A row of six cartoon gnomes, each holding a different Thanksgiving-themed item. From left to right: the first gnome has a red and white striped hat and holds a cornucopia of corn; the second has a brown and white plaid hat and holds a mug of coffee with a heart; the third has a brown hat with a sunflower and holds a pumpkin; the fourth has an orange hat with a yellow bow and holds a roasted turkey; the fifth has a green hat with a white diamond pattern and holds a slice of pie; the sixth has an orange and white striped hat and holds a bowl of soup. The text 'Happy Thanksgiving' is written above them in a mix of black and red fonts. There are also several small, colorful autumn leaves scattered around the gnomes.
