It's probably a given that we'll experience more snowy days in the coming months. Just a reminder: if Pennridge School district is closed, we are also closed. If there is a one hour delay, BBLC will be delayed one hour. If there is a two hour delay, BBLC morning class will be delayed only one hour, opening at 10:00 a.m. (with morning extended to 12:00) and afternoon Pre K will begin on time. If we come to school and the weather turns stormy, consult the computer/radio/TV for early dismissal announcements. In this case we will also try to contact you via email!

January Dates:

"WHEN WHAT TO MY
WONDERING EYES SHOULD
APPEAR. . ."

To the delight of our Step 1 children, Santa and a few elves surprised us with a drive-by wave on their way to load up the sleigh!
