

A place where we build better tomorrows for displaced children in Los Angeles County

Dear Generous Contributors and Friends,

We are fast approaching the most magical time of the year, and we want to invite you to be part of a truly extraordinary event - our 5th annual Winter Wonderland! This enchanting gathering, hosted by Fostering UNITY, is dedicated to bringing joy, wonder, and warmth to the lives of youth experiencing foster care and their foster families across the greater Los Angeles area.

In a world often marked by instability and uncertainty, these young souls have faced challenges that many of us can scarcely comprehend. The Winter Wonderland event is a chance to remind them of the magic that life holds, and to create cherished memories that will last a lifetime. It's an opportunity to give them a day where they are the center of attention, surrounded by love, laughter, and the festive spirit that embodies this season.

For these young hearts, this event represents more than just a day of celebration; it's a day of empowerment, of proving to them that they are valued, seen, and deserving of every bit of happiness.
