Sports Field Management Association Conference and Grant Application

The Sports Field Management Association Conference and Exhibition is held annually in January. The conference's goal is to allow members to share information with other successful members of the sports turf industry at exciting locations.

GRANT IS FOR:

- Free Conference Registration (Value of $575.00)
- Travel Stipend of $2,000.00

ELIGIBILITY

In order to be eligible for the NESFMA Conference grant:

- Must be a current NESFMA Member, in good standing
- Willingness to speak at the following Spring NESFMA Meeting to talk about your experience.

NOTES:

- You do not need to be a national member of the SFMA to attend, but the cost of your registration will be higher. The difference in cost from what is listed above will be the responsibility of the grant recipient. A word of advice, it will be cheaper to become a national member than to pay the upcharge. Plus, you will get the perks of being a national member.
- Grant recipient must submit confirmation they have registered for the conference, arranged travel, and reserved a hotel room before the grant will be issued. However, this does not need to be done prior to applying.
