Feeling the LOVE...

We will be celebrating Valentine's Day at school with "love-ly" classroom parties (for the children only) and the oh-so-exciting distribution of Valentine cards (purchased/prepared at home)! Trinkets and store-bought edible treats attached to cards are fine. Each class will be making festive card holders and children will be distributing the cards themselves. For preschool classes, we ask that the "To" portion be kept blank so that children can go around the classroom circle and easily give out "One for you and one for you and one for you". Parents may help children write their names in the "From" portion as appropriate. Kindergartners will have different directions, as their skills are a bit more advanced. All cards should come to school in a labeled Ziploc the week before the holiday. Check classroom calendars and teachers' emailed blurbs for more details. **Don't forget to wear your Valentine RED AND PINK!!**

Donation Item of the Month...aerosol cans of disinfectant

Thanks for all the tissue boxes! We will use every one! Congratulations to Maeve in Kndg, as she is the lucky winner of our January drawing! During the month of February, we will be collecting aerosol cans of disinfectant (Lysol or store brands are fine). As you know, we thoroughly disinfect toys and classroom spaces/materials daily, and go through plenty of cleaner! We are so appreciative of all donations!

Reminder about Held Seats...

If your child's seat for next school year is being held with an \$85 registration fee, the May 2024 tuition deposit is due by **March 1**. Reminders will be sent soon. If you've had a change in plans, and your child will not be returning next school year, please let me know ASAP. Kindly make note of this due date to avoid disappointment, and make me aware of any special financial circumstances.

Car Line Woes...

Kindly remind all who transport your child that our car line starts in the parking lot. We are getting reports of some cars not being knowledgeable/respectful of the line and how it operates. Also, stopping your car directly in front of the arrival/dismissal door is not helpful. Please pull all the way up to the designated spot. This helps us fit as many cars as possible in our driveway.

General Tax Notes:

- Our EIN # is **23-2435162**, for those who need it for tax purposes.
- To calculate total tuition payment for 2022, multiply this school year's monthly payment by four (September to December) and add to 5 times (January to May) last school year's monthly payment, if your child was in school.

E-A-G-L-E-S Spirit Day

On Friday, February 10th, let's dress in our **EAGLES GREEN** and cheer on our local team! We'll have a special football-themed snack that day to add to the fun! If the EAGLES are not your fave, feel free to dress in any team shirt you like!
