Feeling the LOVE...

On February 12/13, we will be celebrating Valentine's Day at school with "love-ly" classroom parties (for the children only) and the oh-so-exciting distribution of Valentine cards (purchased/prepared at home)! Trinkets and store-bought edible treats attached to cards are welcome. Each class will be making festive card holders and children will be distributing the cards themselves. For preschool classes, we ask that the "To" portion be kept blank so that children can go around the classroom circle and easily give out "One for you and one for you and one for you". Parents may help children write their names in the "From" portion as appropriate. Kindergartners will have different directions, as their skills may be a bit more advanced. All cards should come to school in a labeled Ziploc a few days before the holiday. Check classroom calendars and teachers' emailed blurbs for more details. **Don't forget to wear your Valentine RED AND PINK!!**

Donation Item of the Month...plastic zippy bags in all sizes

Thanks for all the disinfecting products! We are so appreciative of all donations! Congratulations to Finn in St. 2, as he is the lucky winner of the January Drawing. For the month of February, we will be collecting boxes of zippy bags in all sizes—from large two gallon to tiny snack size, we use resealable bags for a wide variety of purposes. Store brands are great!
