Dear Friends,

With the holidays fast approaching, we are asking that you consider **Fostering UNITY** in your holiday donation plans so that together, we can bring the magic of the holidays to youth in foster care and their foster families at our annual Winter Wonderland event.

Fostering UNITY is a mission-driven, 501(c)(3) nonprofit that serves foster parents, caregivers, and displaced children (foster children) in the greater Los Angeles area. We achieve our mission of building better tomorrows for youth in out-of-home care through direct client services such as connection to, training and family strengthening, mentorship, community events, and purposeful placement connections. Fostering UNITY prioritizes real-time support and caregiver needs so that youth in foster care can experience a safe and healthy home to heal and grow despite the traumatic experiences that led them to foster care.

Our Winter Wonderland event is a magical drive-thru holiday event for the entire foster community where families can experience the joy of the holidays. This year it will be held the evening of December 10, 2022 at the extraordinary Heritage House in Acton that's surrounded by 10 beautiful acres. Each family begins their journey down Candy Cane Lane where the ground is covered in fresh snow that glistens from the surrounding Christmas lights and music fills the air from the Christmas Choir singalong. To make the event even more special, we feature The Grinch, Buddy the Elf, Mr. Snowman, and an array of volunteers filled with the holiday spirit. When children pass through Santa's Workshop, Santa Clause hands them a wrapped age-appropriate present selected just for them! The goal is to give the children a warm, positive, and magical memory of the holidays so that they know they are cared for. The Winter Wonderland event truly spreads a feeling that is visceral to all, as children's worries dissipate and are replaced with feelings of hope and love.

We humbly ask that you consider donating to Winter Wonderland in order to support foster children so they can step outside their world of uncertainty and into a world filled with joy and generosity. We will gladly accept monetary and/or in-kind donations from both individuals and organizations. You can donate directly by completing the attached form, visiting [the donation page on our website](#), or sending an email to joyce@fosteringunity.org to let us know how you or your organization are able to help. We also invite you and/or your organization to volunteer during the event or even host a table. The potential to help is endless!

Every donation matters and will be recognized at the Winter Wonderland event. Remember, the foster child you support today will become a strong influence in your community tomorrow. Not everyone is called to be a foster parent, but everyone can support a child in foster care.

Fondly,

Dorothy Daniels
