

Screening the world.

The Deuce dual-sliding patio screen is precision engineered for exceptional style and lasting performance.

The Deuce logo graphic consists of two stylized, arrow-like shapes pointing towards each other, one in yellow and one in blue, positioned above the word "Deuce".
The Deuce

Dual-Sliding Patio Screen System.

DualPatio Screen System

RiteScreen is renowned internationally for its innovation and design, especially where form and function are concerned. The Deuce dual-sliding patio screen is precision engineered with exceptional style and lasting performance in mind. This dual-action sliding patio screen system is available with your favorite RiteScreen patio screen frame.

Dual Patio Screen

- The Deuce is an excellent dual-sliding patio screen system that is smooth and easy to operate
- The perfect, dual-sliding patio screen option for double French In-Swing doors
