

A place where we build better tomorrows for displaced children in Los Angeles County

Community Outreach and Development Intern- Remote

Fostering UNITY will improve outcomes for children in foster care through child-centered family strengthening programs, enhanced community partnerships, and intentional caregiver support.

Job description:

Outreach and Fundraising efforts.

Interact with our members in our Private Facebook group daily, and other platform such as Instagram and Twitter. Like, comment, and share.

Posting relevant resources to our social media accounts daily.

Conduct research to learn more about all aspects of foster care.

Create a project and implement by end of term, that's meaningful to the intern.

Attend staff meetings.

Participate or conduct at least one support group a week.

Work directly with foster parents and transitional aged youth.

Set up and events hosted by Fostering UNITY (currently virtual).

Short term and long term internship available.

Compensation:

Academic credit, reference letter and freedom to create and implement an organizationally aligned project for your own portfolio.

To Apply:

Submit resume and cover letter to joyce@fosteringunity.org.
