Large-Scale Environmental
Art & Commercial Murals

Shaun McDugal

Creative Project Director

Exceptional Detail. Professional Installation.

Specialization: Large-scale artwork, photo-realistic portraits, and semi-realistic landscape installations.
Logistics: Fully equipped for high-access work (Lift Capable and Panel Install).
Process: We provide digital mockups for client approval prior to installation, ensuring design satisfaction.
Compliance: Fully insured and committed to professional site safety and cleanliness.

*Project: Sand Bay Boathouse
Scale: 15ft x 6ft*

*Style: Semi-Realism Landscape
Application: Large-scale Mural*

Project: Water & Lightning

Scale: 15' x 10'

Style: High-Fidelity Realism

Application: Detailed mural for high-end hospitality or corporate environments.

In Action

Style: Semi-Realistic Nature

Scale: 5.5ft x 28ft

Application: Creating immersive, large-scale mural atmosphere.

Consultation & Mockup: We translate your brand/design vision into a digital scale mockup.

*Professional Execution: Safe, efficient installation using industry-standard equipment.
Project Handover: Clean site turnover and final walkthrough.*
