CLASS DESCRIPTIONS:

Step One--For two and a half to young three year olds. This class is designed to be a child's first school experience. The classes are small, exposing children to stories, songs, fingerplays, art media, and fine/gross motor skill activities. The emphasis is on social skills and building good school habits. Letters, numbers, and age-appropriate themes are gently introduced. Children are **not required** to be potty trained for this class.

Step Two--For more mature three year olds who turn four by August 31, 2021. Exposure to numbers and letters is emphasized, as well as appropriate social interactions. Good school habits are reinforced and small motor skills are sharpened. Name writing is introduced and practiced. Daily activities include art, music, and play. Children must be **independently** potty trained for this and all future programs.

3-Day Pre-K--For children four years old, and eligible for Kindergarten the following year. This program is aimed at developing full Kindergarten readiness. Letter and number formation and recognition are practiced, along with phonics. Math concepts including counting, number sense, and estimation are covered. Fun with art, music, and play are included in this program, as well as fine and gross motor skill activities.

5-Day Pre-K--For children four years old and eligible for Kindergarten the following year, or for the child in need of another year of pre-school before entering Kindergarten. This program covers the kindergarten readiness curriculum of the 3-Day Pre-K, with additional class time for emphasis on the social sciences, cooking, Scholastic News, science experiments, and current events.

Kindergarten--Our Kindergarten curriculum accommodates first grade expectations. With a small class size, individualized instruction is afforded. Pre-reading and reading skills are taught using a variety of strategies. Math skills include number sense, operations, time, and money. Physical Education, Music, and Spanish are taught by separate teachers. Public speaking is practiced and children also enjoy fine and gross motor play, creative expression, and science/social studies exploration. Central Bucks residents may be eligible for district transportation. Afternoon enrichment may be available as a companion to AM public school programs, if space is available.

Requests for classroom placement MUST be in writing, and are always considered, but cannot be guaranteed. The school will do its best. You may request placement with ONE friend (if deemed age appropriate by the Director). BOTH FRIENDS MUST REQUEST EACH OTHER, otherwise, the request may not be honored. Requests for a specific teacher are no longer accepted. If you wish to make a friend request, please note it here:
