

Utility Series Wet/Dry Vacuum

The **Crusader Utility Series Vacuums** are highly maneuverable and are designed to handle the toughest jobs in almost any environment. These vacuums are built for years of trouble free service at an affordable price to meet your budget. This vacuum comes equipped with a wet/dry universal filter bag but for finer dry particles we recommend the following proper filters (4049 coated bag, 4031 filter protector, 4013 disposable paper bag).
