ALL ABOUT THE PROGRAMME

Personality is the sum of ways in which an individual reacts and interacts with others Or Personality is generally defined as the deeply ingrained and relatively enduring patterns of thought, feeling and behaviour. In fact, when one refers to personality, it generally implies to all what is unique about an individual, the characteristics that makes one stand out in a crowd. This Personality Development Program ensures that the participants gain in confidence and competence in some of the key personality components, which grooms effective Leadership qualities.
