Academic Support for Students in Foster Care

LACOE Foster Youth Services Coordinating Program (FYSCP) helps connect students in foster care that need additional academic support with tutoring resources.

The 2020-2021 foster youth tutoring online referral submission is currently active. Please submit all online referrals through our FYS tutoring site (see reverse side for instructions). Students will receive **up to 20 hours** of in-home, one-on-one tutoring each school year.
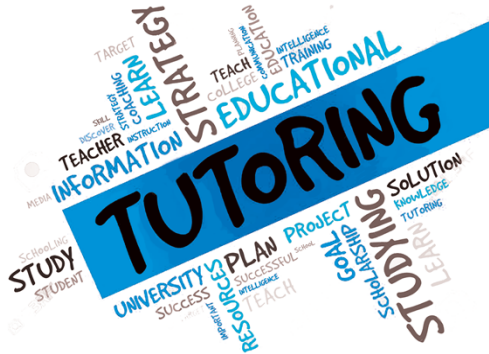

Required Information

Before you begin, the following information is required to submit a tutoring referral:

- Court Status - **Foster**, Open Juvenile Dependency (WIC 300), **Probation** - Open Delinquency (WIC 602), **Both** - Dual Supervision, or Non-Minor Dependent
- Caregiver Contact Information
- LA County Department of Children and Family Services office name and CSW (Children's Social Worker) and/or LA County Probation PO (Probation Officer) information
- Placement Type and if applicable, group home or foster family agency name
- Student Information (name, birth date, gender, grade level and courses)

*Requests for higher-level courses require proof of coursework prior to services being provided

Not having the required or correct information may delay the processing of your referral.

If you have any questions or concerns, please contact us.
