

**Field Trips and Fundraisers**

We are pleased that you have chosen College Drive Christian School for your child’s education. In addition to a quality academic education, we have a variety of school sponsored activities and programs. Your involvement is important for your child to develop a sense of belonging to the school and create a sense of ownership. Participation by you and your child creates a sense of teamwork and strengthens the bond between family and school. For us there is nothing more important than your child’s character development.

The school board strongly urges families to be involved in all school functions and fundraisers. Since fundraisers are used to pay for field trips, participation in at least **3 school activities and/or fundraisers for a minimum of 1 hour** will be refunded the \$25 field trip fee, which will be applied to tuition.
