

Prompt Pay Discount

Patients without insurance can take advantage of substantial discounts by paying your bill within 30 days from your time of service.

Discounts range from 12% - 15% depending on method of payment.

You must pay your balance within 30 days from date of service, and complete a prompt pay agreement to receive your discount.

Payment Contract

If you have a balance, and need to pay over time, please refer to the balance/payment table below. All payment plans must be set up by calling our extended business office at 855-484-1299.

Account Balance	Payment Amount
\$250 and below	\$50 per month*
\$250-\$2,500	10% of the total every month*
\$2,500 and above	\$250 per month**

* Minimum payment is \$50.00 per month

** Minimum payment \$250.00 for balances of \$2500.00 and above

The above payment options require the patient or guarantor to sign a payment agreement with Hot Springs Health (HSH). Accounts that are determined to be past due, can and will be turned over to an outside collection agency for collection. If you should find yourself in a position where a late payment is unavoidable, please call the business office at 855-484-1299 as soon as possible to avoid collection action.
