Holiday Happenings...

To celebrate the winter holidays, we have a variety of festive happenings scheduled! Step One classes will hold super-fun Holiday Hullabalooos where one active adult is invited per student. All other classes will participate in very special Holiday Sings where we will have a seating capacity of three chairs per student. **RED** info sheets have already arrived home in folders. We've got two separate Holiday Shows planned, so be sure to note your child's time. Children will go home with you after each event. If you volunteered to send in ingredients for our Edible Snowman craft, those reminders will come home shortly.

Thank You...

A sincere thank you for your overwhelming response to our Baby Drive. Many little ones will be cozy and warm this winter, thanks to all of you! Your generosity humbles us...

Snow, Ice, and Sleet...Oh, my!

In the event of inclement weather, we will consider the conditions of the local roads and our campus and will aim to make the safest decision for our school families and staff. We may delay one or two hours, or close for the day. Our status will be communicated via text and email. Please be on the lookout for any weather-related announcements. Know that we use Central Bucks School

District's decision as a guide, but the status of BBLC may not always match that of CB. It is not our regular policy to make up missed days due to inclement weather.

May We Have Your Card?

If you can spare one, we would love to include your holiday picture card in our hallway display! Simply send one in your child's folder--we'd love to post it for everyone to see!

Registration for the 2026-2027 school year...

Completed preschool registration forms can be sent back in folders, starting on Monday, 12/1. Early Bird Drive Thru (mainly for Full Day PreK, as the demand is high) will take place on Sun 11/30 from 7pm to 8pm. Info sheets, along with registration and emergency contact forms, came home previously for your review. Avoid potential disappointment and let me know of any questions or if you are in need of any additional forms. Remember that only the \$85 Registration Fee (cash or check) is due at time of registration for currently-enrolled families. The May 2027 tuition deposit may be deferred until March 1, if desired. Forms are processed in the order received. **Kindly note that all registration checks will be deposited in mid-JANUARY.**

Toys For Tots...

Please consider participating in BBLC's Annual Toys For Tots holiday collection. December 8 through December 12, we will be collecting new, unwrapped toys. This is another wonderful opportunity for our students to learn about the importance of helping others who may not be as fortunate as themselves. **BLUE** info sheets have already gone home in folders. Our Donation Item of the Month will again be suspended in December, in favor of our Toys for Tots Drive.

Driveway Loop Woes...

We've got some BUMPS in the road... We need your help with the smooth operation of our driveway—it all works wonderfully when everyone does the right thing! I have received a number of complaints about cars not following the procedure properly. Here's what I'm hearing and witnessing for myself:

***CUTTING IN LINE:** Some cars are bypassing the parking lot and turning into the back driveway directly from Church Street. This means you are “cutting” off the other families who are waiting respectfully in line in the lot.

*** UNRESTRAINED CHILDREN:** Children need to be buckled in car seats until cars come to a complete stop. Allowing children to ride unrestrained is simply endangering their safety.

***HANGING OFF INTO THE STREET:** If your car cannot completely fit into the back driveway, please wait. We have recently received a community complaint about this.

***BACKING OUT OF THE DRIVEWAY:** If you are last in line within the driveway, please do not back out onto Church Street as a quick exit. The driveway is a one-way.

If you are unsure as to how to navigate the driveway loop, please ask! If you witness another car not following proper procedure, consider alerting me. It may just be that the other car is unaware of the guidelines and needs a little clarification. Thank you so very much for your attention.

Lunch Bunch Reminders...

All items, INCLUDING your child's beverage, need to fit inside of the lunchbox. Please do not pack thermoses separately. Also, cutting grapes in half greatly helps to keep my blood pressure in check. Even though your child may be a pro at eating whole grapes; we are always on high alert for choking hazards!

Thanks so much for your attention and continued support. A merry, healthy, and joyous holiday season to our wonderful families! We wish you all good things in 2026!

Michele

Important Dates...

December 5—Yay for Yoga!

December 8 thru 12--Toys for Tots Collection

December 12—Hot Lunch Friday for Kindergarten
