Dear Darnell-Cookman Supporter,

Thank you for your generous donation and contribution to Darnell-Cookman Parent Teacher Student Association (PTSA). Darnell-Cookman School of the Medical Arts (DC SoMA) is a unique learning environment for some of the best and brightest students in Jacksonville, Florida. We are the only college preparatory magnet school dedicated to the health sciences in Duval County. DC SoMA has earned an “A” grade from the Florida Board of Education since 1999. We are ranked #22 in the Washington Post’s list of “Most Rigorous High Schools”. We are very proud of our 100% high school graduation rate for the last five years and our 97% college acceptance rate. In addition to academic excellence, DC SoMA offers competitive middle school sports, participation in visual and performance arts, and numerous clubs and volunteer opportunities. Our student body is comprised of approximately, 1,100 students in grades 6 – 12 with 78% minority and 41% economically disadvantaged students. Your charitable donation will support the academic and social enrichment activities, athletics programs, and school beautification efforts. Our success would be impossible without the generous donations of our community business partners. Darnell-Cookman PTSA is a 501 (c) 3 not for profit educational organization and all charitable donations are tax deductible. Our EIN is 59-3330788 for your tax documentation. Thank you for your support and making a difference in our school and community.

Sincerely,

*Phyliss Nicole Taylor, MD*
