2022 INHEALTH PROFESSIONAL SERVICES – CPC COURSE

Professional Certification Coders Workshop

OVERVIEW OF CPC COURSE

- Prepares students to take the CPC examination
- Review the ICD-10 Principals and Doc Rules
- Make evaluation and management coding, auditing easy
- Improve understanding and selection of modifiers
- Code and audit surgical notes more effectively
- Learn the correct coding principles for all specialties
- Ensure proper coding for your surgery, radiology, pathology, and medicine services

PROFESSIONAL FEE

A discounted fee of \$595.00 includes our three-day workshop, our Certified Coding Workbook, 100's of sample test question and an audio file for the entire class. If you desire to take the CPC certification exam after our course, there is an additional fee for membership and the examination.
