

Dear Guests,

With our social responsibility in mind and in response to the new restrictions by the state/ Federal Government and following CDC recommendations we will be making the following adjustments to our operation:

- We will be open regular hours- Lunch and Dinner
 - We seat guest but will remove some tables to make adequate adjustments to allow safe distancing. Please understand we might not be able to accommodate everyone even when there is an open table since we need space in between.
 - We take pride that we serve Fresh quality food, We will be working with reduced inventory to assure and continue freshness of our products
 - We will be offering delivery service by our management team and Curbside Delivery: please use our website to see the menu.

Please be kind and patient to one another. We hope you and your loved ones are safe during these times.

Thank you for your support!

Cynthia and Wendell Ordonez- Chef/ Sommelier Proprietors.
