The unpredictable month of March dishes up its own “mix of madness” here at Building Blocks. As the month roars in “like a lion”, we’ll celebrate the birthday of that eternally popular author, Dr. Seuss. On March 2nd & 3rd we’ll observe “Read Across America” day and enjoy Seuss favorites. There’s nothing like a silly Dr. Seuss book to chase the winter blues away!

He’s baaaack!!! That wee little leprechaun makes his yearly visit, which usually means “mischief”! Beware of his tricks! We’re sure you’ll be entertained by tales of his antics in our classroom in the week leading up to **St. Patrick’s Day**. As usual, the children are determined to trap him and make off with his gold!

We’ll be searching for signs of spring while investigating our **Weather** theme this month. We’ll try keeping track of “lion and lamb” days right up until that long awaited – first day of **SPRING**! With any leprechaun luck we will soon be enjoying lots of playground time!

Registration for 2022-2023 School Year

March 1st deadline for submitting your 2022-2023 registration deposit, is just around the corner. We have a handful of seats available in our Step One program, if you know of any families that would like to join our crew – please me know! Thank you!

February Donation of the Month Winners:

Step 1: PARKER & ELLIE **Step 2:** MAX & AIDEN **Pre K:** BRADLEY & PEYTON

Because of your generous donations, we are able to breeze through the month of March without needing a thing! Thank you!!!!

Chick Hatching Project

Each year our school participates in a Chick Hatching Project. This much anticipated event is in conjunction with our Spring Excitement and Baby Animal themes. On March 22nd one dozen fertilized eggs will arrive from the farm. Each class will take turns caring for the eggs and watching for that first 'CRACK'!! The excitement of watching new life begin is an experience we LOVE to give our students! We're sure you'll be getting daily updates on the progress of eggs and then of course...THE CHICKS!!! Which brings me to my next point – if anyone would like to add to their brood of chicks or possibly start with a few layers...please let me know soon. The chicks will be available April 1st – Just in time for Easter!! ☺

Family Chicks

To commemorate our “chick experience”, each family will receive a large paper chick to decorate this month. Let your chick reflect something fun about your child or family. We've been visited by an “eggcellent” variety of creative ideas in the past – everything from Spiderman Chick and Frozen Chick, to chicks dressed as cowboys and hula girls! Start “scrambling” for your ideas and return your chicks to welcome our eggs **by March 14th & 15th**.

Summer Camp Week

“Yes!” We will be offering a 4-day Camp week.....ALOHA style! Camp will run from Monday, June 6th – 9th, 9am-12noon. A brochure will be in the backpacks soon with all the details! All kiddos that are independently potty-trained are welcome! Hope to see you there!

Step One – Pajama Evening Program

Step 1 Families, mark your calendars for Thursday, March 31st - It's our Annual **Step 1 Pajama Party Evening**. One parent and your Step One children are invited to spend an evening at school in their PJ's, doing all the fun things that make a pajama party a "rockin good time"! An invitation and information will be coming home in the next few weeks!

And speaking of Step One...we'd like to give a warm and friendly 'Welcome' to our new Friend – Jay Buckwalter! He will be joining our Step One bunch on March 1st! Welcome Jay and the Buckwalter Family!! We know you're going to love it here!!
