

CANDIDATE STATEMENT FOR CHAIR OF THE BOARD
VENTURA COUNTY TAXPAYERS FOUNDATION
BILL FRANK

Bill Frank, nominee for Foundation Chairperson

I'm honored to be nominated for the Chairperson position of the Ventura County Taxpayers Foundation.

I've completed my first year on the VCTF board. During that time, I've worked closely with Ryan Grau, the Executive Director, members of the Foundation Board, and members of the Ventura County Taxpayers Association board members.

Prior to joining the VCTF Board, I served for ten years on the Editorial Board of Venturans for Responsible and Efficient Government, an organization tracking the transparency and fiscal responsibility of the City of Ventura.

I believe in a separation between the Ventura County Taxpayers Foundation and the Association. The primary role of the Foundation is education, information, and enlightenment. The Association's mission is advocacy.

I believe I can lead the team of board members, the Executive Director (and any future staff we add), and the volunteers of the Foundation. I'm asking your support to move the Foundation forward to meet our goals.
