This is an **all ages and abilities event**. This is both a great opportunity for faster skaters to have a competitive training session and younger skaters to have a fun introduction to racing and instruction on relays. Skaters will be grouped by ability.

Approx Schedule:

4pm Athlete meeting, briefing and group assignment

4:50pm HELP WITH PADS

5:15-8pm Relay racing

Expect 3 groups divided based on speed with varying relay distances and group changes.
