Technology Acceptable Use Policy

As a Christian school we encourage our students to present a positive impression of God, church, school, family, and personal character. We understand that wherever our students and staff are they represent not only College Drive Christian School but Jesus Christ. At College Drive Christian School, we provide educational opportunities and learning for today and tomorrow, through the implementation and use of technology. With this opportunity also comes a responsibility to act in a responsible and ethical manner for the benefit of the entire student body.

College Drive Christian school is committed to the effective and safe use of technology and the school blocks internet access to inappropriate and questionable internet sites. This Technology Acceptable Use Policy is to ensure students are making appropriate and ethical use of technology within the classroom.

DEFINITIONS

Chatroom - an area on the Internet or other computer network where users can communicate.

Copyright Laws - protection of the ownership and usage rights for creative works including works of art, written word, and media.

Computer Virus - malicious software program loaded onto a user's computer that performs malicious actions.

Cyber Bullying - bullying that takes place over digital devices like cell phones, computers, and tablets, through SMS, Text, and apps, or online in social media or gaming where people can view or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, mean content about someone else, or sharing personal or private information about someone else causing embarrassment or humiliation.

Download - computer is receiving data from the Internet such as web pages, images, and files.

Social Media - websites and applications that enable users to create and share content or to participate in social networking such as Facebook, Instagram, Twitter, Tik Tok, Snapchat, Tumblr.

Tablets - a mobile device typically with a touchscreen such as an iPod, Kindle Fire, Nook, Galaxy Tab.

Upload – sending data from a computer to the Internet include sending email, posting photos on a social media site, and using a webcam.

ACCEPTABLE USE

- I will use the computers and tablets only to do schoolwork.
- I will use the Internet only in ways the teacher has approved.
- I will be polite and considerate when I use the computer.
- I will follow copyright laws and give appropriate credit to sources and internet sites as needed for content. If in doubt I will ask the supervising teacher or adult for specific guidance in these matters
- If I have or see a problem, I will not try to fix it myself, but I will tell the teacher.
- My teacher may look at my work to be sure that I am following these rules, and if I am not, there will be consequences which may include not being able to use the computer.

UNACCEPTABLE USE

- I will not store, save, or download material that is not related to my schoolwork and without the expressed permission of the teacher.
- I will not give my password to anyone else, and I will not ask for or use anyone else's password.
- I will not put on the computer my address or telephone number, or any other personal information about myself or anyone else.
- I will not log into social media accounts or chat rooms on College Drive Christian School computers and devices.
- I will not use social media to humiliate or threaten other students, teachers, or staff even when I am not on school grounds.
- I will not take photos, videos, or audio record another student, teacher, or staff member and upload or link them without my teacher's permission.
- I will not bring any software or other unauthorized computer related materials into the school setting.
- I will not play games that a teacher has not approved or use games or other electronic resources that have objectionable content or that engage me in an inappropriate activity.
- I will not try to see, send, or upload anything that says and/or shows obscene language, pornography, or violence.
- I will not try to see, send, or upload anything that is harassing, insulting, or attacking anyone's race, religion, or gender.
- I will not damage the computer or anyone else's work willfully or as a result of inappropriate behavior. This includes the uploading or creation of computer viruses, taking food or drink near computers, and not following teacher direction carefully so as not to harm the equipment.
- I will not waste or take supplies, such as paper, printer ink, cartridges, or flash drives.
- I will not disrupt the learning environment of any class whether it is in a physical or online setting.
- I know that the conduct that is forbidden in school is also forbidden when I use computers outside of school if it interferes with other students' education, and if I break the rules there will be consequences in school.

CONSEQUENCES

For major offenses students will meet with the principal and any damages incurred are the responsibility of the student and/or parents. The following steps will be taken for students who do not comply with the Technology Acceptable Use Policy:

1. Written Warning
2. Parent/Teacher Conference
3. Loss of technology use for one or more weeks
4. Appear before the school board
5. Suspension
6. Suspension with possible expulsion

STUDENT AND PARENT TECHNOLOGY ACCEPTABLE USE AGREEMENT

I, _____ (student name) understand that technology is a privilege not a right and if I do not follow the acceptable use policy there will be appropriate consequences to protect myself and the whole student body.
